Constitution

ARTICLE 1. This body shall be known as the Mount Zion Baptist Association of North Carolina.

Membership

ART. 2. It shall be composed of the ordained ministers, belonging to, and members chosen annually by, the several churches belonging to this body, who, by presenting letters from their respective churches, certify their appointment, and shall thereby be entitled to seats. Each church shall thereby be entitled to three delegates, and one additional delegate from each Sabbath School connected with the church, who shall be a member of some Baptist Church.

Objects

ART. 3. The objects shall be to devise and recommend measures for increasing the harmony, the intelligence and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts, in advancing the Redeemer's kingdom on the earth. This Association shall be an auxiliary to the Baptist State Convention in all educational, mission, Sabbath School, and other work fostered by its boards.

Powers and Prerogatives

ART. 4. The members thus convened shall sit as an advisory council, who shall have no power to infringe on any of the internal rights of the churches. It may advise the churches, and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and for its recommendations the very highest consideration and regard.

ART. 5. The Association shall have power to withdraw from any church that shall knowingly or wilfully depart from the orthodox principles of the religion as taught in the Bible and held by the regular Baptists as the true teachings thereof.

Rights of Churches

ART. 6. Baptist churches on application for admission to this body shall present to the Association at one of its sessions evidences of their faith and order, and willingness to cooperate with the work of the Association and that of the N. C. Baptist State Convention and the Southern Baptist Convention, and, upon recommendation of the Executive Committee of the Association, said churches shall be received into associate membership at the same session of the Association; and at the next annual session of the Association, upon recommendation of the Executive Committee, said churches shall be received into full membership and the pastors and delegates seated as fully-empowered messengers of their respective churches.

ART. 7. It shall be the duty of the Association when requested by aggrieved members to hear their grievances, give appropriate advice, or send committees to

aid them in their difficulties. If the minority of the church is aggrieved with the majority, upon application they shall be entitled to the same consideration. Individual applications will not be entertained.

Duties of Churches

ART. 8. It shall be the duty of the churches to appoint as delegates, as far as practical, their most capable members, to insist upon their attendance, and to send by them a contribution to the Association Treasurer to pay for the printing of the minutes and other necessary expenses.

ART. 9. It shall be the duty of each church to send annually a letter to the Association giving: 1. Location; 2. Names of pastor, clerk, and other general officers and their respective post offices; 3. Sabbaths of regular worship; 4. Church statistics, with the number baptized, received by letter, restored, dismissed by letter, excluded, erased, or died during the past year; the total number in fellowship; 5. Statement of the finances of the church showing all amounts paid to local expenses and benevolent objects; 6. Sunday school statistics; 7. Records of other church organizations; 8. Names of delegates and alternates; 9. Any other information deemed of special importance or necessary for publication, as required on the blanks in immediate use.

Organization

ART. 10. (1) The officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer, Auditor, Historian, who shall be elected at each annual session after the names of the delegates are enrolled, and shall continue in office until the next annual session. However, the newly elected Moderator, Vice-Moderator, and Treasurer shall not assume the duties of their offices until the close of the session at which they are elected. Election shall be by acclamation when only one candidate is nominated, but by ballot when more than one candidate is nominated for any one office. Any officer may be reelected.

(2) At each meeting of the Association an Executive Committee consisting of twelve members shall be elected, whose duty shall be to coöperate with the State Baptist Convention in its program for the furtherance of God's Kingdom within the bounds of the Mount Zion Association. The committee shall meet as often as it may desire for the effectual execution and performance of its duties. This committee shall have the power to appoint such sub-committees as it may deem necessary.

(3) At each meeting of the Association the Moderator shall appoint a committee whose duty it shall be to select and to recommend to the Association the members of the Executive Committee to be elected by the Association.

(4) The Executive Committee shall have the power, at any of its official meetings, to fill any vacancies on the committee occurring during the year.

Duties of Officers

ART. 11. It shall be the duty of the Moderator to open the meeting punctually at the time appointed, to enforce the rules, to preserve order, and to exercise all the prerogatives of a presiding officer according to the principles of established parliamentary usage.

ART. 12. It shall be the duty of the Vice-Moderator to discharge the duties of the Moderator in his absence.

ART. 13. It shall be the duty of the Clerk to keep a faithful record of the proceedings of the Association; to superintend the printing and distribution of the same; and to keep on file the printed minutes and other important documents belonging to the body. The distribution shall be based on the comparative amount paid by each church to the minute fund. For his services the Clerk shall be paid fifty (\$50.00) dollars of the Minute Fund.

ART. 14. It shall be the duty of the Treasurer to receive and pay over to the proper parties all the money contributed direct to the Association by the churches, and make an annual report to the Association.

ART. 15. It shall be the duty of the Auditor to examine annually the Treasurer's books and attest the report.

ART. 16. It shall be the duty of the Historian to collect and put in some durable form all facts and interest about each of the churches of the Association and report at each session of this body.

Amendments

ART. 17. Amendments to the Constitution may be made at any annual meeting, two-thirds of the members present concurring.

Rules of Order

1. The Association shall convene annually on Wednesday after the second Sunday in October, and continue for two days or longer in the judgment of the Committee on Order of Business, subject to the approval of the Association.

2. At the meeting of the Association, the Moderator of the preceding session shall preside until the end of the session at which his successor is known. In the case of his absence, the incumbent Vice-Moderator shall preside.

3. Each session of the Association shall be opened with religious exercises, to be conducted by whomsoever the Committee on Order of Business shall designate.

4. A majority of the members present shall be a quorum for the transaction of business, except in matters relating to the Constitution.

5. The members shall observe towards the officers and each other that courtesy which becomes Christians.

6. Any member wishing to speak shall rise and address the presiding officer. He shall confine himself strictly to the question under consideration, and avoid all personalities.

7. No member shall speak more than twice on the same subject without special permission.

8. All motions seconded shall be definitely stated by the presiding officer, or, at his request, be read by the clerk before the vote is called for.

9. When a question is under discussion no other motion or proposition shall be received except to adjourn, to lay on the table, to amend, to commit, to postpone to a definite time, which several motions shall have preference in the order in which they come.

10. The Association shall have the right to decide what subjects shall be admitted to consideration.

11. The general business of the Association shall be determined by a Committee on Order of Business named at the previous meeting, that will report as soon as feasible after the opening of the first meeting of the Association. When adopted, their report shall become the order for the Association and cannot be changed except by vote of the Association as provided in Section 10 above.

12. All questions of order not herein provided for shall be decided by rules of some recognized "Parliamentary Practice," preferably Mell's or Kerfott's.

REPORT ON DENOMINATIONAL LITERATURE

Southern Baptists are fortunate in the abundance of Baptist Literature available to every one of our five million church members. The literary, news, spiritual, and pedagogical values of the large range of papers, pamphlets, periodicals and books are the highest. These are prepared by Southern Baptist writers and issued under the authority and ownership of our Southern Baptist Convention and the State Conventions.

We unreservedly commend the Sunday School and B. T. U. Literature and Study Courses prepared and published by the Sunday School Board; the *Commission* and *Southern Baptist Home Missions*, publications of the Foreign Mission Board and the Home Mission Board respectively, and *Charity and Children*, our state Orphanage paper.

But this report has principally to do with the *Biblical Recorder*. The *Recorder*, for the most part, has been forced to secure its subscriptions from individuals. Within recent years the *Recorder* has been offered to clubs in churches at the rate of \$1.50 a year when a number equal to five per cent of the membership of a church shall have been secured. This plan has been successful in only a limited degree. Of the 60 churches comprising the membership of this Association less than half have *Recorder* clubs. The problem of the circulation of the *Recorder* would be greatly simplified if it should be placed on the same basis as Sunday School literature and *Charity and Children* and definitely put in the church or Sunday School budget.

Mr. Lawson H. Cooke, General Secretary of the Baptist Brotherhood of the South, has most forcefully expressed this idea in these words:

"Churches are now arranging their budgets for 1942. It will be a serious mistake not to include the state paper in next year's budget. To begin with, it is as legitimate a budgetary item as is the Sunday School, Training Union, Brotherhood, or W. M. U. literature. Of course, Baptists can be enlisted to a certain extent without the paper, but it will be impossible to interest them in the total program of the denomination unless they are informed regarding every phase of that program. In no other publication, as in the state paper can they have this information. No church could make a better business investment than by sending the state paper into the homes of its members. If the regular reading of the state paper for twelve months does not result in increasing the offerings more than the cost of the paper, then there is something wrong with the state paper, and I should be the first to say, 'Cut it out.' There is no question, however, that the results will be many, many times over the cost of the paper, and this in addition to the development of the spiritual life of the members, which, of course, is the most important consideration of all."

Respectfully submitted,

CHARLES C. SMITH,

Biblical Recorder Representative for the Association.

THE REPORT ON THE BAPTIST ORPHANAGE

The Baptist Orphanage of North Carolina stands as a monument to the past and present sacrifices of the men and women who have worked, and do work daily, to serve boys and girls. It is an institution through which North Carolina Baptists express their love for God and for little children. It is more than a monument; it is more than a beloved institution; it is a living body of over

800 active, happy children, their teachers and leaders. It provides physical development, mental training, social activities for training in Christian citizenship and spiritual food for the soul—that these children may grow in the likeness of Jesus. Briefly stating its true purpose, the Baptist Orphanage is helping fatherless and motherless children find their true selves in active service to God.

The Baptist Orphanage operates two homes, the Mills Home at Thomasville and the Kennedy Home at Kinston. During the year 1940 the Orphanage cared for 739 children—489 children were cared for at the Mills Home while the Kennedy Home took care of 149 children. Through our Social Service Department, whose aim is to keep the children in their own homes, if possible, our Orphanage has ministered to 103 children. The number appealing to the Orphanage for help has resulted in the filing of 564 new applications during 1940. Our Orphanage is meeting this situation as best it can with its resources. It has helped many of these children and their parents to make adjustments with neighbors and relatives when there was no room for them in either the Kennedy Home or the Mills Home.

The management of the Baptist Orphanage, under the superintendency of Dr. I. G. Greer, makes possible the Christian environment of the Orphanage, but the financial support—for feeding, clothing, housing, and educating 739 boys and girls—must come from the Baptists of North Carolina. Any enlargement of this work, to take care of the boys and girls who are daily knocking at the Baptist Orphanage for admittance, must be provided for by the Baptists of North Carolina. Through the “once a month offering” from the Baptist Sunday Schools and through the annual “Thanksgiving offering” from the churches most of its financial support is derived.

Here in the Mt. Zion Association every church, 59 in all, made a contribution to the Baptist Orphanage during the past associational year. We stepped up our monthly offerings in the Sunday Schools from \$4,038.27 in 1940 to \$5,543.15 in 1941, a gain of \$1,504.88, or an increase of 37 per cent. However, our Thanksgiving offering from the churches in 1939 was \$5,945.99 and in 1940 \$5,442.40. This shows a loss of \$503.37 or a decrease of 8 per cent in our Thanksgiving offering in 1940. Adding both our Thanksgiving and monthly offerings together our churches and Sunday Schools gave, in the associational year ending September 30, 1940, \$9,984.26 and in the associational year ending September 30, 1941, \$10,987.55, a net gain of \$1,003.29, or a net increase of 10 per cent. At the beginning of the associational year we had 30 clubs of “Charity and Children”; we now have 36 clubs.

While we have made some progress in support of this great work during the past year, I hasten to say we have only scratched the surface; we must plow deeper. This year’s Thanksgiving offering should be stepped up to \$8,000.00. The churches can do it. Will you help us? Will you plan for a larger Thanksgiving offering in your church? During the past associational year only 20 Sunday Schools mailed their offerings monthly for the 12 months. This was a gain of 7 over last year. But we should have instead of 20 Sunday Schools mailing their offerings monthly, 59, all of them.

For the associational year which we are now entering, let us set \$7,000.00 as our goal in monthly offerings from the Sunday Schools. Adding this to our

suggested goal for the Thanksgiving offering from the churches, we have a grand total of \$15,000.00 as our goal for the coming associational year.

We should have instead of 36 clubs of "Charity and Children," 59, one in every church. It is to be hoped that more and more of our churches and Sunday Schools will be enlisted and that each individual who attends these Sunday Schools and churches will avail themselves of the opportunity to give regularly and liberally to this great work. Let us make our association an example to all the state for the glory of Christ and the advancement of His Kingdom.

Respectfully submitted,

L. J. RAINEY.

27. Prayer by C. E. Byrd closed the evening session.

Second Day

THURSDAY, OCTOBER 16, 1941

Morning Session

28. The morning session was opened by singing "To the Work," and "Jesus Calls Us," led by Charles Jolley; and F. D. Hemphill led in prayer.

29. L. F. Sodeman led the devotional and continued to use John 9:4, asking the Association to repeat the verse in unison. He closed the devotional with prayer.

30. Relief and Annuity was ably presented by Dr. George T. Watkins, Durham.

31. The report on Hospitals was presented by A. P. Stephens. Smith Hagaman, Superintendent of the North Carolina Baptist Hospital at Winston-Salem was recognized and he discussed same in a most profound manner.

REPORT ON BAPTIST HOSPITAL

The Baptist Hospital is just now completing additions to its plant that increases its bed capacity from 108 to 300. This enlargement program will enable the Hospital to treat 10,000 patients each year. It is estimated that 3,300 of these will be patients who are unable to pay a hospital bill. It is further estimated that 3,300 will be mothers who have 10,000 children waiting for their return home. If the ratio of other years holds up, 200 of these will be preachers for whom no charge has been made for the last two years.

The Hospital has a staff of 100 doctors, all specialists in the many fields of medicine and surgery.

In a well-equipped, standard Training School, a class of about 50 nurses will enroll each year, coming from the different sections of our State, thus making a continuous enrollment in the 3-year School of Nursing of about 150.

The Medical Building of the Bowman Gray School of Medicine is now completed, and the school opened the first of September of this year. While the Medical School and the Hospital will be closely related and mutually helpful in every department, they will remain separate institutions, controlled by separate Boards of Directors and supported from different sources.

It should be remembered that everything contributed to the Hospital, goes to the support of the Hospital exclusively. The Mother's Day Offering by the churches is used entirely to pay the expenses of patients who are unable to pay for treatment.

The spiritual side of the Hospital's service is well cared for. For example, the Hospital has a full-time pastor, supplied by the generous donation of Mr. C. M. Scott of High Point. The pastor, Rev. Charles E. Parker, in addition to his ministry to the patients, their families and friends, teaches a course in Bible in the Nurses' Training School.

The women and young people of our churches over the state, in their various organizations, are rendering a fine service to the hospital in supplying linens of all kinds, such as sheets, pillow cases, towels, washcloths, etc.

The Hospital's vastly expanded program, of course, will require increased support.

Respectfully submitted,

A. P. STEPHENS.

Song: "Standing On the Promises of God."

32. "Christian Education in the Church" was next on program. James P. Morgan was recognized and he in turn introduced Charles A. Wells, Christian Journalist, Cartoonist, and Lecturer, who spoke on and illustrated Training Union Work in a forcible manner.

REPORT ON TRAINING ACTIVITIES

The mission of the church is to win the lost, develop them in Christian character, and to fit them to meet life's experiences on a Christian level to the end that, through them, the society in which we live may be redeemed.

To this end, our program of work, as promoted through our Sunday Schools and Training Unions, has been planned. We are glad to report that, while all has not been done that could be desired, much has been done that indicates a healthy growth and expansion of the work in our Association.

Both these organizations have co-operated with state and southwide denominational agencies in the promotion of our great Baptist program and through the mails, by personal contacts, and in group meetings our Sunday School and Training Union organizations have endeavored to meet the challenge of the hour.

Both groups co-operated in holding Associational meetings for the purpose of setting goals and perfecting organization to the end that we might do our part in meeting the challenge of the four-year program now being promoted by our Sunday School Board; and, while we have not reached these goals entirely, we have used them as guide-posts in building programs of work, and to some extent have made progress.

Perhaps the most far-reaching piece of work was done in our Vacation Bible Schools, again under the direction of Miss Ruby Williams. There were held during 1941, 43 schools with an enrollment of 3,495 and a daily average attendance of 2,881. There were 28 conversions in these schools. Time alone will tell the immeasurable value of these schools as the boys and girls met for a total of 287 days and studied the Bible and our great program of missions at home and abroad. Miss Williams herself served as principal of 22 schools and to her our churches owe an everlasting debt of gratitude for her unselfish, ceaseless efforts to advance the Kingdom through the Vacation Bible Schools. Our Association led the state in the number of schools held.

Our Sunday School Associational organization held four meetings during the year and will continue to hold meetings quarterly during the coming year. In addition, personal conferences were held many times, and aid was given all churches who requested such in the matter of Sunday School organization and literature. During the associational year a large number of churches held Training Schools with more than 200 awards being given for proficiency in this work.

We suggest that during the coming Associational year we continue our emphasis on evangelism through the Sunday Schools, train our teachers and officers in an even greater way that their task may be magnified and their vision enlarged, and "go into the highways and hedges" and bring souls into the Church where they can be shown the Way of Life. To that end we renew our dedication to our task.

Respectfully submitted,

JAMES P. MORGAN.

Song: "I Gave My Life for Thee."

33. "Cooperative Program" was next on program. J. Winston Pearce was recognized and he in turn introduced Mrs. Pearce as the speaker and she presented the Cooperative Program in a most informing way. She closed with prayer.

34. Motion that pastors and messengers to future Associations be instructed to take their lunches with them. The host church may furnish refreshments and homes for those staying over night.

35. L. F. Sodeman closed the morning session with prayer.

Second Day

THURSDAY, OCTOBER 16, 1941

Afternoon Session

36. The final session of the Association was called to order by the Moderator, and Charles Jollay led the congregation in singing "Take My Life, and Let It Be" and "Make Me a Channel of Blessing." L. F. Sodeman conducted the devotional using for the scripture lesson and main theme John 9:4, the congregation repeating with him the verse in unison. He closed with prayer.

37. The historical report of Grace Church, prepared by Historian J. F. McDuffie, was presented by G. P. Albaugh, who stated that Brother McDuffie was unable to attend the session of the Association on account of his health. The Association voted regrets for his inability to be present.

HISTORY OF GRACE BAPTIST CHURCH, DURHAM, N. C.

About the year 1904 the First Baptist Church of Durham saw the need for a Baptist church in the northern section of the city. On a lot that had been given to them by Mr. Fred C. Geer the First Baptist Church began a building in 1906 and completed it in 1907. On July 30, 1907, the North Durham Baptist Church was organized with 54 charter members, most of whom came from the First Baptist Church.

The church called Rev. J. M. Arnette to become the first pastor and he entered upon his duties in August, 1907. From the beginning it was understood that the church would receive aid from the State Mission Board, but it soon became evident that the church could be self-sustaining and so it never actually received aid. In a short time the church became an active and progressive church under the leadership of Mr. Arnette, who served faithfully for about seven years as pastor. Mr. Arnette resigned in May, 1914.

Rev. R. R. Lanier was called from the Southern Baptist Theological seminary, Louisville, Kentucky, to the pastorate on July 19, 1914, and entered upon the work in August, 1914. The work was carried forward under his leadership for four years until his resignation in March, 1918.

The third pastor was Rev. Victor McGuire, who was called to the church from the Second Baptist Church of Danville, Va., on June 23, 1918, and began his pastorate in August, 1918. He remained with the church little less than one year and yet he endeared himself to the people and led them successfully during his short term of service. He resigned his pastorate here that he might become a teacher in the English department of Pui Ching Baptist Academy, Canton, China, having felt a call to foreign mission service since his first years at Wake Forest College.

In September, 1919, the church called Rev. William J. Crain who had just been discharged from service with the American Red Cross and he began his ministry in October. During the first years of the church's existence the need was recognized for a better Sunday School building and the question of enlarging the building was discussed, but no definite action was taken. The matter was discussed at various intervals but no actual move was initiated until April, 1919, while Mr. McGuire was pastor. Plans were drawn and estimates were made for the erection of an up-to-date Sunday School building. These plans were accepted by the church and Rev. M. W. Buck, pastor of the First Baptist Church of Burlington, rendered splendid assistance in raising sufficient funds for the erection of the building. The name of the church was changed from North Durham to Grace Baptist Church May 15, 1921. Mr. Crain resigned in January, 1922.

Rev. George T. Watkins was called from the First Baptist Church of Goldsboro to the pastorate of Grace Church on March 25, 1922, and entered upon the field on April 16, 1922. It was during his pastorate that the church grew

to be one of the leading churches of the city. The membership grew to around 500 and the financial support to all local and denominational causes reached its height. Dr. Watkins was an able leader and a man of such unusual spiritual power that he endeared himself to the entire city. After a most fruitful pastorate of ten and a half years, the beloved pastor died. His memory will be held in sacred esteem by all those who knew him, and the influence of his ministry will live on in the city, even to children's children.

Rev. Henry B. Anderson, the present pastor, was called to the church from Enfield Baptist Church, Enfield, North Carolina, on March 12, 1933, and began his ministry May 15, 1933.

In this first year of Mr. Anderson's ministry the church erected the Watkins Memorial hut in memory of Dr. Watkins. The hut is used as a social center, and for the church library. The men's Baraca class has used this building also for its meetings.

During Mr. Anderson's ministry the church has given him most splendid cooperation, and the church is now in a thriving condition in all its various departments. The spiritual life of the church is felt throughout the city. It is a church entirely free from all debt.

Grace Baptist Church has purchased and paid for a commodious pastorium one block north of the church. The residential property on the north of the church purchased and presented to the church by Brother and Mrs. K. U. Bryan adds additional space for building. This property adds 76 feet frontage and 210 feet back, which together with the present property gives a most beautiful situation for enlargement and expansion. A building committee appointed in 1940 now has plans being drawn by an architect and consultant for expansion of the physical equipment of the church. There is also a building fund which has been growing as the members of Grace Church look toward the supplying of their plant. For temporary use and until extra Sunday School space can be had, six classes are now using the residence on the adjacent property.

One of the most progressive moves that the church has been able to accomplish is the employing of a full-time church worker. This has greatly helped in developing a more efficient church, and gifts to the denomination have increased steadily.

The Grace Baptist Church is located among some of the most stable people of the city, and all during its history it has enjoyed a steady and substantial growth. The church membership is now 747, Sunday School enrollment 570, and the Training Union enrollment, 60. The church is well organized with a healthy growth in all departments. The Woman's Missionary Society is fully organized with all the auxiliaries.

There is no doubt that with the cooperative membership, and the fine leadership of Brother Henry B. Anderson and his assistant, Grace Baptist Church will continue to build for His Kingdom.

J. F. MACDUFFIE, *Historian*.

38. The W. M. U. work was reported by Superintendent, Mrs. John T. Craig of Durham, who after a few remarks introduced Mrs. Charles Leonard, returned missionary from Manchuria. In earnest

words she inspired the Association for greater interest in the missionary work throughout the world.

SUPERINTENDENT W. M. U. REPORT

It is with grateful hearts that we have presented to you our calendar report for the year 1940. We had a glorious meeting in June, filled with inspiration, information, and Christian fellowship. As we accepted, and are working to "Make His way known among the earth and His salvation to all people," we are reminded and receive His benefits in all the ways we labor together. In the weak society as in the strong, in the far-away places in our Association as the near, in the newly organized society as in the experienced ones, He is just where we need Him most. There are many outstanding things we have accomplished for which we give praise and thanksgiving—especially for the privilege of laboring to make ours "A Debtless Denomination by 1945." Mt. Zion is carrying about 100 clubs and we rejoice in the fact.

We thank you for all the ways you are carrying on and for the effort you make in His name.

As the world struggles on in such a chaotic condition, may we as never before, work, pray, labor, and give so "That His way may be known in the earth and His salvation among all peoples."

Yours in Kingdom service,

MRS. JOHN T. CRAIG, *Superintendent*.

REPORT OF MISSION STUDY

Books are as banks: closed they are of no value, open they become a social power to higher and more noble living.

The study of missions has been an open book to thirty-four churches in the Mt. Zion Association during the year 1940. A total of 4,423 people have engaged in the study of missions with 922 awards being given.

Respectfully submitted,

MRS. C. E. BYRD, *Mission Study Chairman.*

REPORT OF PERSONAL SERVICE

At the 1940 annual meeting of the Woman's Missionary Union a personal service conference was held. The new personal service report blank was discussed and I hope proved to be helpful to our women. It was encouraging to see an increase in the number of societies doing definite soul winning. We know the object of the Christian life is the salvation of the world.

We have many opportunities for service in the coming year. With an evangelistic crusade on, we remember, "The Lord sent them out two by two." Our churches must remember the service men. May our motto be: Traveling with Christ toward tomorrow.

SUPERINTENDENT'S REPORT FOR 1940

In I Samuel, 12:23, 24, we read, "I will teach you the good and right way; Only fear the Lord, and serve him in truth with all your heart: for consider what great things he hath done for you." I feel very confident, dear friends of Mt. Zion, that as we have gathered here today we have served in truth; and for each and every one of you, cooperating in all and any capacity, I am deeply grateful and thank God upon every remembrance of you in your various places. And if there is one prayer I make for you more often than any other it is that you have great joy in service, His service. Remember:

Just where you stand in the conflict, There is your place;
Just where you think you are useless, Hide not your face;
God placed you there for a purpose, Whate'er it be
Think He has chosen you for it, Work loyally.
Gird on your armor; be faithful, At toil or rest,
Whate'er it be never doubting, God's way is best.
Out in the fight or on picket, Stand firm and true
This is the work that your Master Gives you to do.

Never before have we heard of such distressing conditions all around this land of ours, such confusion of thinking, living, and acting, perplexing problems, uncertain trends in world affairs, call after call for service, national defense in all its output, the task of the day, preparedness. Can we stand by without giving of ourselves to the utmost for Christ's preparedness program, without accepting any and all training in all our great plan of W. M. U. work so that our reserves of faith, endurance, and hope for the tasks ahead may be sufficient?

There is a good and right way to follow our plan, and many of these plans I am sure you have already worked out and progressed upon, namely, the increase of tithers, the added clubs we must have in our Hundred-Thousand Club to make us a "Debtless Denomination by 1945." Keep ever before your people the facts that we aren't in debt because we bought "strawberries in January" or tried to "keep up with the Jones" as someone has put it. We are in debt for the same reason that great business concerns find themselves in debt, unpredictable developments in the economic life of the world, the necessity of borrowing to meet emergencies and because credit rightly used may be a positive factor in progress. As Baptists we have used credit, and the dividends, material and spiritual, have proven the wisdom of its use. We had rather have our gains and debts by far than to have neither gains nor debts. There is a time, as any time comes, for settlement of an obligation. We have set ourselves to the worthy goal of paying by 1945. "Let us put our shoulders to the wheel."

Let us search our hearts, be much in prayer as we leave our inspiring mountain-top meeting, the helpful fellowship of our co-laborers, and betake ourselves to our many places of duty confident that just where He placed you and me is the usual round of life and service, and that He has ordained victory through Christ.

STEWARDSHIP REPORT

We regret that Stewardship is a neglected and unpopular subject. If we would give it the proper emphasis and the important place it should have, our vision would be enlarged and we would build a Christian citizenship that would contribute much to our government and to our world.

Let us remember the testimony of the woman from Zarephath, who said for her to live was to give. Let her testimony be a call to the women of today to have faith in the same God who has the same power to bless our gifts and acts of obedience for the good of humanity.

We are glad to report that Stewardship in the Mount Zion Association during the year 1940 had a steady, although slow, growth.

We have had more Stewardship classes than in any previous year.

We must study and acquire knowledge concerning Stewardship before we conscientiously live it.

We also have had several organizations to observe annual Church Stewardship Programs, a plan which proved to be very beneficial. Not only those who participated in the programs were strengthened, but those who attended received inspiration.

Our goal for 1941 is a Stewardship Class and a Stewardship Church Program in every church.

If we are to be faithful Stewards we must go or send our representative to do God's bidding. Money is our best representative, as it represents our time, thought, talent, love, and energy.

So let us bring our tithes into the storehouse and the church treasury will be enlarged, the Hundred-Thousand Club increased, and the Baptists will be a debtless denomination before or by the year 1945.

We must realize that one of the most precious possessions entrusted to Christians is the Gospel. If we are faithful Stewards we will give this Gospel to a war-torn world that they may know of Jesus and His power to save.

Respectfully submitted,

MRS. F. M. JENKINS,
Stewardship Chairman.

REPORT OF YOUNG PEOPLE'S LEADER

Several new endeavors were undertaken in the year 1940 relating to the work among the young people of Mt. Zion Association. First, there was a Conference for Counselors and Leaders held at the Temple Church, Durham. Mrs. W. R. Stone directed the 61 Counselors and Leaders present in a discussion of Miss Juliette Mather's book, "The Way of Missionary Education." Second, an Associational Y. W. A. Council was organized in March at Grace Church, Durham. Miss Ruby Norton of West Durham is serving as President of the Council, holding regular Executive Board meetings. The Y. W. A. Council's second meeting of the year was in the form of a banquet with Mrs. J. Winston Pearce as guest speaker. Both of the Council meetings were well attended and there was much enthusiasm manifested.

The Young People's Rally held at Watts Street Church, Durham, was attended by over 200 young people. Miss Elizabeth Lassiter, Henderson, and Miss Martha Beck, Durham, were our guests for the day. This proved to be a very inspiring and helpful meeting with emphasis being placed on the fundamental principles of the auxiliaries.

More of our young people attended camps and conclaves than ever before. There were 67 members of the Girl's Auxiliaries at the State G. A. House Party at Meredith College, and 29 members of Royal Ambassador Chapters at the

Conclave. There were 39 young women who went up "unto the hills" to receive a blessing at the Southwide Y. W. A. Camp at Ridgecrest. Our Association was represented by 74 boys at the Divisional R. A. Conclave held at West Durham.

Much progress has been made, but there is still a great deal to be done in our Association. May we not falter but continue to press onward in His Name ever leading and guiding our host of young people in the path of missionary instruction. Letters written 540; Cards written 232; Visits made 18; Meetings held 5; Miles traveled 732.

Respectfully submitted,

MRS. D. C. MARKHAM,
Young People's Leader.

TRAINING SCHOOL REPORT

It is indeed a privilege for members of the Woman's Missionary Union to help make "His Salvation Known" through the Training School. Young women from all over the South have gone from its walls equipped for efficient service in every land where Baptists promote work. They are gladly telling the gospel to millions who have never heard, and many are doing it in a sacrificial way. We are happy that the new building can accommodate many more and thus train many others in the years to come to make His Salvation known. Let us continue to make our gifts large in the interest of making this great salvation known.

I have made talks on the Training School work in the following churches: West Durham, Bethesda, Temple, and Bragtown.

Respectfully submitted,

MILDRED THOMAS,
Associational Training School Representative.

CHARLES LEWIS HAYWOOD

AND

THE REV. A. C. HAMBY

To whom the 1942 edition of the Minutes
of the Mount Zion Baptist Association
is dedicated by order of the
Association

CHARLES LEWIS HAYWOOD more than most men approached the description of the duties of a Christian by St. Paul in Romans 12:10-13. "Be kindly affectioned one to another with brotherly love; in honor preferring one another; not slothful in business; fervent in spirit; serving the Lord; rejoicing in hope; patient in tribulation; continuing instant in prayer; distributing to the necessity of the saints; given to hospitality."

Born in Jones County, N. C., March 29, 1870. His father, Egbert Whitfield Haywood, teacher, merchant and magistrate. His mother was Miss Sarah Whitty of Jones County.

Married Miss Zoe Riggsbee of Durham, February 24, 1897. Their home has been known through the years for its charm and culture with a prevailing spirit of Christ prompting many acts of generosity and kindness.

For 34 years a trustee of the Baptist Orphanage of North Carolina to which he gave the Kindergarten Building jointly with Mrs. Haywood.

Cultured Christian gentleman, devoted to his church and its causes. Strong in his convictions for the right as God gave him the light to see the right. Honorable deacon reflecting credit to the sacred office, and champion of all good works.

Courageous citizen with constant zeal for the good of his community and the right of others to pursuance of happiness and peace.

Faithful teacher and leader of men. An executive of acute ability with sincerity of purpose Charles Lewis Haywood lived with us. Today he lives more abundantly, because of his wise and righteous stewardship on earth, in the Father's House not made with hands.

THE REV. A. C. HAMBY may be best characterized as "A good minister of Jesus Christ, nourished up in the words of faith and of good doctrine, whereunto thou hast attained." I Timothy 4:6.

Born in the western part of North Carolina as a son of faithful parents with high Christian moral character and pure integrity. Educated in the

school of experience before his formal academic attainments which he pursued with credit and distinction.

A teacher of character and ability, and one who inspired others to nobler ideals and broader visions. He stood at the gateway of life and pointed to the possibilities of youth in the future manhood and womanhood of tomorrow.

Preacher of a pure uncompromising gospel without apology, and an apt student of the Scriptures, the Rev. A. C. Hamby reflected credit to his calling wherever he moved among his brethren.

As a servant of his denomination Brother Hamby proved himself loyal, efficient and able to meet the challenge of the call of his brethren to carry the gospel to the hills and the plains through the agency of the North Carolina Baptist State Convention.

Able executive and wise financier Pastor Hamby distinguished himself as a leader in organizing and promoting the basic needs of the local church.

Warm and sympathetic of soul with the true pastor's understanding of humanity's hurt and cure Brother A. C. Hamby courageously led the sheep of his pasture toward their fullest possibilities and went before them into the Palace of God.

6. After the Roll Call of Churches, C. C. Smith, Biblical Recorder Representative in the Association, directed a skit on Christian Literature and submitted the report to which Levy L. Carpenter, newly elected Editor of the *Biblical Recorder*, spoke.

REPORT ON RELIGIOUS LITERATURE

The writer of this report is embarrassed at the great wealth of books, magazines, and weekly and monthly periodicals that are rightly classified under the head of religious literature, and by the large number of firms, organizations, and institutions that prepare, publish, and distribute these various lines of literature calculated to build the mental and spiritual life of human beings.

Foremost among such organizations, and of commanding interest and importance to Southern Baptists, is our Sunday School Board. There seems almost

no end to the number and classes of its publications. Outstanding among these are, of course, its unsurpassed periodicals for use in our Sunday Schools. We recommend a larger use of its Sunday School and B. T. U. training courses.

To those of our Sunday Schools that may desire to supplement the Sunday School Board's training courses this report suggests the examination of the courses and publications of the International Council of Religious Education, Chicago.

Southern Baptist agencies offer an abundance of splendid and informative literature on every phase of Baptist missions. Various publications along lines of missions are especially adapted to adults, young people, and children. There are five monthly missions magazines which give a great variety of mission news and methods. However, for a Southern Baptist family to get a well-rounded view of our missions work, all five of these magazines must be subscribed to and read. It is doubtful if all five go into 10,000 homes of Southern Baptists.

Moreover, it may be questioned whether the expense of taking all five is justified. The yearly subscription prices of them are: *Royal Service*, 50c; *Window of Y. W. A.*, \$1.00; *World Comrades*, \$1.00; *The Commission*, 50c; *Home Missions*, 25c; or a total of \$3.25.

Northern Baptists are much more practical than are we in the field of current literature on missions, in that they have only one periodical on missions. This is a monthly magazine, called *Missions*, for only \$1.25 a year. It has about sixty-five pages, is one of the really outstanding missions magazines of this country, and has departments for Woman's Work, young people, and children.

Southern Baptists made a step in this direction in 1916 by combining the publications of the Home and Foreign Boards into one splendid monthly, *Home and Foreign Fields*. But this valuable periodical was starved out because the W. M. U. declined to merge its publications into the one. In those years of enforced economy of materials, effort and labor this Association urges upon the Home Mission Board, the Foreign Mission Board, and the Woman's Missionary Union the desirability of thoroughly studying the feasibility of merging all of our missionary periodicals into one comprehensive monthly magazine.

This report would lay special emphasis on the *Biblical Recorder*. This valuable organ and possession of the North Carolina Baptist Convention has been compelled for the most part to secure its subscriptions from individuals. Within recent years the paper has been, and is, offered to churches in clubs at \$1.50 per subscription. This plan has helped some, but the circulation still is far below expectations.

The problem of *Recorder* circulation would be greatly simplified if the paper should be placed on the same basis as Sunday school and Training Union supplies and *Charity and Children*; that is, it be given a regular place in the budget of the church or Sunday School. We recommend both the club and budget plans to the churches.

This Association desires to record its appreciation of the work of Rev. Eugene Olive as Acting Editor since the resignation of Dr. Slemph. We also share in the joy of other North Carolina Baptists in the coming to the editorship

of the paper of Dr. L. L. Carpenter, a native of our state. We commend him to the helpful support and coöperation of all our churches and members.

Respectfully submitted,

CHARLES C. SMITH.

REPORT ON NORTH CAROLINA BAPTIST ORPHANAGE

The Baptists of North Carolina are still ministering to little children in the name of Christ. Last year our Baptist Orphanage cared for 739 children in addition to making adjustments for a large number of others. It provides physical development, mental training, social activities for training in Christian citizenship and spiritual food for the soul—that these children may grow in the likeness of Jesus. Briefly stating its true purpose, the Baptist Orphanage is helping little children find their true selves in active service to God.

The management of the Baptist Orphanage, under the Superintendency of Dr. I. G. Geer, makes possible the Christian environment of the orphanage, but the financial support—for feeding, clothing, housing, and educating these children—must come from the Baptists of North Carolina. Any enlargement of this work, to take care of the boys and girls who are daily knocking at the Baptist Orphanage for admittance, must be provided for by the Baptists

of North Carolina. Through the "once-a-month offering" from the Baptist Sunday Schools, and through the annual "Thanksgiving Offering" from the churches, most of its financial support is derived.

Here in the Mt. Zion Association 60 churches made a contribution to the Baptist Orphanage during the past associational year. Of these, 27 churches mailed their offering monthly. These 27 churches are on "The Honor Roll." We wish that all 62 churches were on "The Honor Roll." During the past year our churches gave \$12,504.52 or a net increase of 15% over our gifts in 1941, or a 25% increase over 1940. The following chart shows our progress in helping the Baptist Orphanage:

"Every Christian in Every Church Praying for the Baptist Orphanage"

At the Mt. Zion Association in 1939, my good friend and fellow-worker, C. L. Haywood, made the orphanage report and closed it with these words:

"He who gives a child a treat,
Makes joybells ring in Heaven's streets,
And he who gives a child a home,
Builds palaces in Kingdom Come."

On June 26th, God called C. L. Haywood, the Orphan Child's Friend, to occupy his palace in "Kingdom Come." That palace was built by our Heavenly Father with the materials sent up by C. L. Haywood through 72 years of Christian service. For 34 years he gave a labor of love and a work of patience as a faithful and loyal trustee of the Baptist Orphanage. During his 34 years as trustee he never missed a meeting of the Board except once when his beloved wife was critically ill. He loved little children and gave himself in unselfish devotion for their welfare. In recognition of his work of patience and labor of love we, therefore, recommend that this year's volume of minutes be dedicated to Trustee C. L. Haywood, The Orphan Child's Friend. We also recommend that all of us work to attain the suggested goals for 1943 as a memorial to C. L. Haywood.

Respectfully submitted,

L. J. RAINEY.

18. The Association voted to dedicate the 1942 minutes to the memory of Trustee C. L. Haywood and A. C. Hamby.

19. Moderator Hall led in prayer for the Mills Home and the 110 boys that formerly were children in the Home now in the Allied Service.

CONSTITUTIONAL AMENDMENT

20. Last sentence in Article 10, amended to read, "Any officer may be reelected with the exception that the Moderator shall not serve more than two (2) years in succession."

21. G. T. Mills closed the afternoon session with prayer.

Second Day

THURSDAY, OCTOBER 15, 1942

Morning Session

22. At 9:30 o'clock with Moderator Hall presiding, the morning session convened and the Association sang, "We're Marching to Zion" and "He Leadeth Me," L. F. Sodeman leading the singing with Mrs. S. J. Weatherly at the piano.

23. W. H. Pool led the devotional and led in prayer.

24. H. B. Anderson brought the report on Temperance and it was discussed by Holland Holton of Duke University in an inspirational manner.

REPORT ON TEMPERANCE

There has never been a greater menace to civilization than the scourge of the liquor traffic. Its blight has been described by Evangeline Booth: "Drink has drained more blood; hung more crape; sold more homes; plunged more people into bankruptcy; armed more villains; slain more children; snapped more wedding rings; defiled more innocence; blinded more eyes; twisted more limbs; dethroned more reason; wrecked more manhood; dishonored more womanhood; broken more hearts; blasted more lives; driven more to suicide; dug more graves than any other poison scourge that ever sent its death-dealing waves across the world." This description is tragically true today.

History testifies that drink has been one of the chief causes of the downfall of nations.

Everybody can refer to the Biblical description of the downfall of Babylon—how Belshazzar drank wine before a thousand of his lords the very night Darius took the kingdom. Alexander the Great died in a drunken debauch. The overthrow of the Roman Empire followed a period of "gluttony and drunkenness." On Christmas night, 1776, General Washington, knowing that Colonel Rahl and his soldiers would, as customary, give themselves over to feasting and drunkenness, caught them off guard in the early hours of the morning and won an

historic victory at Trenton. The battle of Waterloo was lost by Napoleon because Marshal Ney failed to make his appearance as ordered on June 17. Retiring to his quarters the night before, after imbibing too freely of his favorite Burgundy, he "fell into a deep and prolonged sleep, and when he awoke—he found himself apparently unable to give orders." The result was the victory of Wellington. When the Germans were closing in on Paris in March 1918, just before the Battle of the Marne, "The French had left a great supply of alcoholic drink as the surest means of retarding the German advance. Two whole divisions were found drunk—The spearhead of the advance suddenly broke. No one could tell why." Prof. Hans Schmidt, an officer on the western front, gave the answer. "If we had not found alcohol we should have advanced farther than the March offensive." In 1925 the famous French editor Payot wrote a warning to the people of France, which if heeded, would have saved their country from defeat in 1940. He said: "Alcohol, under the indifferent eyes of the authorities, is indeed destroying our nation—I solemnly affirm that from now on one might inscribe on the windows of all public houses in France these fateful words, *Finis Galliae*." General Pétain admitted, "Alcoholism was the chief cause of the French armies' moral collapse.

The indifferent eyes of our authorities to the part that alcohol has played in the tragedies of Pearl Harbor, Singapore, and Tobruk, and the conditions that are permitted in and around our army camps and wherever our armed forces are training or fighting is cause for national alarm. No man in official position who fails to heed history's warning concerning this greatest of all enemies is worthy to lead our people in such tragic times and should be disciplined at the polls. It is high time that people of moral stamina should vote only for candidates for any office who are definitely pledged to banish liquor. No man has enough good qualities to offset the evil of his advocacy of, or tolerance for, the liquor traffic. No man is worthy of holding public office if he is friendly to this worst menace to civilization and everything that is sacred and holy. Only an awakened public conscience will save our nation from the fate of those nations that tolerated alcohol in the past and came to an ignominious end. Can we be loyal citizens and cast our vote for any man who is friendly with this most dangerous saboteur—Liquor?

26. Christian Education in the Sunday School, was reported and discussed by L. F. Sodeman.

REPORT OF ASSOCIATIONAL SUNDAY SCHOOL WORK

Due to the fact that our Associational Sunday School leader, Mr. James P. Morgan, was called into the service of his country early in the year, and because of unsettled conditions brought about by rationing of tires and gasoline, no Associational Sunday School meetings have been held during the year.

The report of Miss Ruby Williams, Associational Daily Vacation Bible School worker, holds special interest. Once again she has proved the immense value of this field of activity. For convenience the following comparative report is made of her work:

	1941	1942
Number of schools.....	43	39 White 3 Negro
Total Enrollment	3,495	3,487
Daily Average Attendance	2,881	2,644
Served as Principal	21	20
Total Number of Days.....	287	286

Miss Williams taught in 12 schools; directed the principal of 4 schools; held 3 new schools, contacted 19 churches and mission points not having schools; reports that 9 churches were unable to have schools because of the tire and gas situation. The total offerings received for the 1942 schools was \$304.85.

27. Christian Education in the Training Union was reported and discussed by F. D. Hemphill. He was followed by Clarence W. Teague, Texas.

REPORT ON TRAINING UNION ACTIVITIES

Realizing that to carry out the Great Commission of our Lord, Christians must first be trained in how to win men to Christ, in doctrine, and in leadership. For that purpose the Training Union has endeavored to meet the needs in the local church and in the Association. As we look back over this past year's work in the local churches and in the Association we see that, while we did not accomplish all we had hoped, we did meet with some success in our field.

Working in conjunction with James P. Morgan, the Associational Sunday School director, the churches of the Association were divided into three groups for both Sunday School and Training Union work. These groups are as follows:

<i>Durham Group</i>	<i>Chapel Hill-Hillsboro Group</i>	<i>Burlington Group</i>
Berea		Altamahaw
Bethesda	Antioch	Burlington
Cedar Fork	Bells	Calvary
Durham	Berry's Grove	First
Angier Avenue	Bethel	Glencoe
Bragtown	Cane Creek	Glen Hope
Durham Memorial	Carrboro	Hocutt Memorial
Edgemont	Chapel Hill	Graham
First	Cross Roads	Haw River
Grace	Ebenezer	Mebane
Holloway Street	Efland	Merry Oaks
Lakewood	Ephesus	Moore's Chapel
Temple	Hillsboro	Oak Grove
Watts Street	First	Swepsonville
West Durham	West Hill	Tabernacle
Yates	Lystra	Willow Springs
Gorman	McDuffie Memorial	Glenraven
Lowe's Grove	Mars Hill	Deep Creek
Mt. Pisgah	Mt. Ada	
Olive Branch	Mt. Carmel	
Olive Chapel	Mt. Gilead	
Red Mountain	Mt. Hermon	
Roberson's Grove	Pleasant Hill	
Rose of Sharon		

In our Training Union work Vance Fisher was group leader for the Durham group of churches; Rev. W. H. Poole in the Chapel Hill-Hillsboro group; and Frank Fagan directed the work in the Burlington group. Each of these men served nobly and efficiently in their respective fields.

These groups were to hold meetings each year and were to come together for Associational rallies three times each year. The program of meetings was started with a rally held at Hillsboro First Church. The meeting was well attended and the feature of this meeting was an address by Rev. Nathan C. Brooks, Jr., our State Director.

Group meetings were held in the different groups, and it is worthy of note that these meetings were on the whole well attended. It appeared that our Training Union work was again on the upgrade. At this critical time our country felt the effect of the gas and tire shortage and ration program. Probably no part of the church work felt the blow more keenly and with more telling effect than the Training Union work, and after consulting different pastors and leaders your director decided to discontinue our Associational and group meetings for the rest of the year, with the hope and prayer that when peace comes to our land, we will again be able to continue work in this great field.

Respectfully submitted,

F. D. HEMPHILL.

RESOLUTION

We the members of the Mount Zion Association register our approval of the action of the Board of Trustees of Wake Forest College in making the College co-educational on the Junior and Senior level, and recommend that this constitute the permanent policy of procedure.

RECOMMENDATIONS OF COMMITTEE ON EVANGELISM

At a called meeting of the Committee on Evangelism of the Mt. Zion Baptist Association, held at the Hocutt Memorial Baptist Church in Burlington, July 27, 1942, it was unanimously voted to recommend to the Association that:

In co-operation with the State Board of the North Carolina Baptist State Convention, we hold simultaneous, associational-wide Evangelistic Meetings, beginning the 4th of April, 1943, continuing for 10 days. The Committee urges that every church and pastor in the Association co-operate in this simultaneous effort. The Committee further felt that great good can come from this united effort in sane evangelism.

It is further recommended that we follow in general the plans outlined by the Missionaries of the Baptist State Convention, with the privilege of making any changes that may be necessary in the light of changing conditions.

Respectfully submitted,

COMMITTEE ON EVANGELISM.

REPORT OF THE EXECUTIVE COMMITTEE

Members of the Executive Committee unanimously approved the application of the Immanuel Baptist Church for associate membership in the Association for one year prior to full fellowship. This is in agreement with the order of the Association with respect to admitting new churches.

The committee further reported a recommendation to the Association that a Committee on Ordination be appointed by the Association to cooperate and advise with the local church presbytery in the examination and ordination of candidates to the full Gospel ministry. The following recommendation was approved:

"We recommend the appointment of an Associational Presbytery, consisting of five members, to cooperate and advise with the local church presbytery in the examination and ordination of candidates for the full Gospel ministry."

The Association requested the Executive Committee to appoint the presbytery, which was named as follows:

A. D. Kinnett, Burlington, chairman; A. K. Cheek, Hillsboro; Z. B. Teel, Durham; O. F. Herring, Durham; W. H. Poole, Carrboro.

The committee recommended the annual budget for associational activities for 1942-43 at \$702. It was further recommended that all new churches contribute an additional amount to the total budget.

Afternoon Session

31. "Blessed Assurance," the opening hymn, was followed by "Count Your Blessings," and the devotional service was conducted by W. H. Pool and he closed with prayer.

32. Vice-Moderator Walter M. Williams presiding. The Historical report of Lakewood Baptist Church, prepared by Historian J. F. McDuffie, was presented by W. H. Pool, who stated that Brother McDuffie was unable to attend the session of the Association on account of his health.

HISTORY OF LAKEWOOD BAPTIST CHURCH, DURHAM, N. C.

Lakewood Baptist Church was organized on the 14th of April, 1912, by a Presbytery consisting of the following brethren: W. C. Barrett, M. P. Davis and R. P. Ellington. There were eight charter members. Since the organization of the Church three hundred and forty-two (342) members have been added.

During the thirty years of its organization the church has been served by ten (10) pastors. The names of these pastors and their term of service follow:

R. P. Ellington—April 14, 1912-February, 1913

W. E. Warren—Feb. 1913-Spring of 1915

H. F. Lindsey—Spring of 1915 to 1918

W. H. Hartsell—Feb. 2, 1919 to October 28, 1921

C. T. Plybon—Feb. 5, 1922-September 30, 1923

L. W. Teague—Jan. 6, 1924-September, 1930

W. H. Hartsell—Feb. 18, 1931-Sept. 9, 1932

P. P. Hartsell—November, 1932 to July 14, 1937

L. R. Ennis—Jan. 11, 1938 to May 19, 1940

T. D. Collins—September 1, 1940 to the present.

The church has also been blest with many fine deacons. Those that have served are:

F. A. Ward, R. L. Rigsbee, W. G. Pendergrass, T. R. Scott, J. B. Jacobs, C. D. Crutchfield, J. R. Pickett, A. B. Brooks, J. T. Latta, C. O. Rigsbee, T. R. Pendergrass, S. E. Rochelle, W. J. Hay, Fred Crabtree, R. K. Jones, Tom Phipps, Thurston Evans, Cecil Howard, Foye E. Ward, R. G. Misenheimer, J. E. Hall, W. G. Crabtree, and A. C. Cheek.

The following persons have served the Church as clerks, and have done so faithfully:

W. G. Pendergrass, T. R. Scott, H. V. Curtis, A. C. Brantley, S. E. Rochelle, C. D. Crutchfield, A. C. Cheek, Mrs. A. B. Brooks, R. K. Jones, Tom Phipps, Mrs. A. C. Cheek.

Mr. H. V. Curtis, Mr. T. R. Scott, and Mr. S. E. Rochelle have served as treasurers for the church during its life.

The Trustees of the Church are: Brethren S. E. Rochelle, C. W. Crabtree and J. E. Hall.

The Finance Committee composed of A. B. Brooks, Stewart Rigsbee, Thurston Evans, G. W. Crabtree and A. C. Cheek have done a good work.

The Church has not failed in its work as a church interested in all phases of religious organizations—having a splendid Sunday School of almost 300 members; a Missionary Society, Y. W. A., R. A., G. A., and Sunbeam Band. The following women have served as President of the Missionary Society: Mrs. J. C. Myrick, Mrs. W. H. Hartsell, Mrs. A. B. Brooks, Mrs. Annie Harris and Mrs. T. D. Collins.

With Mrs. Cecil Howard as pianist, and Mrs. Thurston Evans as chorister, the Church has been able to go forward with its music program.

The Church has had no set revival recently. It may be possible that they have a revival at each service, which is the best revival any church can have. To have Christ with us at each meeting in spirit and power always enlivens our hope and gives such as is well pleasing to God, our Father.

The future outlook of the Church seems to be very encouraging and hopeful. The members seem to be very co-operative in all their undertakings. They seem to have good leaders in every department of their work.

The Church house itself is splendid, well located to serve the community. The attendance is usually good and bids fair to become one of the most helpful institutions of the community.

Some very sad losses have been sustained since the organization of the Church. Brother F. A. Ward, one of the first elected as deacons of the Church, went to his reward about the time the Church house was built. He was a big-hearted, liberal man and looked forward to the building of the house with a great deal of anxiety and hope for its future. Also Brother Hartsell, who was Pastor of the Church, died very unexpectedly. He was a very brave preacher of the Gospel, and did not hesitate to tell the truth to the people. He died soon after helping

in a revival at MacDuffie Memorial Baptist Church. There were few men who truly knew his worth. He loved the Gospel truth, and made a special point to preach it wherever he went. Thank God for his precious life and memory.

33. The W. M. U. work was reported by Superintendent Mrs. John T. Craig of Durham. Mrs. Craig being absent, the W. M. U. work "What a W. M. U. does mean and can mean to me as Pastor" was discussed by A. D. Kinnett.

W. M. U. REPORT

As we, the women, young people of the Mt. Zion Association accepted our watchword for the year, "Oh Send Out Thy Light and Thy Truth," surely we could not see and know the significance of it as the year came on and the challenge it was to us to send this light and truth in the many places of our cities, towns and villages. It becomes more challenging, more entreating, as we have this high privilege. We are thankful for each and every one who has had a part in making so joyful the task of laboring in His name and making each and every accomplishment possible; surely it has been only through the combined efforts of all that our record is possible and we are sure they are allowing their "lights to shine" wherever they are.

We had a glorious meeting in June at Edgemont Church in Durham with over half of our churches represented. A day full of helpful, informing reports and addresses.

As these troublesome days go by may we ever pray, and send out our light and our truth with His help in all needful places.

Yours for a greater Mt. Zion,

MRS. JOHN T. CRAIG, *Supt.*

The total report shows that there were 34 different books studied, 192 classes held, and one school of Missions. The W. M. S. held 101 classes, 2,218 attending, and awarded 58 certificates, 692 seals, 163 reading cards, 37 reading seals, 18 continuation certificates, 10 official seals. Y. W. A. held 31 classes, 421 attending, with 3 certificates. G. A. held 30 classes, 323 attending, with 81 certificates and 85 seals. R. A. held 18 classes, 150 attending, with 41 certificates, 54 seals, and 29 reading seals. Sunbeams held 11 classes, 250 attending, with 94 certificates and 52 seals.

The W. M. U. societies and auxiliaries can keep this light burning through 1942 and future years by Mission Study, for as William Carey of England, the founder of modern Missions, said in that great sermon of his "Expect great things from God, and Attempt great things for God." Mission Study is not merely "Taking a Book," it should be a life-changing business. Seeing the world through Mission Study books should increase Mission interest. Some will hear a call to service in life; others to service in going; all to service in prayer. A weary world awaits for the Christian people to look at it with keen Christian insight. The women of Mt. Zion will Keep the Lights Burning by sending the Word to the uttermost parts of the world.

Each day we read the newspapers eagerly and anxiously, following our flag—"The Stars and Stripes." During this war period let us keep the Light of Christ burning by "Following the Flag" in mission study and it will lead us around the world.

Respectfully submitted,

MRS. C. C. COX, *Mission Study Chairman.*

PERSONAL SERVICE REPORT

"Forward March" is heard much today among our service men in carrying on this war for our freedom. How important it is today for us to say "Forward March," Christian soldiers, in carrying out our watchword for this year: "Oh, send out Thy light and Thy truth."

At the 1941 annual meeting, Mrs. Charles Faucette spoke to the personal service report. Her talk based on part of the 1941 watchword, "Thy salvation among all nations," was very interesting and helpful.

The women of the association will have an opportunity to send out His light among the soldiers who will be in our community. "Let me have light that I may give light."

STEWARDSHIP REPORT

In Charles A. Cooke's book on Stewardship we find this statement, "The Church has either been ignorant of its stewardship or has forgotten the duties which stewardship involves."

If we accept this statement as true, it is now necessary to enlighten the Church or to awaken the members who have forgotten. Would it not be wise in some way to enlist the men who are good stewards?

We asked the churches of the Mt. Zion Association to accept as our stewardship goal for the year 1941: First: That each church give a Stewardship program participated in by the W. M. S., Y. W. A., G. A., R. A., Sunbeams. Second: Each church to have at least one class studying Stewardship. We regret that we failed to reach this goal, but are pleased to report that many of the churches did succeed in having both program and study class.

From the reports sent in, I am glad to report 700 tithers. The total number of new tithers for the year: W. M. S. 90, Y. W. A. 2, G. A. 21, R. A. 6, Sunbeams 5. Total number tithers: W. M. S. 459, Y. W. A. 81, G. A. 86, R. A. 48, Sunbeams 26. Number Stewardship classes held: W. M. S. 6, Y. W. A. 3, G. A. 1, R. A. 1, Sunbeams 2. Number memberships in 100,000 Club: W. M. S. 89, Y. W. A. 11, G. A. 18, R. A. 2, Sunbeams 2. Participating in Church Stewardship Night program: W. M. S. 3, Y. W. A. 3, G. A. 3, Sunbeams 2. Number churches trying the "Prove Me Plan" 1.

Many of our members are faithful stewards and have given of their best to the Master. Stewardship is life and we need, and have, consecrated Christians who live good lives and teach against sin. Our Christian world will provide means and men to reconstruct a war-torn world. The church must realize its Stewardship of the Gospel which brings news of salvation and peace to a dying world.

Respectfully submitted,

MRS. F. M. JENKINS,

Stewardship Chairman.

SUPERINTENDENT'S REPORT FOR 1941

Many have been the dark places lighted by loving hands, gifts, and thoughts during this year of our Lord. Many have been the lights that have shone brighter and brighter, with only a few flickering in their uncertainty, only a few sputtering, finally to lose their glow. We are mindful of all those who have had a part in routing the darkness in its different forms in our community. Indeed, many have been led to fuller life because the light of true Christian worth has shone around them. As we accepted our watchword for the year, "Oh Send Out Thy Light and Thy Truth," Psalms 43:3, we have so labored to send the light to all needy places, to men in service and to render, in addition, all other phases of service to those needing a helping hand.

As the days grow more tense, times more perilous, pray for each other as lightbearers.

"They who give the light must have the light to give,
Then can they walk in darkness and shed light;
Where those who need their loving kindness live,
To lead them from the darkness of the night."

YOUNG PEOPLE'S REPORT

The young people of Mt. Zion Association are "Keeping the Lights Burning" in their stride forward. Through Mission Study, Stewardship, Personal Service, and gifts they shed their light at home and on foreign fields. Their magazines, *The Window of Y. W. A.* and *Worlds Comrades* are being used more extensively. We were represented at the G. A. House-Party, R. A. Conclave, and Y. W. A. Camp by 115 young people. There are 70 members of the Girls Auxiliaries working on the Forward Steps and 57 members of Royal Ambassador Chapters reporting progress on the R. A. Ranks.

An Associational G. A. meeting was held at the Edgemont Church with a good attendance from many Auxiliaries. Mrs. O. G. Tillman, former missionary to Burma, was our guest speaker. The Y. W. A. Council met twice during the year—one an inspirational meeting and the other a Mission Study Rally using Dr. O. T. Binkley's book *Frontiers for Christian Youth* which was taught by Rev. Lowell F. Sodeman. Officers of the Council were elected during the business session with Miss Ruby Norton being re-elected as president.

It has been a great privilege and opportunity to have served as Young People's Leader of the Association. The fine spirit of co-operation and loyalty has been deeply appreciated. May the young people of Mt. Zion Association strive as never before to hold high the light of missionary advancement.

Letters written 511; Cards written 142; Visits made 21; Meetings held 5; Miles traveled 688.

Respectfully submitted,

MRS. D. C. MARKHAM,

Young People's Leader.

RESOLUTIONS OF APPRECIATION

We, the women of Mt. Zion Association W. M. U., meeting in its thirty-sixth annual session, wish to express our appreciation to the churches of Group No. 1, Edgemont Church as acting hostess, for their gracious hospitality and cordial welcome, and for the helpful co-operation of the young people.

We offer thanks to the women of Group No. 1 for the delicious food served at the noon hour.

We extend appreciation to the program committee who planned such an interesting and inspiring program. We are grateful to each and every one who brought us a message in word or song. Especially are we grateful to Rev. W. W. Enete, Miss Mary Currin, Mrs. O. F. Herring, Mrs. G. N. Harward, Miss Nettie Lewis Byrd, and Mrs. J. Winston Pearce.

We wish to express our love and appreciation for the untiring work of the Executive Board, headed by Mrs. J. T. Craig, for the past year. We appreciate the untiring efforts of our retiring Young People's Leader, Mrs. D. C. Markham, and pray God's blessing upon her. We welcome Mrs. Wortham C. Lyon as her successor and pray that she may be a great Light Bearer as leader of our young people.

In view of the existing shortage of gasoline and rubber your resolutions committee recommends for your consideration the suspending of Group Meetings for the coming year.

We thank the Heavenly Father for his blessings during the past year and seek His guidance in helping us to "Keep the Lights Burning" in our Association.

Respectfully submitted,

MRS. C. H. VICKERS,
MRS. L. J. RAINEY,
MRS. H. P. CARROLL,
Committee.

[Note: The recommendation for suspending Group Meetings for the coming year was adopted as recommended.]

7. C. C. Smith, *Biblical Recorder* representative for the Association read the report on Denominational Literature, to which Levy L. Carpenter, editor of the *Biblical Recorder*, spoke.

REPORT ON RELIGIOUS LITERATURE

Rapidly permeating the mind of North Carolina Baptists, and deepening into a conviction, is the fact that in the choice of Dr. L. L. Carpenter as editor of the *Biblical Recorder* that paper's Board of Directors was divinely guided. Dr. Carpenter's editorials are timely, spiritual, helpful; the leading articles are informative, inspiring, challenging; the news items cover all sections of the state.

It is gratifying that the circulation of the *Recorder* has had a substantial increase during the past twelve months, it now having reached 18,592, which is a gain of more than 7,000 since August, 1942. The club plan is growing in favor among the churches, and that is true of this Association, there now being a large proportion of our churches that are getting the *Recorder* on that plan. But the ideal plan, both for the churches and for the *Recorder* is for the paper to be put in the regular church budget and mailed to at least every family in

the church. A church that pays for its Sunday school literature, for the B. T. U. periodicals used, should be as wise in getting the official organ of the State Convention in the homes of its members.

We distribute *Charity and Children*, our Orphanage paper, that the people may know of the work of the Orphanage; on the same principle we should send the *Recorder* to every home that we may know of the rest of the work of our denomination that is included in the terms: missions, benevolence, education. Adoption of the budget plan for the *Recorder* is commended to the favorable consideration of the churches.

Here is one estimate of the value of religious literature as given in *Missions*, the missions publication of Northern Baptists: "The religious press today is responsible for the Christian ideals, standards, convictions, and visions of a people. Upon American churches rests the duty of seeing that every Christian family is persuaded to subscribe to the church paper of its choice. Thus can its Christian home life be nurtured in these days of family disintegration, its Christian convictions strengthened at a time when convictions are waning, its Christian standards be sustained in an era when pagan standards are receiving priority, and its vision of the Christian world community be translated into tomorrow's reality"

A vital agency in the field of religious literature is the American Bible Society, the value of whose work is beyond calculation. Last year a sum for the support of the work of the Society, namely printing and distributing the Scriptures, was incorporated in the budgets of a few of our churches. It is hoped that many more will deem it expedient to do that this coming year.

Respectfully submitted,

CHARLES C. SMITH

Representative for Religious Literature.

12. Motion to dedicate the 1943 Associational Minutes to the memory of S. W. Andrews, former auditor for the Association, and to all deceased deacons.

13. Christian Temperance was discussed by Executive Director L. A. Martin.

14. M. F. Scott, Jr., read the report on the Baptist Hospital, and Smith Hagaman, Superintendent of the Baptist Hospital, brought the message from the Baptist institution in Winston-Salem.

REPORT ON BAPTIST HOSPITAL

Our Hospital had 12,000 patients during the past year—1942, instead of 4,000 patients as formerly. Of these 12,000 patients, 4,000 were unable to pay a hospital bill; it is for these that our Mother's Day offering is made. Then, too, 4,000 of these 12,000 patients were mothers of approximately 12,000 children awaiting their return. There were also about 175 ministers, returned mission-

aries, ministerial students, and children from our orphanage for whom no charge was made.

The Hospital Training School for nurses has 116 students in training, 51 staff and graduate nurses, with an addition of 22 nurses and Red Cross Aids, making a nursing staff of 189. One of the functions of the Hospital is to educate as many nurses as possible with the Christian ideal of service. These candidates are selected from every section of our state.

Although a large number of the Medical Staff have been called into the armed service of our country, the Hospital still maintains about 75 physicians, almost all of whom are specialists in the several fields of medicine and surgery.

These two institutions—Hospital and Medical School—represent a monetary value to the denomination of \$2,000,000. The American Medical Association has given our Baptist Hospital the highest rating of any hospital in the entire South, except one.

At this point I quote from the Hospital Management: "We desire to express to the members of this association our appreciation for the best Mother's Day offering ever, and also to the W. M. U.'s and other church agencies this same appreciation for their generous contributions of hospital linen."

Our Baptist Hospital has operated for 20 years under one supreme, fundamental purpose: That it shall be an institution through which the half-million Baptists of our state may render a definite Christian service to sick and suffering humanity who could not, in most instances, have hospital treatment otherwise. It is the prayer of the denomination and the management that it shall forever remain true to this high Christian purpose.

Respectfully submitted,

M. F. SCOTT, JR.

15. The work of the Womans Missionary Union was reported by retiring Superintendent Mrs. John T. Craig. The report was read by Mrs. Geo. N. Harward, incoming Superintendent in the absence of Mrs. Craig, and was discussed by Mrs. Taul B. White.

SUPERINTENDENT'S REPORT FOR 1942

Someone has said, "When the world is at its worst Christians should be at their best." The proverb is especially pertinent in the present day life of the world. We are in the midst of probably the most destructive war of all time with some forty nations embracing three-fourths of all living human beings at war. In the face of this fact it is imperative that Christians keep vital their sense of God and loyalty to Christ and His Gospel. Long ago the Psalmist asked: "If the foundations be destroyed what can the righteous do?" One thing they can do—and it is especially needed at this time of world chaos—they can uphold Christ as the only hope for humanity, and by word and deed they can give emphasis to His teachings as the only way of enduring peace.

It has been a great and high privilege as we have been "Laborers together with God" that we have been able in word, deed, and teaching to accomplish the things in our report which we give, not in satisfaction of achieving, but to know how and where we may strengthen and enlarge the use of our talents for Him.

What a time for the faith He gave us when He said, "Be not afraid, only believe!" May we in our every undertaking for Him be more eager, more joyous, more consecrated, so that we need not be fearful of what the future brings. God's purpose shall triumph. "Not fear but trust, in all things." As a great challenge to what we may do in Mt. Zion, I present the following report: Number in churches, 62; Number organizations, 192; Number churches no organizations, 8; Members in organizations, 4,850; Letters and cards sent, 431; Miles traveled, 225; Total gifts to all purposes, \$24,994.94.

Yours for a greater Mt. Zion.

MRS. JOHN T. CRAIG, *Superintendent.*

16. Announcements by the Pastor, W. H. Poole.

Solo: "Blessed Redeemer," by Mrs. King.

17. B. E. Morris preached the Annual Associational Sermon, using as his subject, "Spirit of Truth." His text was verses 13 through 16 of the 16th chapter of John. O. T. Binkley closed the session with prayer.

Afternoon Session

18. The afternoon session was opened with the singing of "Must I Go and Empty Handed," followed by the devotional led by Das Kelly Barnett. C. R. Pierce led in prayer.

19. Charles F. Hudson, Chairman of the Executive Committee, recommended that the applications for membership in the Association by Immanuel and Cheek Heights Baptist Churches of Durham be accepted. The pastors and messengers from these churches came forward and were welcomed by Moderator Anderson.

CHRISTIAN EDUCATION

20. Christian Education in the Churches the Sunday Schools and B. T. U. was reported by John Knight and Frank Fagan and discussed by B. E. Morris.

Christian Education in Our Colleges was discussed by Carlyle Campbell, President of Meredith College, and O. T. Binkley, Chairman of the Department of Religion, Wake Forest College.

REPORT OF SUNDAY SCHOOL

In spite of a diligent attempt to set up a complete Sunday School Associational Organization we were unable to get it fully established. A few of the offices were filled, however, in a very satisfactory manner considering the disadvantages under which we have had to work. Thanks to the volunteer workers we have been able to hold three fairly successful associational meetings. It is well to note that the interest in the meetings has steadily increased, the last being the most

successful of them all. It appears that the Sunday School work in our two cities is going along in fine fashion; while there is need for much help in most of the other churches. The Association could easily profit by engaging a full-time worker to see to these needs.

Through an attempt to secure some information for you the sixty-five Sunday Schools in the Association were asked to report certain facts to the Superintendent. Only thirty of these schools responded. From the thirty reports the following facts have been noted: Eleven churches show an increase in enrollment over last year, the total gain amounting to only 250; while twelve churches have had a decrease in enrollment, the total loss amounting to 604 pupils. Ten schools report a decrease of 243 in average attendance, but nine schools had an increase in average attendance of 96, and eleven others held their own. Did you know that these thirty schools use 676 teachers with only 151 of them holding diplomas (nearly half of this number was reported by Burlington First which has 75 out of 90 teachers holding diplomas)? There were nineteen of the thirty churches with no teacher in their school holding a diploma. This fact becomes more alarming when we discover that sixteen of these churches had no study course at all during this year. Twelve out of thirty Sunday Schools show no sort of officers' and teachers' meeting for the year. There are twelve churches that do not use the Six Point Record System, and six that are neither departmentalized nor graded. But it is not all dark for there were twelve churches that took a census, seventeen new classes started, and fifty-eight new teachers elected. There were also three Mission Sunday Schools started in the Association this year: Trinity Avenue by the Grace Church in Durham, Brookwood by the Hocutt Memorial Church in Burlington, and Grove Park by the First Church in Burlington. We feel that if the other thirty-five schools had reported, the needs would have been revealed as being much greater than herein indicated. We ought to remind ourselves of the value of voluntary co-operation among the churches and seek to stimulate growth and training throughout the association.

Miss Ruby Williams offers a most excellent Vacation Bible School report. We will notice first of all that although seventeen of our churches did not have a Bible School we reached the all-time high of fifty schools for the association. The average length of the schools was seven days with a total enrollment of 4,397, which is 910 better than last year. The average attendance in these schools was 3,353, which tops last year's record by 709. There were nineteen conversions from the Bible schools, and total offering of \$378.87. The total expenses were only \$588.79. This report is far better than any we have had up to this time, and may be the best in the State for this year. The efforts of Miss Williams are deeply appreciated.

Respectfully submitted,

JOHN H. KNIGHT, *Superintendent*
Mt. Zion Associational Sunday School Convention.

21. The Co-operative Program was discussed by W. H. Moore.

22. The Historical Report of Mebane Baptist Church was presented by Historian J. F. McDuffie in person. A standing vote of thanks and appreciation was given Brother McDuffie at this time.

HISTORY OF MEBANE BAPTIST CHURCH

In the public school building in Mebane, North Carolina (Alamance County), on July 5, 1901, the Mebane Baptist Church was organized with 20 charter members and the Reverend L. N. Chappell. These members were: Mr. and Mrs. J. L. Johnson, Miss Mattie E. Johnson, Mr. and Mrs. R. E. Forrest, Mrs. T. H. Fowler, Mr. L. Puryear, Mr. and Mrs. W. S. Kanoy, Miss Bessie Kanoy, Mrs. M. F. Smith, Miss Fannie V. Smith, Mrs. J. M. Rimmer, Mrs. H. B. Long, Mrs. W. Kirkpatrick, Mr. and Mrs. W. J. Lancaster, Mrs. M. E. Scott, Mrs. Alice Christopher, and Miss Mary M. Kirkpatrick.

J. L. Johnson and L. Puryear were elected Deacons; W. J. Lancaster was first Clerk and Treasurer. Articles of faith and the Church Covenant of the usual form were adopted. Rev. L. N. Chappell became the first pastor, serving for only one year. For the next four years the Church was not very active, although Rev. J. J. Adams served as supply pastor during 1902 and 1903 and the work of the Church did not really die.

Again on May 8, 1906 the members met at the Public School Building and reorganized. The Pastor at Graham, Rev. S. W. Oldham was called to supply until a pastor could be found. On November 1, 1906 Rev. Duncan McLeod was called and accepted the pastorate. The Church was to pay him \$150.00 and the Mission Board to pay the remainder of his salary. He preached two Sundays each month. The Presbyterians rented their church building to the Baptists for a short time for \$13.28. This period of the Church life is one to be remembered as it is in this year that the Church collected \$600.00 with which to start a Church building; a lot was bought from Mr. W. E. White for \$100.00 (the lot on which the present church now stands) and in April, 1907, the Church building was started. And in the same year the Church was received into the Mount Zion Association—the first delegates to the Association in 1906 being H. P. Smith, J. L. Johnson, and Paul Johnson. Brother McLeod served faithfully for three years and resigned. On July 29, 1907, H. P. Smith, E. B. Oldham, and James Qualls were added to the Board of Deacons. E. B. Oldham was the first Sunday School Superintendent and W. C. Cates was the first Secretary and Treasurer and the church reported to the Association 30 church members with 56 in Sunday School. Money raised for all purposes was \$956.92, but \$560.48 went on the building. During this year the women organized a Missionary Society. The Ladies Aid Society, and the Sunbeams, all of them doing good work.

Again Brother S. W. Oldham supplied until November 1909 when Rev. D. W. Arnette accepted the work. He resigned after two years' services to re-enter Wake Forest College. Brother Arnette and his wife were good workers. While there was not much progress made so far as an increase in members and contributions, the Church was left in good condition.

On June 4, 1941, Rev. B. V. Ferguson, then a student at Wake Forest College accepted a call from the Church. He was pastor for less than two years, leaving to take up his studies at the Seminary in Louisville. Brother Ferguson was a good financier and a good organizer. The Church was reluctant to lose his services.

On June 5, 1912 Dr. J. D. Hufham was called. He accepted the work. He was living in Mebane at that time and commenced his work at once. Dr. Hufham did a great work. The Church made some gain while he was Pastor in membership and contributions. Dr. Hufham's work was known all over the South. A better man than Dr. Hufham would be hard to find. On Sunday, April 5, 1914, he resigned. This was his last pastorate, but later on Dr. Hufham was elected Pastor Emeritus for life and with the Church until he passed away in March, 1921. It was during the pastorate of Dr. Hufham—in 1913—that the Mount Zion Association met with the Mebane Church.

In June, 1914, Brother H. G. Dorsett was called. He was a conscientious and willing worker, but his feeling for further preparation for his life's work caused him to resign on July 8, 1915. He entered the Seminary in Louisville in the Fall of that year.

Brother J. M. Arnette of Durham was called as part-time worker on October 6, 1915, but in April 1916 he gave more of his time to the Mebane Church and he was paid \$650 by the Church, the Mission Board paying the same amount. The foundation laid by him and his wife was a good one. He served the Church for three years and it was during his pastorate that a parsonage was built—a project that looked almost impossible at the time, but Brother Arnette never gave up until it was finished. He served the Church three years and resigned on April 1, 1918.

Brother J. C. Canipe, then a college student at Wake Forest, was called to supply. Brother Canipe did a fine work and was full of life. Brother Canipe was paid \$10.00 a week and the Board paid \$25.00 a month until he was called in October, 1918, as the pastor. On October 1, 1918 the Church began paying him \$800.00, the State Board of Missions paid \$200.00, and Mount Zion Association Board paid \$300.00 for the next year. In that time membership and contributions showed a large gain and October 1, 1919 the church came off the Mission Board by increasing Pastor's salary to \$1800.00. Brother Canipe gave up the work in September, 1920, to go to the Seminary and Dr. P. A. Roberts was called. He accepted and came on the field at once. Brother Canipe preached his last sermon September 12, and Dr. Roberts preached the next Sunday. Dr. Roberts stayed only one year and went back to Louisville. He was a fine Bible student and a good teacher; also his wife was a good worker. The church made no gains in membership but did gain some in contributions. It paid Dr. Roberts \$2,000.00 and raised for all causes \$3,824.82. Dr. E. B. Dillard was living in Mebane and the Church asked him to supply until a pastor could be found. He accepted. Dr. Dillard was a great speaker and supplied well for four months.

On May 5, 1922 Rev. J. C. Canipe was called back. He and Mrs. Canipe having finished their course at the Seminary accepted the work and began June, 1922 at a salary of \$2,000.00. He stayed about three years and resigned to go with the State Board of Missions as an evangelist. During the time he was with

the Church the membership increased 112, making 267 members on the roll. Contributions had increased about fifty percent. Brother Canipe did a fine work.

Rev. Fred Cochran was called. He accepted and began his work March 1, 1925, at a salary of \$2,000.00. Brother Cochran stayed only one year and resigned the work. There was no gain in membership but the finances held up well.

For some time there were supplies to preach; then Brother C. H. Cashwell was called and he accepted the work, moved to Mebane, and preached his first sermon on Sunday, July 4, 1926. Brother Cashwell and his wife did a good work. The Sunday School building was started but Brother Cashwell became discouraged after staying about 18 months and gave up the work. He was one of the hardest workers the Church ever had.

Rev. A. C. Hamby followed, beginning his work January, 1928. The church burned January 22, 1928, and it was for some time that the church services were held from place to place. Brother Hamby served faithfully and well for 14 years, and his memory will be held dear by all who knew and loved him. The Association can but sympathize with the Church and community in his death. He made an impression for good wherever he went. Enough praise cannot be given in these minutes to one who gave himself as unsparingly as did Brother Hamby. In spite of his poor health he worked untiringly to the cause of building the Educational Plant of the Church. He even sacrificed his salary to help the church made the pressing payments on the debt. All of the 14 years he spent here were spent in hardship, but he lived to see the entire indebtedness completely wiped out though at a deficit of \$1,000 in his own salary; not to mention the reduction of his salary from \$3,000, at his coming, to \$1,100 for his last year of service. To show his love and liberality before his death he canceled \$500 of that amount. He not only stayed longer than any other pastor, but he was the most beloved pastor that ever served the congregation at Mebane.

The present pastor, Brother John H. Knight took up the pastorate May 31, 1942. The Church work has grown steadily under his leadership—with 264 members, 249 enrolled in Sunday School, and 46 members in the Woman Missionary Society. Brother Knight and his people work harmoniously and under his guidance great things are expected in the years to come.

Your historian feels that it will be of interest to the Association to know that two of the 21 charter members are still living: Mrs. J. M. Rimmer and Miss Fannie V. Smith.

For the minutes of the Association there is recorded below the names of the pastors and the clerks with the terms of service:

34. Report on Church Evangelism was read by A. P. Stephens and discussed by F. D. Hemphill.

REPORT ON EVANGELISM

The primary and fundamental work of a New Testament Church is the winning of the lost. There is no substitute for soul winning. This was indeed the business of our Lord while here on this earth, and before going back to His heavenly home. He committed this glorious work to His disciples. Soul-winning is the imperative for the redeemed of God.

That the need is great within the bounds of our Association, everyone knows. It is estimated that more than half of the people in the territory of the Mt. Zion Association walk the ways of darkness, without God and without hope. This great group will miss the way home, unless we build the first of evangelism. What a challenge!

The simultaneous evangelistic meetings held in the majority of our churches last April 5-14 were a success but did not stir up the interest we had hoped for. Two hundred ninety were added to the churches. We barely touched the hem of the garment. We commend those who led in this simultaneous effort; especially do we thank the State Board for their leadership in this program of revivals.

We urge that new fuel—consecration, prayer, and work—be poured on the fires of evangelism in our Association. If we fail here, we fail God. Moreover, if we fail here, we fail struggling humanity, burdened and weighted down by its sins. The world challenges us! The power of the Blood encourages us! The redeemed and eternity woo us!

Respectfully submitted,

A. P. STEPHENS

Song: Trio, "When Jesus Comes," by Mrs. H. F. Pickett, Mrs. B. G. Brodgen, and Mrs. Carl L. Bishop, with Miss Nancy Ferrell, accompanist.

35. Report on the Baptist Orphanage was read by Homer Andrews. Superintendent I. G. Greer brought the message from the Baptist Orphanage in his own interesting and inspirational way.

NORTH CAROLINA BAPTIST ORPHANAGE

Article I of the Constitution of the North Carolina Baptist Orphanage, says: "This institution shall be known as the Baptist Orphanage of North Carolina, Incorporated, formerly known as Thomasville Baptist Orphanage and later known as the Mills Home, according to its amended charter, and shall have for its

object the support and caring for and training of dependent children of the white race."

There are two officials of the Orphanage, a general superintendent, I. G. Greer, and a treasurer, H. D. Covington. Their offices are in Thomasville and are located on the Mills Home Grounds.

The Orphanage maintains two homes, the Mills Home in Thomasville and the Kennedy Home near Kinston. These are not two Orphanages but are the two homes of the Baptist Orphanage. Each of these has a superintendent but neither has a separate treasurer, for the Orphanage treasurer handles all of the finances of both homes. Miss Sarah E. Elmore is superintendent of Mills Home, and Rev. W. C. Reed is superintendent of the Kennedy Home.

The Social Service Department, Miss Hattie Edwards, director, receives all applications for the entrance of children into the Orphanage and after investigation makes recommendations to the general superintendent, who makes the final decision. He says whether the child is to be accepted and if so into which home. If it seems best he places the child in a boarding home or establishes a mothers' aid home.

There has been cared for during 1943, 604 children in the two homes, not counting those cared for in boarding homes and in their own homes under mothers' aid. There has been placed a larger number of children than ever before, thus enabling the Orphanage to serve a greater number of children.

As the result of good food, regular hours, and the co-operation of all workers, the health of the children is far above that of the outside population, and as the result the attendance in school reached almost 99%.

There are many activities involved in the production of good food: the farm from which fresh vegetables are received in abundance along with pork and beef, the dairy from which each child receives a quart of whole milk daily, the poultry yard where all the chickens and eggs are produced and the 100,000 half-gallon jars that are filled with every kind of fruit and vegetable by friends of the Orphanage all over North Carolina. All of these good things are sent out to the 19 kitchens of the two homes where they are prepared as well balanced meals under the supervision of trained workers.

Clothing to a great extent is made by the children, with the aid of competent supervisors.

More than 10,000 articles pass through the two laundries each week. The greater part of this work is done by the girls, colored help being employed only for the heaviest labor.

The physical education program goes on the year round with trained directors in charge.

A graded Sunday School, B. T. U., and W. M. U. both at Kennedy and Mills Home helps in rounding out the lives of the boys and girls.

Charity and Children is published each week at the Mills Home and covers the activities of the Orphanage. Along with the paper a profitable commercial printing shop is maintained and a large number of our boys are trained.

To do all of these things there must be money, and the greatest asset of the Orphanage is the number of friends who love it. That mighty Thanksgiving offering whose echoes are still ringing in the hearts of every one that had a part

was the most heartening and uplifting thing in a financial way that has ever come to our Orphanage life. The demands are great and are going to be greater; so I ask that each Pastor and Superintendent go back to his Church and Sunday School, and start plans now that a greater offering may be given this Thanksgiving than ever before. Also that every Church and Sunday School see that an offering is taken each month and sent to Mr. R. D. Covington, Treasurer, Thomasville, N. C. on Monday after the offering is taken.

We must never lose sight of the one chief purpose of the Orphanage and that is making worthwhile men and women out of the dependent boys and girls. Under the wise leadership of our general superintendent and his two co-workers, Miss Sarah Elmore and Rev. W. C. Reed, we need never have any fear but that th chief purpose will always be carried out.

Mt. Zion Association, let's support our Orphanage in a big way during 1944, let's not come to our Associational meeting next year and have eight churches not making a contribution to this great work that our Master so well planned. Give your Orphanage your prayers and a place in your Church Program.

Respectfully submitted,

R. HOMER ANDREWS.

MT. ZION HISTORY IN THE MAKING

1938

Another half decade has passed as we continue the history of Mt. Zion Associational W. M. U. We gather at Mt. Carmel Church with two hundred and ninety delegates and visitors in attendance.

The guest speaker of the day was Mrs. J. S. Farmer of Raleigh. Mrs. Ira D. S. Knight and Mrs. O. T. Binkley, local speakers, also appeared on the program.

A decided increase in gifts (\$17,177.00) was reported, second in the state. We led in number of "Margarets" enrolled, due to the efficiency of our Margaret Chairman, Mrs. G. E. Isaacs.

The superintendent reported fifteen societies in the state in which every resident member contributed to missions. Mt. Zion had three of this number, Durham—Watts Street Hillsboro—First, and Ephesus.

This meeting closed the work as superintendent of Mrs. O. L. Riggs, who through her two years of service, won the love of Mt. Zion women who really brought the association to a higher standard along every phase of activity. It was with deep regret that her resignation was accepted. She was succeeded by Mrs. Chas. Jollay of Bethesda Church.

After presenting the history of the former five years, the meeting adjourned to meet next year with Graham Baptist Church.

1939

Our annual meeting opens at Graham with the superintendent, Mrs. Chas. Jollay, presiding. Two hundred and seventy-five delegates and visitors were present. The guest speaker was Mr. Horróno Espinozo, who gave a splendid address on his work in Chile. He was presented with a gift of \$38.00 by the delegates and visitors. Our gifts for the year were the largest since 1930, \$20,800.00.

Great progress was reported in Mission Study, under the leadership of Mrs. J. T. Craig. Mrs. E. Clyde Johnson, Personal Service Chairman, reports one hundred percent societies engaged in this phase of the work.

Mrs. N. E. Wiggins, the Young People's Leader, resigned in January of this year, the work was carried on through the remaining months by the superintendent. Miss Mildred Thomas had charge of the young people's hour at this meeting.

Mrs. D. C. Markham was elected to succeed Mrs. Wiggins. She was heartily welcomed again in that capacity. In January our Secretary and Treasurer, Mrs. W. R. Henderson, resigned and was succeeded by Mrs. J. L. Murrell of the Temple Church. We accept an invitation to meet with Yates W. M. U. a year hence.

1940

1940 finds us enjoying the hospitality of Yates W. M. U. with Mrs. Chas. Jollay presiding with more than three hundred present. The theme of this meeting was "Building in Firm Foundation." The guest speaker at this time was Dr. R. O. Leavell, who was introduced by Mrs. Owen Herring of Watts Street

Church. Other speakers were Dr. E. N. Gardner, of Henderson, and Mrs. W. D. Briggs, State W. M. U. Executive Secretary.

Mrs. D. C. Markham conducted a young people's rally held at Watts Street Church, attended by representatives of one hundred and thirteen auxiliaries. Dr. Gardner spoke to Mrs. Markham's report in the afternoon session.

Our progress for this year: Increase in gifts \$1,296.32, making our total gifts for 1940—\$22,131.39. We led the state in A-1 societies—48. Mission Study had an enrollment of 2,373. A decided gain in memberships to the Hundred Thousand Club. Mrs. Wortham Lyon of Watts Street Church succeeds Mrs. Markham in this work.

The women of Watts Street and Willow Spring churches were 100 percent in gifts. With reluctance Mrs. Jollay's resignation was accepted. Her record speaks for her diligence and devotion to the work, a most worthy successor to Mrs. Riggs. Mrs. John T. Craig of Temple Church succeeds Mrs. Jollay and we meet next year with Antioch W. M. U.

1941

We are gathered in annual meeting at Antioch Church near Chapel Hill. Mrs. J. T. Craig, the superintendent, is presiding over the meeting, with a host of delegates and visitors in attendance. The superintendent has as her assistant, Mrs. J. D. Hamlin of Grace Church.

The opening devotional was given by Mrs. Gillespie of Kaifing, China. The guest speaker was Mrs. Frank Lide of China and Millbrook, N. C. who brought an inspirational message. Topic: "That His Salvation may be known through all Nations." Our Personal Service Chairman, Mrs. Johnson, had a splendid report and stressed the importance of ministering to our service men.

Mrs. C. E. Byrd, Mission Study Chairman, reported 4,433 people engaged in mission study and 922 awards given.

Our gifts totaled \$21,319.00. Enrollment in societies 4,850 with 16 full graded unions. Mrs. D. C. Markham presided at the young people's hour and gave the following report: Young People's Rally held at Watts Street Church 200 attending. Conference held at Temple Church for Counselors. An associational Council was organized at Grace Church.

1942

We are at the home church of our much beloved young people's leader, Mrs. D. C. Markham, and are entertained by the ladies of Durham—Edgemont Church W. M. U.

The superintendent, Mrs. Craig, called the meeting to order, and presented Mrs. O. A. Barbee, president of the local W. M. S. who spoke words of greeting to the large number present. The inspirational address was given by Rev. W. W. Ente, missionary from Louisiana and Rio de Janeiro. At this time Mrs. J. M. Whitted was honored for her long years of service in the work.

Mrs. Owen Herring gave a brief message on V for Victory, followed by special music by Mrs. L. L. Whitaker of Temple Church. Splendid reports were given on Mission study, Personal Service and Stewardship. Mrs. F. M. Jenkins, Stewardship Chairman, reported 700 tithers for Mt. Zion.

The superintendent reported enrollment in societies 4,034, total gifts \$21,581.89. The young people's report by Mrs. Markham was especially good and depicted what a diligent, and consecrated leader can accomplish. There was a note of finality in Mrs. Markham's report which prepared us for her resignation.

After two terms of faithful and efficient service, Mrs. Markham's resignation was accepted. Mrs. Wortham Lyon of Watts Street Church was elected as successor.

During this five year period many whose names have not been given have contributed liberally in time and interest in our associational work, by appearing on programs, serving as leaders, and in many other ways.

Much of the success of the work is due to the splendid work of those who during this period have served as group leaders: Mrs. Hubert Maynard, Mrs. George Harward, Mrs. C. W. Sharpe, Mrs. L. C. Prnnif, Mrs. Eustace Markham, Mrs. J. H. Shipp, Mrs. N. O. Reeves, Mrs. W. H. Weaver, Mrs. J. P. Jones, Mrs. D. L. Sykes, Mrs. Sam Crawford, Mrs. Chas. Jollay, Mrs. Lewis Colclough, Mrs. J. B. Poindexter, Mrs. C. L. Haywood, Mrs. J. D. Herndon, Mrs. W. F. Williams, and Mrs. Sam Kinsey.

REPORT OF YOUNG PEOPLE'S LEADER

During these few months as young people's leader, filling out the unexpired term of Mrs. Wortham Lyon, who was elected last June, I have realized as never before the importance of this phase of our W. M. U. work.

The opportunity for real service is unlimited, the needs for personal contacts are numerous, both of which call for the best one has to give if they would succeed.

The church must be at its best in the worst time, and it is gratifying to find so many of our young people trying to make it so. We rejoice at the forward march of Mt. Zion Auxiliaries and urge them to greater endeavors in the days to come.

Our Y. W. A. Council met in November with Bragtown Y. W. A. The attendance wasn't so good on account of lack of transportation. It is now divided into Eastern and Western sections, meeting this year with Angier Avenue and Graham Y. W. A.'s.

In 1942 seven of our Y. W. A.'s attended camp at Ridgecrest; forty-nine G. A.'s were at Meredith for the House Party; eighteen R. A. boys attended the Conclave at Smithfield, and seven were at the camp at Raleigh.

Gifts for the year: Y. W. A.'s \$1,718.28, G. A.'s \$964.71, R. A.'s \$647.79, Sunbeams \$503.99, total \$3,834.71. Space will not permit the record of study classes held, forward steps in G. A. and R. A. work, and the many deeds of personal service done by these Auxiliaries. Congratulations to the splendid leaders of our girls and boys.

Letters sent, 288; Meetings attended, 6; Miles traveled, 95.

Respectfully submitted,

MABEL D. COUNCIL,

Young People's Leader.

RESOLUTIONS OF APPRECIATION

We, the women of the Mt. Zion Associational W. M. U. meeting in its thirty-seventh Annual Session, wish to express our appreciation to the Mebane Baptist Church for their gracious hospitality and cordial welcome, and for the helpful cooperation of the young people. To the program committee who planned such an interesting and inspiring program, we extend our sincere thanks. We are grateful to each of the following who brought us such informing and helpful messages: Mrs. John H. Knight; Mrs. J. S. Farmer, our State President; Mrs. G. N. Harward; Mrs. D. F. Stamps, Missionary to China; Mrs. Kelly Barnett, and others.

We deeply appreciate the untiring efforts of our executive board, our retiring Superintendent Mrs. John T. Craig; Miss Mabel Dare Council, Young People's Leader; and other retiring officers. We pray God's richest blessings upon them, and trust that they will continue to be guiding spirits in our Associational work.

In view of abnormal conditions we recommend a rededication of self and a redoubling of our efforts in the individual societies to advance the work of our Lord Jesus Christ.

We seek divine guidance as we begin the new year's work.

Respectfully submitted,

MRS. C. R. PIERCE,

MRS. G. W. LLOYD,

MRS. W. E. WILLIAMS,

Committee.

Respectfully submitted,

MRS. CHAS. JOLLAY,

MRS. J. R. POINDEXTER,

IN MEMORIAM

On May 31, 1943, the spirit of Mrs. F. M. Jenkins of Chapel Hill Church went home to be with her Heavenly Father. For several years she was Stewardship Chairman of Mt. Zion W. M. U. and her life was a shining example of her teaching of the stewardship of life. She was an inspiration to those who labored with her. May we ever emulate her example as we strive to carry on in His Name.

REPORT ON THE BIBLICAL RECORDER

An orphan in the realm of Religious Literature is the denominational state paper, the designated official organ of the denomination.

Sunday school literature is paid for by the churches and distributed free to those who attend; it is the same way with B. T. U. periodicals, while Baptist

churches in North Carolina pay for the Orphanage paper, and give it without cost to individuals.

But the *Biblical Recorder*—! Well, it has to have a circulation manager to promote it! And who has been buying the *Recorder* and paying for it all these years? The individual! And the *Recorder* has to make its way with him the best it can!

And yet it is the only one of our periodicals that gives news about all phases of our denominational work. Week by week it gives up-to-the-minute facts about State, Home and Foreign Missions. It alone tells about the meetings of the district associations. Soon it will carry an account of this meeting. The editor will gladly publish news items from the individual churches if only they are sent to him.

The facts about our home and world-wide work we are anxious for our members to know. Yet, if they know these facts, these members have to pay for the paper! When the individual gets his Sunday school literature free, his B. T. U. periodicals without cost to him, and *Charity and Children* without his paying for it, can you really blame him if he refuses to pay for the *Recorder* out of his own pocket?

So the average member does not take the *Recorder*, and, not taking it, he does not know about the great kingdom work that Baptists are engaged in. Not knowing, he is not interested in it. Lacking this interest he declines to give to just something called "The Cooperative Program."

Pastors seldom tell their churches about the vital agencies that share in the money given through the Cooperative Program. They rarely distribute tracts that give the percentages allotted to these different agencies. But the *Biblical Recorder* DOES give these facts.

Yet, the *Recorder* is an orphan, and has to make its way the best it can! Why should not our churches change the status of the *Recorder* and bring it really into our family of religious literature? We should place it on the same high level that is occupied by the rest of our literature, thus making it a full-fledged child. How may this be done? By each church putting the paper in its annual budget and sending it to every family in the church.

Dr. Carpenter has a plan by which this can be done, and a special rate that will enable any church to do this easily. The rate, when sent to every family in a church, is ten cents a copy a month, and payable on a monthly basis. Our churches are urged to give serious consideration to this plan when making their 1945 budgets.

The greatly increased circulation of the *Recorder* is highly gratifying. As of September 27, the number of subscribers was 26,874, an increase of approximately 9,000 in one year. This is more than double the figure of 1942. A goal of 50,000 subscribers by December 31, 1945 is not impossible to reach. Let the churches of Mt. Zion Association do their part towards attaining it by putting it in their regular budgets along with Sunday school periodicals.

Respectfully submitted,

CHARLES C. SMITH,
Biblical Recorder Representative.

6. A brief service of song was then engaged in by the assembly under the leadership of A. K. Parrish, with Mrs. R. L. Mallard as pianist.

OFFICERS ELECTED

7. The moderator, A. P. Stephens, who has served during the past twelve months, stated that he would follow the example set by H. B. Anderson a year ago and would not consent to serve in this capacity beyond this session. The following were then elected to serve in the several offices during the coming year: Das Kelly Barnette, Moderator; J. M. Cheek, Vice-Moderator; Charles C. Smith, Clerk; W. Jethro Broadwell, Treasurer; B. W. Rogers, Auditor. Several years ago J. F. McDuffie was elected historian for the remainder of his life. For some months Brother McDuffie has been critically ill and could neither be present at this session nor prepare any historical item to present this year. On motion, duly seconded and carried, Charles C. Smith was chosen for one year as Associate Historian. A. D. Kinnett was elected *Biblical Recorder* representative. Homer Andrews was elected Baptist Orphanage representative. Floyd Rhodes, Jr. was elected Director of the Associational B. T. U. Convention. W. E. Stanley was elected Superintendent of the Associational Sunday School Convention.

8. The Moderator spoke feelingly and fittingly of the death of Brother W. O. Williams, the efficient clerk of this Association from 1921 until his death on September 7, 1944.

He called attention of the body to the death on yesterday, October 11, of Rev. G. T. Mills, for some years pastor of churches in this Association. Prayer was offered for the families of these brethren, in which thanks to God was given for the Christian characters of them both and for their faithful and efficient services, each in his own sphere, in the Kingdom work of our Lord.

On motion by W. G. Hall the Association voted heartily to dedicate the 1944 Minutes of this Association to Brother Williams.

9. Dr. George B. Cutten, Chapel Hill, made a scholarly and informing address on "Christian Temperance," and H. B. Anderson moved that, as long as no report on this subject was made, Dr. Cutten be requested to prepare his address and offer it to the *Biblical Recorder* and to *Charity and Children* for publication. This motion, being duly seconded, was carried.

10. Smith Hagaman, Superintendent of the Baptist Hospital in Winston-Salem, addressed the Association on the work of that splendid institution. In the course of his remarks he took occasion to speak disparagingly of the teaching of the Bible in public schools, which many Baptists in the bounds of this Association have found most satisfactory. He then gave a great address on the Hospital. It was voted to request Mr. Hagaman to put his address in pamphlet form for distribution.

11. Mrs. George N. Harward, Superintendent of the Associational W. M. U., presented the report on that organization for the year, and spoke illuminatingly and factually to the report.

(This report being the same as that presented to the W. M. U. Convention it appears in the proceedings of that meeting.)

12. Preceding the Associational Sermon, Charles Jollay, accompanied by Miss Mildred Thomas, sang most impressively, "Were You There?" The Scriptures were read and prayer offered by Das Kelly Barnette. The sermon was delivered by J. Winston Pearce, on the subject, "Were You Out There?" The theme was the crucifixion of our Lord, and the large audience was manifestly greatly moved by this presentation. Mr. Pearce pronounced the benediction and asked the blessings of the Father upon the meal to be partaken of immediately upon adjournment.

Thursday Afternoon Session

13. A most helpful devotional period was led by W. W. Abernathy, with Scripture and prayer.

14. The very important subject of "Christian Education" was discussed in two divisions. First, "Christian Education in the Churches," was presented by Frank Fagan, Director of Associational B. T. U. Activities. Mr. Fagan presented Mr. Harvey Gibson, of the State Department of Christian Education, who spoke of the various training organizations in the local churches and the opportunities afforded all age groups for being better fitted for useful and intelligent service. The report of Miss Ruby Williams on Vacation Bible Schools, conducted in the Association during the summer of 1944 was presented.

The second phase of this subject, "Christian Education in the Colleges," was introduced by Garland Hendricks, who presented Dr. A. C. Reid, of Wake Forest College, who spoke interestingly and informatively on the subject, gripping, as he always does, the audience

with his clearness and his searching presentation of training the body, mind and spirit of youth. Mr. Hendricks moved that Dr. Reid be requested to furnish the Clerk of the Association a digest of his address and that it be published in the Minutes. The motion, after being seconded, was heartily voted for. (Dr. Reid did not furnish this digest. Dr. Reid's address is published in full in *Charity and Children* of November 9.—Clerk.)

RUBY O. WILLIAMS.

15. C. H. Norris suggested that prayer be offered for the men and women in the Armed Services of our country. Moderator Stephens added to this by saying that all would like to remember in prayer the bereaved families of brethren W. O. Williams and G. T. Mills, mention of whose deaths was made at this morning's session, and he asked W. G. Hall to lead the prayer for the latter group and C. H. Norris lead us to a throne of grace for the people in the Services.

16. The song, "Only a Touch of Thy Hand, Dear Lord," was beautifully rendered to the delight of the assembly by a trio of young ladies of Yates church: Mrs. Carl Bishop, Mrs. Boyd Brogden and Mrs. Floyd Pickett, who were accompanied on the piano by Mrs. R. L. Mallard, the pianist of the entertaining church.

17. On motion the Clerk was instructed to send a message to Brother J. F. McDuffie, in a Charlotte hospital, a message of love from the Association. This was done on the evening of October 13 in a telegraphic communication, as follows:

"The Mount Zion Association very greatly missed you at its seventy-fifth annual session. The body heartily voted you its deepest sympathy in your present illness, and sends you this message of love and confidence and its deepest appreciation of you and your long service and effective labors within our bounds."

The Clerk was also instructed to write letters of sympathy and good wishes, with the fraternal love of the Association, to Mr. W. P. Phillips, Durham, the treasurer of the Association for many years, who was recently stricken with paralysis and is now confined to his home, and to the family of Rev. G. T. Mills its sincere sympathy in the death of Mr. Mills.

(These letters were duly written.—Clerk.)

18. Owen F. Herring read the report on "Evangelism," and spoke briefly.

REPORT ON EVANGELISM

Evangelism is the most primary work of individual Christians and churches. It is the church at work in reaching the unsaved and the unchurched in its community.

The central emphasis of Christ's commission is to "make disciples." The other things outlined in the commission—the going, the baptizing and the teaching—are incidental, though essential, to the main purpose. All that churches should do in the service of Christ can best be done when motivated by the purpose of winning the lost, and spiritual health is best developed and maintained by a sane and persistent evangelism.

The church is the proper unit for promoting evangelism. We believe that evangelism is best which leads directly into church membership and fellowship in Christian service.

The church must adopt methods that will reach the unchurched masses. Among these methods are evangelistic preaching, evangelistic teaching and evangelistic visitation. No one of these is enough by itself. The church must see its field, sow and cultivate its field and harvest its field.

We commend to our churches the Centennial Program of Evangelism of the Southern Baptist Convention, with its goal of a million souls for Christ in 1945. We urge all of our churches to be diligent in work, fervent in their prayers to win the lost to Christ.

19. A report of unusual excellence and merit on "The Centennial of the Southern Baptist Convention," was read by Chas. F. Hudson. F. D. Hemphill spoke briefly on the importance of evangelism.

REPORT ON CENTENNIAL OF THE SOUTHERN BAPTIST CONVENTION

Southern Baptists occupy a most strategic position in our contemporary times. We face the greatest moment of our history as we are about to cele-

brate the one hundredth anniversary of the organization of the Southern Baptist Convention, which was effected at Augusta, Ga., May 8, 1845.

Plans have been perfected for an appropriate celebration of our centennial at Atlanta and Augusta next May. This will be a crowning climax to one hundred years of religious romance and courageous conquest for Christ.

Our glorious past is one of colorful and creative crusading for Christ under tremendous difficulty and hardship. Time would fail us to call the roll of the pioneers who have handed to us a holy heritage of which we are not worthy. However, the torch is ours to hold high in this dark hour of conflict and confusion. Those who have made our day possible were evangelists, educators and powerful pulpiteers, the like of which we rarely see today. These preached and taught under the compulsion of the Holy Spirit. They blazed the paths where highways never ran. The foundation laid by our spiritual ancestors are such that they cannot be shaken.

The suggested watchword for the centennial was made by Miss Blanche Sydnor White. It is exceedingly appropriate: "Hitherto-Henceforth." These words gather up the threads of our existence and weave them into a permanent pattern in the plan of God in His purposeful redemption of the ages. Now we definitely belong to the majestic category of experimental and historic Christianity.

Southern Baptists stand in the holy presence of Almighty God and a hallowed past. Our obligations to both are nothing short of staggering as we assume the role of reaching the world with our message of spiritual democracy. God has definitely committed this message to us, and we are commissioned to spread this doctrine to the rims of the globe. We have no other alternative. We must go, or perish from the earth.

Southern Baptists are confronted with the problem of race relations. These relations can never be settled until they are brought into the light of the intelligence of the gospel which Jesus preached. That is the gospel which Baptists are commissioned to preach. The major problem among Southern Baptists for tomorrow is that of solving the living conditions between the colored people and the white people in the light and spirit of the knowledge obtained only in a Christian democracy.

We are definitely obligated to wage war on alcoholic beverages. This is the nation's most devastating sin. Surely we will not wait for our women to rise in the spirit of Deborah and battle for victory over the drunken bodies of their husbands and sons, who have become the victims of a political principality of vicious proportions.

Southern Baptists need to revive the spirit of pure and unadulterated evangelism. We must return to the principles and practices of the early church for our pattern of evangelism. We have access to the identical spiritual forces which were available to the apostles on the Day of Pentecost. Baptists must tarry for the visitation of the Holy Spirit until they become of one accord. Then they will become channels through which God will shake His world for Christ. This is basic for the accomplishment of a million souls for Christ in 1945.

We should pledge our Lord in the light of our glorious past to preach as we have never preached before. Never has the world needed powerful preaching as it needs it today. Now is the time to put up our popguns and playful words and resort to the throne of God for that spiritual power which will convert men and women to the way of Christ.

Tomorrow's world will offer an open door to that group of Christians which has a vital message of truth. Baptists have been strangely endowed with this message, which if placed into actual practice will solve the major economic, religious and social problems of our "One World." We are intelligently sufficient, and politically recognized by the rest of the world to give prestige to the propagation of this powerful gospel. Our commercial and geographic relations to the rest of the races of the earth make it possible for us to accomplish this tremendous task by the help of Christ, who has commissioned us to this end.

Southern Baptists are the product of the preaching of the past. We are the strategic pupils of the present. From all indications we are the prospect for the future of spiritual democracy.

"Wherefore seeing we are also compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us, looking unto Jesus the author and finisher of our faith." Hebrews 12:1-2.

Respectfully submitted,

CHARLES F. HUDSON.

20. Charles F. Hudson, for the Executive Committee, reported that two new churches had made application for membership in the Association. These churches are newly organized and are, Alston Avenue Church, Durham, and Southside Church, Burlington. These churches, according to the Constitution of the Association, were recommended by the Committee to be received as Associate Members for the coming year. By unanimous vote, after a motion duly seconded, this was done. Moderator Stephens then asked that the pastor and messengers from the Southside Church, Burlington, come to the front and be recognized. Led by Pastor J. H. Waugh, Jr., the messengers were cordially welcomed by the Moderator. In the same manner, Pastor H. A. Basden and messengers, were given the right hand of fellowship by the Moderator and the Alston Avenue Church was welcomed. Both churches thus are Associate Members for the current year of this body.

21. In behalf of the Treasurer of the Association, W. P. Phillips, who is confined at his home from illness, Miss Christine Nash, Durham, presented the report of the Treasurer for the year ending September 30, last.

29. H. B. Anderson, for the Committee on Resolutions, brought in the report as follows, and the resolutions were adopted by standing vote.

REPORT OF THE COMMITTEE ON RESOLUTIONS

Your committee is happy to attempt to voice what we believe to be the sentiment of our entire association in expressing our gratitude to God; to Brother A. P. Stephens, our retiring moderator; to the executive committee; and to all those who have contributed to the high achievement in our association through the past year. Through the cooperative work of all of our people, we believe that the association has reached a high-water mark in the financial support of the Kingdom.

We are joyful in the expression of our sincere thanks to the Yates Baptist Church for the wonderful way in which they have entertained the association in the seventy-fifth annual session. Certainly these friends have done all in their power to make this session a most successful meeting.

We note with regret the comparatively small number of new converts won to Christ during the past year, and call upon our people to resolve here and now to put forth every possible effort to do their utmost in the year before us in our part in the Southern Baptist Convention goal to win a million souls for Christ.

We are mindful that some of our homes have experienced bereavement in the

loss of sons and daughters in the armed services of our country. We do, herein, express our love and sympathy to all such, and resolve that we shall continue to remember these in our prayers.

To the churches who have had members called to their Heavenly Home, we would offer our sympathy at their loss; and meanwhile, we would rejoice for those who have received their promotion.

We offer to our incoming officers our loyal and faithful cooperation in the year ahead, that we may honor our Lord with our best work.

In these trying days, when the world is at its worst, the church should be at its best. Above all, we should see that not hate, but the love of Christ should dominate all our endeavors at home and abroad, to the end that He might, indeed, be the Head of the churches; and that this love should call forth the best in us in leading all our people to our highest achievement in all phases of our Lord's Kingdom work.

Respectfully submitted,

H. B. Anderson

30. A. D. Kinnett offered a thoughtful and well-prepared report on the Cooperative Program. This was spoken to by Secretary M. A. Huggins, of the State Convention. On motion the report was adopted. J. Winston Pearce moved that we set as the goal for the Association to give to the Cooperative Program for the year beginning October 1, 1944, and ending September 30, 1945, the amount of \$100,000. The motion was seconded by H. B. Anderson, and unanimously and enthusiastically carried.

REPORT ON THE COOPERATIVE PROGRAM

The Cooperative Program embodies in a large measure the three-fold ministry of Jesus. When our Lord was on earth, He did in the main three things for man. He healed his body, taught his mind and saved his soul from sin and death. He sought therefore, to make man whole and complete. That is the purpose and intent of the work of the Cooperative Program. With the Cooperative dollar our churches provide hospitals, doctors and nurses to heal the bodies of men. With the same dollar we train the minds of our people by providing schools, and colleges, and institutions of higher learning. And, most important of all we preach the gospel with it to the lost at home and abroad.

The Cooperative Program is a plan therefore adopted by Southern Baptist to enlist all our people in the work of our denomination. It includes missions, education and benevolences. It seeks to provide a regular income for all of the agencies engaged in the work of the denomination. It distributes to all their agencies in proportion to their budget needs.

We urge the churches in our Mount Zion Association to continue their loyal support to this comprehensive program of preaching, teaching, healing and saving.

Respectfully submitted,

A. D. KINNETT.

31. The Yates Church trio of ladies sang, to the delight of the audience, "Cross of My Heart."

32. The report on the Baptist Orphanage was read by J. H. Waugh, Jr. Mr. Waugh is blind and the audience was exceedingly interested in observing him read this report in Braille, following his fingers as they nimbly felt the letters as he proceeded. To the delight of those who heard, Rev. J. A. McMillan, editor of *Charity and Children*, spoke on the Orphanage. The report was then adopted.

REPORT ON THE BAPTIST ORPHANAGE

"At the same time came the disciples unto Jesus, saying, 'Who is greatest in the Kingdom of heaven?' And Jesus called a little child unto Him and set him in the midst of them, And said, 'Verily I say unto you: Except ye be converted and become as little children, ye shall not enter into the Kingdom of heaven. Whosoever therefore shall humble himself as this little child, the same is greatest in the Kingdom of heaven. And whosoever shall receive one such little child in my name receiveth me. But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depths of the sea.'"—Matt. 18:1-6.

Too many of us, both individuals and churches, have been too busy to understand the importance of our children. Those who may be lawyers talk with other lawyers of the responsibilities and duties of law; those who may be engaged in industry are busy with responsibility there; and so because children are not yet lawyers or manufacturers they are easily taken for granted and overlooked. It was so with the disciples, and when Jesus stopped along the road to take into His arms the little children which were brought unto Him He was rebuked for wasting His time. However, Jesus knew the worth of the child, and used the child to answer a question of the ages: Who is the greatest in the Kingdom of heaven? The spirit of the child was put to them as a standard for the Kingdom man. God worked a plan to save for a great task the little boy, Moses. God called Samuel to a special work at a tender age. It was a lad who furnished the meager lunch which fed the multitude by the seaside. Jesus Himself at the age of twelve confounded the doctors and lawyers with His questions and conversation in the temple at Jerusalem. And Jesus was not too busy to stop and fondle in His blessed arms the little children!

A former president of these our United States, Herbert Hoover, is credited with having once said: "The world moves forward on the feet of little children." But suppose those feet are neglected and allowed to wander, weak

and undernourished, lonely and overcome with a feeling of failure, untaught and unreached for Christ; what sort of individuals can be expected, and on that basis, what sort of homes, society, and world can we expect? And there are hundreds of children in our state, potential outcasts, for there are hundreds of little children who have been left homeless by desertion or death. Many of these are from our Mount Zion Association. What have we been doing for them? What can we do for them in the future?

The Baptists of North Carolina have, in three ways at least, made homes for such children. Two institutions have been provided for in the North Carolina Baptist Orphanage: The Mills Home of Thomasville, and the Kennedy Home of Kinston, under the able direction of Mr. I. G. Grier and Mr. R. D. Covington. Another provision has been made in a sort of field work which seeks to find suitable homes with private families. Then, there is that type of service which seeks to supply financial allotments to mothers unable to give her children the needed food, clothing, etc. And so we Baptists are trying to fondle in our arms those little ones who need us.

But we are doing more than this. We are trying to develop these homeless children "in wisdom and stature, and in favour with God and man." Regular study in public schools, both from the standpoint of liberal arts and vocation, aid in the development of wisdom; physical education, proper work, food, sleep, and meals add to the development of stature; the highest type of Christian environment through wholesome church life and personal guidance of those who are entrusted with the great task make for the advancement of the spiritual growth; living together in homes with other children like themselves develops the social life so as to help them grow in favor with man.

It takes money to operate this noble Christian service. Just as we need money to feed, to clothe, to provide the conditions for the most wholesome growth of the children in your home, so our Baptist homes with their hundreds of children need money. They, too, must continue to eat, to dress, yes, to grow; else what sort of contribution will they make to that world being ushered in upon their feet!

In the report of 1943, an appeal was made to the Association that the eight churches which had not found a way to help in the support of these children make definite plans to give to this most worthy cause. Up until about a month ago, there were not eight, *but eleven*, churches which had not contributed to the welfare of these little ones. Pastors and laymen alike, will you not accept the challenge and go back to your churches determined to follow Jesus in caring for the little children. Make your people conscious of their part in the growth of the children of our orphanage. Last year, we gave to them the amount of \$16,424.42; and until June 30, 1944, there had been given \$5,887.95. Let us wake up to our responsibility, and whether you have chosen to give by the month, or whether you have chosen to put special emphasis on the Thanksgiving offering, making either of them worthy, may we rally to the call of the little children. May we not offend them by our neglect of them.

Because of the many children who may be left without provision by fathers who willingly spill their blood on battlefields, there is the possibility of the call from more children than we have heretofore thought of. God forbid that we

should offend them by neglect. And so, as you go back to make your plans for a better world of business, of home, of church—yea, a world of peace in every realm, remember the little children of our orphanage home, that they are a part of the feet upon which that world of peace must stand; make your worthy contribution, knowing that: “. . . whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depths of the sea!”

Respectfully submitted,

J. H. WAUGH, JR.

33. The newly elected Moderator, Das Kelly Barnette, closed the session with prayer. It was a grand meeting of the body, and every one went away inspired to make the coming year one of evangelism, missionary endeavor and our training activities more intense than in other years.

Whate'er may die and be forgot,
Work done for God, it dieth not."

How true are these words of Miss Annie Armstrong. In the midst of a world struggle, distress and sorrow, we hear her words "press on, press on." Why should we "press on" when everything is so dark today? Miss Fannie E. S. Heck answers the question for us as she exhorts us to "press on" for the sake of the young people—"That the Generation to come might know." These young people will carry on our work tomorrow. Will tomorrow be bright for them? This all depends on how well we live and teach them today. I thank God for His guiding Hand; for the achievements of the past year; for the failures. May these mistakes prove to be stepping stones to greater achievements in 1944. I thank Him too, for the accomplishments that cannot be tabulated—that will bear much fruit in the days that are ahead.

The statistical report for the year is as follows:

Number of churches in the Association	64
Number with missionary organizations	55
Full graded unions	14
Number of churches with A-1 unions (Watts Street)	1
Number of miles traveled	472
Number of cards and letters written	780
Total gifts to all causes	\$30,600.12
"May Jesus Christ be praised."	

Respectfully submitted,

MRS. GEORGE N. HARWARD,
Superintendent.

REPORT OF YOUNG PEOPLE'S LEADER

In a very real sense today is tomorrow in the missionary education of our young people. We have a very dark today in which to plan for a very bright tomorrow. We shall create a tomorrow of perplexities and problems if we allow the difficulties of today to overcome us in our young people's work. The generation to come will know. Our task is to make certain that they know those things which have been committed to us to help them to know. We must use today, enlarge our plans for young people's work, to mold Christ-like attitudes, to teach missions, and to guide into Christian stewardship and service.

Number of churches with Young People's organizations, 32; number of Y. W. A.'s, 22; R. A.'s, 18; G. A.'s, 40; Sunbeams, 26; total young people's organizations, 106; decrease over last year, 32; new organizations, 1 R. A.; number organizations doing directed community missions, 35; total gifts, \$4,142.38; increase in gifts, \$207.61; number mission study classes, 75; increase, 17; number A-1 organizations, 20; Burlington, First, all organizations; Chapel Hill, G. A.; Swepsonville, Y. W. A.; Bethesda, Y. W. A., G. A.; Grace, Y. W. A.; Watts St., all organizations; Edgemont, R. A., Sunbeams; West Durham, Sunbeams; Durham, First, Sunbeams; Mt. Moriah, G. A.; number attending Y. W. A. Camp, 19; G. A. House Party, 17; R. A. Camp, 21; number G. A. Queens, 12; number R. A. Ambassadors, 3; Y. W. A. Council work, Eastern Group, fall meeting at First Church, Durham, Mission Study Class and supper; Western group, meeting near Graham, Study Course book taught.

Goal for 1944—Organize more Auxiliaries and enlist more in those already organized. Encourage the attaining of Forward Steps and Ranking Systems. More to attend Camps and House Parties. More A-1 organizations and engage more earnestly in the real object of Community Missions—Soul Winning.

Respectfully submitted,

MRS. WINGATE JONES,
Young People's Leader.

STEWARDSHIP REPORT

Through the years Woman's Missionary Union has consistently believed that if we love Christ, we will render unto Him our devoted service through the witness of our influence, our use of time, our talents, and our money. Thousands of general words may be used on stewardship and yet as long as Southern Baptists give a little more than 1% of their income for Kingdom purposes, beautiful words are mere empty phrases and disgusting to our Maker and Master. Thus I call you today to face our record in Stewardship.

Number of churches observing Stewardship night, 6; W. M. S., 3; Y. W. A., 1; G. A., 1; Sunbeams, 1; number of Stewardship classes, 4; number of Young Peoples organizations using Stewardship leaflets, 11; number of churches securing a gift to missions from every resident woman member, 2, these were Olive Branch and Alamance.

Suggestions for 1944—1st, That each church have a full graded W. M. U. with each an active Stewardship Chairman; 2nd, That each society organize a

tithers' band; 3d, More societies having every resident woman member giving to missions; 4th, That each society have a Stewardship class; 5th, That each society observe Stewardship night; 6th, That we pray more and work harder this year than ever before—for the Harvest truly is bountiful and as reapers are we ready and willing to gather the harvest?

Respectfully submitted,

MRS. CLARENCE T. POE,
Stewardship Chairman.

MISSION STUDY AND LITERATURE REPORT

Mrs. J. Clyde Turner quotes in her report in Minutes of the W. M. U. Convention, a very apt phrase: "An informed American is an invincible American," and added "An informed Christian is an invincible Christian." Of course that is not the only requirement of an invincible Christian but surely we will all agree that never have we needed knowledge of God's workings among men as now. All of us know that more of our people have more ways to get information than at any time in history. This is at once a great asset and a great liability. What if they do not hear knowledge concerning the Kingdom? It is for this purpose that we encourage, urge and beseech every W. M. U. organization to have at least two classes annually. What did you do in 1943? The number of classes held in W. M. S. were 84. Number reporting two classes, 9; number reporting four classes, 4; number of Young People's classes, 75; number churches having a School of Missions, 5.

What are our weak points in Mission Study? The fact that we do not realize the importance of teaching missions. We are grateful for the increase each year in the number of Mission Study Classes held throughout our missionary organizations but there still needs to be greater interest shown in this important work.

Closely allied with the study of missions through books is the gaining of knowledge through our missionary magazines. The five best magazines on the market are these: *World Comrades*, the magazine especially for our boys and girls, comes into 89 homes in our Association. On an average of three for each organization there should be 252. What of the hundreds of boys and girls in our homes who should be reading stories of love and goodwill to offset the tremendous amount of hate being stirred up in their hearts? *The Window* of Y. W. A. comes into 68 homes. *The Royal Service* comes to 433 homes. Our indispensable ally is the *Biblical Recorder*. What a friendly, welcome, weekly guest it is into 424 of our homes. In addition to page after page of inspiration, instruction, news, there is a whole page each week written especially to W. M. U. members. In addition to these *The Commission* and *Southern Baptist Home Missions* gives us much-needed knowledge concerning our work.

Respectfully submitted,

MRS. ALMOND BAKER,
Chairman.

TRAINING SCHOOL AND MARGARET FUND REPORT

I am sure each of us can appreciate the vision and planning ahead that someone did in moving our Training School to "The Beeches." Had we waited, this improvement would be impossible now.

Each of us who has even the smallest part in the Heck Memorial Offering has a part in helping our Training School. How wonderful if our churches could lead more of our young women to go to the Training School to be trained in Christian Service.

Through the Lottie Moon and Annie Armstrong Offering each organization of our W. M. U. has the opportunity to help with the education of the children of our missionaries. During the school year each Margaret Fund student is given \$30.00 for extra things. The Burney Gift takes care of this. Each W. M. S. is asked for a gift of not more than \$3.00 to take care of this. I am sure each of us wishes to have a part in this worthy cause.

Respectfully submitted,

MRS. W. H. POOL,

Training School and Margaret Fund Chairman.

COMMUNITY MISSION REPORT

With the changing of the name from personal service to community missions this part of our W. M. U. work has taken on added significance. Community missions is really evangelism in the church community and the reports of such services coming in from our churches is heartening indeed. Many souls have been won to Christ through services in institutions and in the homes of the unsaved. The importance of carrying the Gospel into the homes, going two by two, is becoming more and more to be recognized as the best possible way of carrying the Gospel of our Christ.

A forward step has been taken, too, in that through our community missions we have been able to help our colored neighbors. The W. M. U.'s of Mt. Zion Association have contributed sufficient funds to pay for three scholarships to Shaw University to be used for worthy students who plan to do special Christian work. It can be said that this action on our part has gone a long way in cementing the Christian ties between the races.

When we look back over the year we are thankful for the progress we have made, but when we look out on the fields and see them still so white unto harvest we pray that we will still attempt greater things for God.

Respectfully submitted,

MRS. F. D. HEMPHILL,

Chairman.

RESOLUTIONS OF APPRECIATION

We, the women of Mt. Zion Asociation W. M. U. meeting in the thirty-eighth annual session, wish to express our appreciation to the First Church of Burlington for their gracious hospitality and cordial welcome, and especially for the lovely lilies brought all the way from Florida by Miss Bertha Cates for our enjoyment. To the program committee we extend our thanks for the interesting and timely program, and to each person who had a part in carrying out the program, we thank you. We are grateful to our leaders for their inspiration and helpfulness during the past year and we pray that they may so consecrate themselves to Christ that they may be led by His spirit to greater achievements for tomorrow.

We are happy that so many busy pastors found time to be with us since we feel that there should be understanding between pastors and W. M. U. leaders. In these difficult and trying times may we find more time for prayer and Bible study, seeking Divine guidance. May God give us the courage to be faithful witnesses during the coming year.

Respectfully submitted,

MRS. E. T. DOLLAR,

MRS. H. T. LYON,

MRS. E. C. COMPTON,

Committee.

TIME AND PLACE

We, the Time and Place Committee of the 38th Annual Session of Mt. Zion Association, W. M. U. recommend that the date of our next meeting be suggested later by the State W. M. U. office in Raleigh, and accepted by us.

We suggest that because of continual rationing, etc., each person attending bring a lunch. The hostess church to furnish drinks.

The W. M. S. of Bethesda Church, Durham, cordially invites the Association to meet with them in 1945, however it is suggested that if gas is still rationed, and transportation is difficult that a city church be hostess. West Durham Church suggested as an alternate.

Respectfully submitted,

MRS. E. B. BRITT,
MRS. FRANK GOODWIN,
MRS. Z. B. TEEL,
Committee.

5. The report on Denominational Literature was called for, but Rev. A. D. Kinnett, who was to have made the report, was not present. Rev. Charles F. Hudson spoke on this subject, and the Association voted to request him to put his address in an article and offer it to the *Biblical Recorder* for publication.

The result was that Dr. Barnett was elected. Other officers, all elected without opposition, were Vice-President, Rev. A. D. Kinnett; Clerk, Charles C. Smith; Treasurer, Jethro Broadwell; Associate Historian, Charles C. Smith; *Biblical Recorder* and Other Religious Literature Representative, Rev. A. D. Kinnett; Baptist Orphanage Representative, R. Homer Andrews; Auditor, B. W. Rogers.

8. Inasmuch as Rev. J. F. McDuffie, some years ago, was elected Historian for life, by vote, the decision was made to pay the \$25.00 fee to Brother McDuffie, who continues to be incapacitated, and also to pay the same amount to the Associate Historian for doing the work.

9. Under the head of business Mr. Morris presented the application of the Guess Road Baptist Church, of Durham, which was organized on August 26, last, for membership in this body. Under the rules this application was referred to the Executive Committee, which shall report either its approval or disapproval at the 1946 session of the Association. The messengers were then presented to the Association, and these were cordially welcomed by Moderator Barnett.

10. The Association, by vote, recognized the Alston Avenue Church, Durham, after one year of probation, as a member of the body in full fellowship. The same action was taken in regard to the Southside Church, Burlington, which last year, was received by the Association on probation for one year.

DURHAM FIRST BAPTIST CHURCH

On August 12, 1845, what is now the First Baptist Church of Durham was organized. On Sunday, August 12, 1945, at 11:00 o'clock in the morning, this great church celebrated its first century of service to God and humanity. A huge congregation filled the great auditorium and listened to a sermon delivered by Dr. Ellis A. Fuller, President of the Southern Baptist Theological Seminary in Louisville. Dr. Fuller's subject was: "My Church in My World," the Scripture foundation being Isaiah 54:1-5, and Matthew 28:16-20.

On that August Sunday in 1845, three months after the Southern Baptist Convention was organized, a small group of Baptists met in Piney Grove School House, one mile south of what is now West Durham, and the Rev. Jesse Howell led in constituting the Rose of Sharon Baptist Church. The organizing of this little company was a result of a South-wide revival, and associated with Mr. Howell were the Reverends William Dupre and John Judd.

In 1850 the congregation decided to move to Prattsburg, a section of what is now the city of Durham. When the Rose of Sharon Church was built there was no railroad in this entire section of North Carolina, but within two years one was being constructed through the church area. In the confusion arising from that crisis Dr. Bart Durham offered the railroad a site for its station facilities. It was not long before Prattsburg ceased to exist, and the village and railroad station were named "Durham's" in honor of the donor of the land.

The Durham First Church has long been known as, "The Mother of Churches," and properly so, for the spirit of "spreading out" has characterized its membership from its earliest years. In 1848 Mt. Hermon Church was constituted eight miles west of the Durham church, and in 1858 the Berea Church, on the

Fayetteville Road, was organized. The list of churches in Durham and vicinity which it mothered and organized in cooperation with other Baptist churches, is an impressive one.

In 1888 the Blackwell Memorial Church, later the Second Baptist Church, and since 1919, the Temple, was organized; the next year, 1889, the East Durham Church, now Angier Avenue, came into being; West Durham was next in 1894; following this was the Edgemont Church in 1902; then came the North Durham Church, now Grace, in 1907, whose 110 charter members came almost entirely from the First Church. Next in order was the Lakewood Church in 1912, in organizing which the First Church cooperated with the six other Baptist churches of the city, together with the Executive Committee of this Association. In 1923 the strong Watts Street Church was organized; this move was an independent one on the part of the Baptists in that section of Durham, and the charter members came almost entirely out of the memberships of the First and Temple churches, and with the full blessing of these two missionary-minded churches. The First Church cooperated with the other Durham churches in organizing the Braggtown Church in 1938. In 1940 the Baptist Council of Durham came into being, and the First Church, as a member of this group, helped to constitute the Holloway Street Church in 1941, the Immanuel Church in 1942, the Alston Avenue Church in 1944, while on Sunday, August 26, the Guess Road Baptist Church came into being through this agency.

The term of the Rev. Jesse Howell as the first pastor terminated by his resignation in 1859, and in that year he was succeeded by the Rev. J. C. Marcom, who served until 1861, when the Rev. Mr. Howell was recalled and served for an additional two years.

Almost inevitably troublous times arose in the period of the War Between the States. In 1864 the Rev. O. Churchill became pastor of this church, and it came to be believed that he was connected with a secret organization popularly known as the "Red Strings," and this raised the question of the pastor's loyalty to the South, which rendered his ministry ineffective, and his pastorate was ended. Next among the pastors the name of Rev. A. D. Blackwell appears, whose services continued until 1867, when the Rev. Jesse Howell began his third term here, and this pastorate closed in 1871.

In that year the Rev. F. M. Jordan, familiar to many still living, became pastor and he served until 1875. Succeeding Mr. Jordan was the Rev. A. F. Redd, who served only one year, and with the coming of the Rev. Columbus Durham a new era began for this church. For the first time the pastorate became a full-time one. In 1877 the name of the church was changed from Rose of Sharon to the Durham Baptist Church. Dr. Durham instituted a systematic plan for giving to state and foreign missions, education, the poor and the Oxford Orphanage. This unusually successful pastorate ended in 1888, after twelve years of distinguished service, when he resigned to become the first State Secretary of Missions.

The next pastor was the Rev. G. P. Bostick, who gave up this charge after only one year to become a missionary to China in 1889. One of the South's strong men in preaching power and evangelistic fervor, Dr. J. L. White, was the next pastor, and succeeding him in 1893 was the beloved Dr. W. C. Tyree. Many still hold him in highest esteem and numbers now in this church owe their start

in the Christian life to him. Succeeding pastors were the Reverends C. J. Thompson, 1903-1907; J. W. Lynch, 1909-1911; John Jeter Hurt, 1912-1916; B. D. Gaw, 1917-1918; J. Elwood Welsh, 1919-1923; S. J. Porter, 1923-1924; C. C. Coleman, 1925-1929; and Ira D. S. Knight, 1929-1940.

During the term of each of these men there was at least one noteworthy achievement, but the limit of time of this program and of space in the Minutes make it impossible even to list.

The stories of the five structures owned and occupied by this congregation show continued and rapid growth both of the church and the city. In 1854 the church was given four acres of land on what is now Cleveland Street in exchange for its property near the railroad, the site of its first building in Durham, thus the location of the second house of worship was on Cleveland Street; two houses of worship were erected on Mangum Street, and the present ornate and commodious structure, on Cleveland Street, was occupied first in 1927.

On April first, 1940, Rev. J. Winston Pearce assumed the leadership of this church. During the intervening five years a thoroughly united and harmonious membership has been achieved, an increase of membership from 1,514 in 1940 to 1,830 on April 1, 1945, while the membership as of September 30, last, is 1,931; a burdensome and disheartening debt has been paid in full, and a challenging five-year plan was adopted in 1943. A prominent feature of the Rev. Mr. Pearce's pastorate is the personal visitation evangelistic campaigns conducted by the church membership, in which several scores of people were brought into the fellowship of the church and to Christ.

This vigorous church begins its second century of service to God and man with enlarging vision, with glowing hope, with confident assurance of ever-widening fields and spheres of service, with the earnest desire that its membership may be filled with a deepening humility in the face of its well-nigh unlimited opportunities, an awareness of its human limitations, and thus to be wide open channels through which God's Spirit may continuously flow in unhindered power.

This being seventy-five years since this Association was organized, Mr. Smith also presented a sketch of the early years of this body, namely, from 1870 through 1902.

HISTORICAL SKETCH OF THE MOUNT ZION BAPTIST ASSOCIATION

As this marks the seventy-sixth year since the organization of our body it seemed fit to the historian to prepare a brief sketch of its history from its organization in 1870 through 1902.

Ministers and delegates from these thirteen churches met with the Mount Moriah Church on September 23, 24 and 26, 1870: Antioch, Berea, Bethel, Cane Creek, Chapel Hill, Hillsboro, Lystra, Mt. Carmel, Mt. Pisgah, Mt. Moriah, Mt. Gilead, Mt. Hermon and Rose of Sharon.

The first session was on Friday, September 23, "A.D." 1870, and a sermon by Rev. W. R. Gwaltney was preached, his text being "a part of Nehemiah 6," presumably these words: "I am doing a great work."

It was not until after dinner that the organization was effected. Rev. G. W. Purefoy was chosen as moderator and H. M. C. Stroud as clerk. The former served only two terms, the latter, seven. Committees were appointed on Finance, Church Letters, Sabbath Schools, Periodicals, Prayer and Prayer Meetings, Temperance, State Missions, Foreign Missions, Time and Place of Next Meeting and Dividing the Association into Districts. Among the visiting brethren was the Rev. F. M. Jordan of the Beulah Association.

On Saturday, the second day of the meeting, a Constitution and Rules of Order were adopted.

"Sabbath" morning at 9:00 there was a Sunday School mass meeting, and preaching at 11:00 A.M. and 2:00 P.M. A collection was taken for missions, and the amount was \$11.19.

On Monday, the third day (Sunday was not counted in the dates of meeting), the report on Education stressed the need of an educated ministry, and a committee was appointed to select a young man as the Association's beneficiary at Wake Forest College, and each of the thirteen churches pledged \$10.00 for this fund. In the report on Periodicals it is stated that the "Biblical Recorder is an excellent expounder of our principles." Then "Kind Words" is recommended for the "benefit of the little ones."

It was resolved that each Sunday School send three delegates to Antioch Church on Friday before the fifth Sunday in October to organize a S. S. Convention. Five churches reported 47 baptisms, 22 of these being from Antioch Church. The total membership of the 13 churches was 1,587, the largest being 247 in Mt. Pisgah, while Rose of Sharon had 145. The Associational Fund (Minutes) was \$27.10.

The second session began on September 22, 1871. The Committee on Sunday Schools reported one in every church, with the number of volumes in the libraries as follows: Antioch 200, Bethel 100, Chapel Hill 500, Hillsboro 200, Olive's Chapel 200. The report on finances said that \$101.80 were collected for "our beneficiary"; \$57 for State Missions, for Foreign Missions \$45, while the collection on Sunday amounted to \$40. Brother J. H. Vernon, of Forestville, N. C., was chosen as the beneficiary.

Two churches, Olive's Chapel and Pleasant Grove, were received into the Association. "Three of our churches, Chapel Hill, Lystra and Rose of Sharon, have been blessed with gracious revivals of religion this year, and have added to their numbers by baptism 40 members." The total membership at the end of the first year was 1,755.

The third session of the Association was held in the Antioch Church on September 20-23, 1872, at "9½" o'clock on Friday. Rose of Sharon reported a Sunday school organized in April, 1870. The Committee on Church Letters reported "that the Cane Creek, Lystra, Mt. Pisgah, Mt. Moriah, Olive's Chapel and Rose of Sharon Churches have been blessed with revivals and have added to their memberships by baptism a goodly number, while most of the other churches seem to stand still or be 'loosing' ground. Our total membership being only thirty-two more than last year, and yet a church is added this year with 26 members."

In the financial table it is shown that \$153.15 was contributed to a "Chapel at Rome," by seven churches, of which Mt. Pisgah gave \$101.40. The Associational Fund was \$32.00, and the Clerk was directed to retain as his fee \$10.00

and have Minutes printed and supply the churches with minutes in proportion to what money each one had sent to the Fund. The Minutes were printed for \$20.00 and \$2.00 was used for postage and stationery.

The fourth session was held with the church at Durham, Orange County, September 25-27, 1873. The Minutes were printed that year by Edwards and Broughton, of Raleigh, and for many years that firm did the work.

In 1874 the Graham Church was received and the "right hand of fellowship was given to her delegate." The report on Temperance consisted of fifty-one words. At this session the importance of denominational schools was emphasized, as was also the necessity of preparatory schools. Revivals were held in most of our churches and resulted in the "aggregate increase of 109 members, and a considerable increase in contributions except to the cause of Education, in which there is a lamentable decrease."

It was at the session of 1874 that it was decided to appoint a historian, to be elected annually, and James A. Graham, of Graham, was chosen. On Sunday, September 26, 1874, George P. Moore, of the Traders' Hill Church, was ordained to the ministry. A collection was taken to be divided equally among State Missions, Foreign Missions and Education. The amount was \$12.75!

In 1875 the Associational membership was 1,970, with 17 churches. "The report of the historian was adopted and ordered to be recorded in the 'Book of Records of the Association.'" What this Book of Records is or was is not known to this historian.

Among the pastors reported to the Association was A. C. Dixon, at Chapel Hill. H. M. C. Stroud, who had served as Clerk from the organization of the Association, resigned and C. R. Scott, of the Mt. Pisgah Church was elected. Brother Scott served in this capacity for 26 consecutive years, still the record. In 1876 the membership of the body had grown to 2,334, with Cane Creek leading, with 291 on its roll. Here the name, "Rose of Sharon," is dropped for a time, the name of the church having been changed to Durham.

In 1878 the Association changed its meeting from September to August and its days of meeting from Friday through Monday to Tuesday, Wednesday and Thursday. At the morning session of Thursday, beginning at 9:00 o'clock, the Clerk records: "The Association convenes and spends half hour in prayer conducted by Elder C. Durham."

In 1879, at its tenth meeting, for the first time there is printed in the Minutes a comprehensive financial table, containing thirteen items, including pastors' salaries—the princely A. C. Dixon received \$650 a year! One of the items was for "Yellow Fever Sufferers," the sum of \$13.65 was contributed, and all by the Chapel Hill Church. The sum of \$822 was given for State Missions, \$610 being given by the Durham Church. In that year 1879—15 churches reported 1,433 books in the Sunday school libraries, Durham leading with 300 volumes. The membership of the churches then numbered 2,492.

In 1880 the name "Rose of Sharon" reappears, being applied to the church now bearing that title.

Among the delegates in 1881 Lock Craig's name is given—he later became Governor of North Carolina. In that year the number of male and female members is given for the first time; the total membership then was 2,632, of

which 1,632 were females, and a mere 1,033 of "mere" males! That year 258 baptisms were reported.

In 1882 R. T. Bryan was an ordained minister in the Association. A Constitutional amendment adopted that year stated that the Clerk shall be elected by ballot and hold his office at the pleasure of the body, while the Historian and the Treasurer shall be appointed by the Moderator and hold their offices at *his* pleasure!

In 1882 the name of R. T. Howerton appears for the first time in the Minutes. The names of C. W. Pruit, Z. C. Taylor, and D. W. Herring, able missionaries, are given in the report on Foreign Missions, while in 1883 Cary C. Newton is shown as being an ordained minister, his postoffice being Chapel Hill. It was in that year that the Association's membership first reached 3,000—the number being 3,031.

In a report in 1884 it was stated that there were 948,184 white Baptists in the South. In that year 216 copies of the *Biblical Recorder* went into the homes of Mt. Zion Baptists.

In 1885 Dr. E. M. Poteat was pastor in Chapel Hill. In that year he read the first report on Home Missions to the Association, and in the financial table gifts to Home Missions are included for the first time and under the heading: "Home and Indian Missions," the sum given by the churches was \$44.05, while in contrast, \$516 was contributed for State Missions and \$276 for Foreign Missions.

In 1886 the name of W. S. Olive is given for the first time, his postoffice being Wake Forest, where, presumably, he was a student. It was then that the first report was given on the Baptist Orphanage, which was organized only the year before. Contributions to the Orphanage from our churches that year were \$1,006.60, of which the Durham church gave \$715.35. Volumes in the S. S. libraries had grown to 1,808, Durham leading with 800.

In 1887 George Braxton Taylor, later a missionary to Rome, was pastor in Chapel Hill. In that year the Burlington church was admitted into the Association, its membership being 14—6 males, 8 females.

In 1888 Dr. Thomas Hume was an ordained minister in the Association, and J. C. Hocutt was pastor of Antioch, Cane Creek and Mt Moriah churches; J. L. White was pastor in Durham; G. P. Bostic was an ordained minister and J. F. McDuffie was pastor of Bethesda and Roberson Grove churches, and his post-office was Dayton, N. C.

In 1889 the Association began taking "pledges" to missions for the first time, and there was not a single "dollar" church in the lot. The Association was then twenty years old and had a membership of 3,908, with local expenses of \$8,728, and to outside objects the sum of \$1,359 was contributed, the total being \$11,416.

In 1890 Dr. C. E. Taylor, of Wake Forest, was present and read the report on Education, in which he stated that a Mr. Bostwick, of New York, had offered to give to the College one dollar for every two that North Carolina Baptists would raise by March 1, 1891.

In 1891 the Association again met in September, and then changed its meeting time to October, but still meeting on Tuesday, Wednesday and Thursday.

In 1892 contributions to Ministers' Relief are shown in the financial table for the first time, while in 1893 gifts to Associational Missions began to be made. It was not until 1896 that our membership reached the 5,000 mark, when it was 5,285. It was in 1894 that W. S. Olive became pastor of the Olive's Chapel Church. When the Association was thirty years old its membership was 5,800.

The first report to this Association on Woman's Work was read by Dr. W. C. Tyree and was written and signed by Miss Fannie E. S. Heck. That was in 1902.

15. Dr. C. C. Carpenter, Dean of the Bowman-Gray School of Medicine, located in Winston-Salem, spoke briefly on that school, with the Baptist Hospital, located in the same city.

16. The annual sermon was preached by Rev. L. A. Nall, pastor of the Calvary Church, Burlington, his theme being "Soul-Sinning." The sermon was preceded by the reading of Mark 2:1-12 and prayer by Rev. C. E. Byrd. Benediction was pronounced by Rev. W. J. McNeely, former Chaplain at Camp Butner, but recently discharged from the Service. The Association then adjourned for the dinner hour.

Afternoon Session

17. Devotions were conducted by Rev. Guy S. Cain.

18. The subject of "Christian Education" was discussed under three divisions:

(1) A verbal report was made by Claude F. Gaddy, of Raleigh.

(2) Christian Education in the Colleges. This was presented in an address by Dr. Leslie Campbell, President of Meredith College, an address by Dr. Carlisle Campbell, President of Campbell College. Dr. Gillespie, Acting Pastor of Wake Forest Church and Chaplain of the College, brought words of greeting from the College.

(3) Christian Education in the Churches. This was forcefully and attractively presented in an address by Mrs. Lelia Giddings.

19. Mr. Floyd Rhodes read a combined report on Associational Training Union and Sunday School Work, as follows:

ASSOCIATIONAL SUNDAY SCHOOL AND TRAINING UNION WORK

In His last words to His disciples, while here on earth, Christ said, "Go ye therefore, and *teach* all nations, baptizing them in the name of the Father and of the Son and of the Holy Ghost: *teaching* them to observe all things whatsoever I have commanded you: and lo, I am with you always, even unto the end of the world." Paul, writing to Timothy from his prison in Rome said, "Study to show theyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

The Sunday School and the Training Union are the teaching and the training organizations respectively of our churches, and each has its separate and distinct function in the program of the church. They are complements of the whole rather than supplements of any other functions of the church. For purposes of clarity my report of the activities of these two organizations, is in two parts.

SUNDAY SCHOOL

This report is based on information secured from W. E. Stanley, Superintendent of the Mount Zion Associational Sunday School for the year 1944-1945. Three meetings were held during the year, one each in Burlington, Carrboro, and Durham respectively, with a total of 542 persons in attendance. Mr. Stanley wrote more than three hundred letters urging the superintendents and pastors to stay behind the program of enlarging our Sunday Schools. He also reports having visited several churches but due to the rationing, until recently, found it difficult to arrange meetings at which Sunday School officers and teachers from any distance could be expected to attend.

"From the reports that I have received at the Executive Committee meetings," says Mr. Stanley, "I am sure that our Association will show an increase in Sunday School attendance, and I know of three new Schools that have been organized during the past year." He expresses the hope that the churches will be regrouped during the coming year and that the work will show real progress.

TRAINING UNION

When the Training Union was in its infancy it was known as the B. Y. P. U., later however this was changed to the Baptist Training Union or B. T. U. Realizing that we would naturally know that it was Baptist, our terminology has been changed to Training Union rather than B. T. U. or B. Y. P. U. There are still a few "good old-fashioned" folks who refer to it as the "Young Peoples Work" but don't let them fool you. Last spring at the State Associational Officers Clinic, Mr. J. E. Lambdin of the Sunday School Board stated that there were more enrolled in the Adult Department than any other.

At a meeting of the Training Union directors and pastors of the churches in the Association at Harvey's Cafeteria in Durham in November, the remainder of the officers were nominated and elected. The aims and goals for the year were presented by the director and a very inspiring and informative talk was given by Law Mobley of the State Training Union department. Since a digest of the minutes of the mass meetings held during the year, appear elsewhere in these Minutes, I shall mention only a few highlights from them.

Four quarterly mass meetings were held, one each at Burlington, Durham, Hillsboro, and Carrboro, respectively. There were two hundred and seven present at the Burlington First Church meeting, at which the Associational elimination contests were held. Likewise two hundred and seven persons attended the Watts Street Church meeting which was held on the Southwide "Simultaneous Associational Training Union Night." Some 110,669 persons gathered on this night throughout the Southern Baptist Convention and the attendance of our group ranked twelfth among the forty-two associations reporting in North Carolina. Mr. O. B. Reel, State Associational worker, con-

ducted a special feature period on "Problems, Projects, and Programs," at the Hillsboro First Church meeting with a total of two hundred and sixty-seven in attendance. The last meeting was in the Carrboro Church and featured an address by Dr. Das Kelley Barnett, our District Association Moderator, on "What Is the Baptist Spirit?" The report of the nominating committee was approved by the group of two hundred and fifty-nine, to be submitted to the District Association for election.

Some over three hundred and fifty letters were sent and one meeting of the executive committee held, which Mr. Reel helped conduct. The grand total of those attending the mass meetings was nine hundred and forty.

It is my opinion that with the ending of the war and the consequent influx of returning service men, the time is riper than ever before for the services of a full time missionary in the Mount Zion Association. Our neighboring associations have found indeed that it has paid rich dividends even during the war. Now however with the cessation of hostilities and the lifting of gasoline rationing, the field is indeed white unto harvest.

Respectfully submitted,

FLOYD RHODES, JR.

Director, Associational Training Union

20. A solo by Prof. A. E. Lynch, of Campbell College, accompanied by Mrs. R. L. Mallard, of Durham, was rendered.

21. Rev. Horace G. Hammett spoke on "Church Evangelism," and a digest of his address was ordered by the Association to be printed in the Minutes. The digest follows:

CHURCH EVANGELISM

For some strange reason evangelism has fallen into disrepute. A recent study of twenty major denominations of America revealed the startling fact that only one of this group, namely Southern Baptist, is depending on evangelism, to any large extent, for growth and vitality. The overwhelming majority of these twenty major denominations is depending on church family growth, made secure for the church by infant baptism, for church membership.

Several reasons for the present low esteem for evangelism may be set forth:

1. Perhaps excesses in the field of mass and personal evangelism have contributed to the low place of present evangelism. While excesses may have occurred, it ill affords us to throw away a great, glorious New Testament activity because of its past abuse. Rather, if this be true, it points Southern Baptists to the practice of worthy evangelism. True evangelism demands the Christian experience and more. True evangelism demands the Christian experience certainly, and also that the saved man be Christian in every area of his life.

2. Again, false standards of Christian scholarship have misled many to think evangelism beneath the emphasis of the scholar. Yet there is no ground here for neglect of evangelism, since true evangelism demands all the intellectual acumen, mental insight, philosophical criteria, and psychological perception that any would-be scholar might possess. True evangelism demands that all the intel-

lectual powers we have be set on fire by a raging passion to see others submitted to God's will in Christ.

3. Also, evangelism is in a low state, and in seeming disrepute, because social groups, including the religious, tend to become static, institutional, as they become older and more established. Hence, there is the ever-present need for spiritual upsurges and awakenings in churches and the denomination.

4. Finally, evangelism may be neglected because of the high quality of spiritual life required to accomplish any degree of success in this, the fine art of soul winning.

However none of these contributing causes gives any real ground for the decay and neglect of evangelism. Two fundamental observations make it obligatory that we emphasize evangelism, namely; the primacy of evangelism, and the message of evangelism.

1. Evangelism is a primary matter.

A. God's word so presents this, the prevailing impact of the New Testament word, evangelism, means, "to announce good news." Three words are used to connote the deepest significance of evangelism. These are: the message—"The good news"; the evangelist—"One who announces the good tidings"; and the verb of action—"To bring glad tidings, to evangelize."

B. The universal need of mankind demands the primacy of evangelism. Man greatly hungers. Tragedy stalks everywhere. Nations have advanced in every area save in the moral and spiritual realms and the fine art of living together. Now it is necessary that our spiritual powers match and supersede technological skills. The new atomic power demands a new emphasis on character or we shall commit world suicide.

C. The need for revitalizing our churches reveals the primacy of evangelism. Mere form will not do this. Activity and plans, no matter how well directed, will not do it. A fire must be built within. Evangelism will kindle the fire.

2. The message of evangelism. Two things are cardinal in New Testament evangelism.

A. Man is a sinner. There is something wrong that can not be explained in terms of glands, immaturity, and behaviorism. Something is wilfully, perversely wrong with man.

B. Christ is the sufficient Saviour. Christianity is Christ. There is allegiance to the person, the historic and indwelling Christ. Ethical standards, moral maxims are hopeless without means of achieving them. Christ Jesus offers the means of attaining.

Therefore, we must heartily accept evangelism as the primary duty of every Christian and church. It is the world's only hope of redemption. To meet a new era, there must be a new emphasis on personal and mass New Testament evangelism.

22. The Association was particularly pleased to hear Dr. Charles E. Maddry, retiring Secretary of the Foreign Mission Board and who was reared in this Association, in a splendid address on Foreign Missions.

23. Under the head of business Rev. E. D. Young, pastor of the West Hill Church, and Rev. Truett Cox, pastor of the Yates Church,

were presented as the only pastors of our churches who have come into the Association during the past year.

W. E. Stanley presented some recommendations from the Executive Committee. Recommendations concerning changes in the Constitution of Article 10 (1), in reference to the election of officers, and of Article 13, as to the duties and compensation of the Clerk, were made and unanimously passed. (These changes appear in these Minutes in the Constitution.)

A second recommendation was that the Clerk have 2,000 copies of the Minutes printed instead of 1,500, as heretofore. There was a division of opinion expressed by several speakers, but the recommendation was voted favorably.

It was moved and carried unanimously that a map of the territory of the Association, showing locations of all the churches, be prepared and, beginning in 1946, be included in the Minutes every year.

24. An unusually strong message on "The Future of Missions in Japan" was given by Mrs. Kay Ferrell, a former Methodist missionary to that country, now living in Chapel Hill.

The Association then adjourned until 7:30 P.M.

Evening Session

25. Devotions were conducted by Rev. John T. Edwards.

26. Rev. W. H. Poole reported for the Committee to Nominate Members of the Executive Committee for the coming year. The nominations were accepted by the Association, and this committee is shown in the Directory of the Association, with the names and their addresses.

27. Rev. B. E. Morris, for the Committee, recommended that Mrs. J. H. Waugh, Jr., W. H. Walker and F. E. Southerland, Jr., be chosen as Associational Representatives to the State Convention. Acceptance was readily voted.

28. Rev. John Knight for the Committee on Place and Preacher recommended that the Association accept the invitation of the Chapel Hill church to meet there in 1946, and that Rev. Garland A. Hendricks, be the preacher and Rev. J. H. Waugh, Jr., be chosen as alternate. This recommendation was voted gladly.

29. Rev. H. B. Anderson moved that a committee be appointed by the Moderator to study the Constitution and, at the 1946 session, make such recommendations as the Committee may deem wise. This motion

being carried the Moderator named L. J. Phipps, B. M. Watkins, Rev. A. P. Stephens and Dr. George B. Cutten to comprise this committee.

30. The Clerk read the following report of the Committee on Resolutions:

RESOLUTIONS

Your Committee offers the following:

That we are truly grateful for the many kindnesses shown the Association and the messengers by Brother John Knight and the Bethesda Church in the splendid way they have acted as host to this largely attended meeting today;

That we extend our sympathy to those of our churches who have sustained the great loss of some of their sons who have died in the armed services of our country, and others who have gone on before us;

That we pledge anew our whole-hearted loyalty to our Blessed Master and pledge further our full cooperation with our leaders in the endeavor to make the year 1945-46 our greatest in advancement up to now.

33. After a report by Rev. C. N. Royal, the Association heard with pleasure an address on the Cooperative Program by Rev. Earl J. Bradley, of the State missions force.

THE CO-OPERATIVE PROGRAM

The Co-operative Program is the plan adopted by the Southern Baptist Convention in an effort to enlist all our people in the support of all our work. The plan of the Co-operative Program is to secure a systematic and adequate fund and to distribute the funds to the several causes in proportion to their relative importance and needs as determined by the denomination itself. We give *through* the Co-operative Program and not *to* the Co-operative Program. This plan of giving enables each member to have a part in all that Southern Baptists are doing at home and throughout the world. This program seeks to build the Kingdom of God by winning the lost to Christ, building them up in the faith, and enlisting them in the active service of Christ and humanity.

This plan has been blessed of the Lord. If we are to judge this Baptist Co-operative Program by its fruits, then it is worthy to receive the most liberal support of every member of the Mount Zion Association.

Respectfully submitted,

C. N. ROYAL.

34. W. H. Butler, of the Temple Church sang, as a solo, "Living for Jesus."

35. As always the Association delightedly heard Dr. I. G. Greer on the Baptist Orphanage.

36. Rev. H. G. Hammett moved that a standing vote of appreciation be extended to Moderator Barnett. This was enthusiastically done.

37. After singing the hymn, "How Firm a Foundation," and prayer by Rev. Truett Cox, the Association adjourned sine die.

A telegram from the moderator of the Mt. Zion Association, Rev. Das Kelley Barnett was received. It read as follows: "The contribution of the Woman's Missionary Union to the spiritual life of our Association cannot be expressed in words. May the blessings of the Father God rest upon you in your deliberations today."

A lighted cross was used very effectively as a background for the day's proceedings.

A recommendation was made that a telephone be installed for Mrs. Harward and all bills be paid by the W. M. U. while Mrs. Harward is president. The recommendation was accepted.

There were 38 churches represented with 144 present.

The next session will be held with the Chapel Hill Baptist Church, in April, 1946.

SUPERINTENDENT'S REPORT FOR 1944

*"Hold high the torch,
Ye are the light of the world,
Go—Shine—for me."*

Woman's Missionary Union of the Mt. Zion Association has been holding high the torch during the past year. Much work has been accomplished and we give all the honor and praise to our gracious Heavenly Father. In these days it is imperative that all the churches in our Association put forth an even greater effort to advance the work of the Kingdom, and show their loyalty to Jesus Christ.

Much of our work cannot be tabulated, but the following statistical report will show you, in a small way, just how we have been striving to hold high the torch—to shine for Him.

REPORT OF YOUNG PEOPLE'S LEADER

As we come to give our final report on the work of 1944, we pause to thank our Heavenly Father for the many blessings given us and to ask forgiveness for not having done more "That the Generations to Come Might Know." There

is still much work to be done. Many are not enlisted in our churches that have auxiliaries and many churches have no young people's work. Where do we go from here? That depends upon the young people in our midst today.

Let us join hands now to Consecrate the Centennial to Christ through our young people.

The statistical report for the year is as follows:

MISSION STUDY REPORT

Your Mission Study Chairman in her message to you last year said that "An informed Christian is an invincible Christian." A whole year, God's precious gift of fifty-two weeks has gone by, how much have you accomplished for Him during the past year? Our W. M. S. report reveals 80 classes during the year, four less than the year before, while our young people have a total of 87 which is twelve more than in 1943. W. M. S. participating in Schools of Missions totaled eleven, an increase of six, so perhaps from the standpoint of informed church members we did gain some ground.

We stress the study of books on prayer, soul-winning and stewardship for they are so important but there is one Book we should study, and study, and study and that is our Bible. It is the greatest story of missions ever written from the journey of Abraham on down through the journeys of Paul. In it we find the foundation of stewardship, the unequalled examples of soul-winning, the model prayers and the whole world united into one brotherhood. We learn to love God and our fellow man in its pages, and to love our neighbors as ourselves is to share with them life's most precious gift and that is the story of Jesus and His redemptive love. The heart of missions finds its first beat in the Bible.

There are several recommended books on Bible Study in the Year Book so won't you study and offer your young people one of them as an extra love gift to Christ during this year.

Are you acquainting your young people with the heroes of faith who blazed the trail into foreign lands? Are they as familiar with Ann Judson, Luther Rice, Lottie Moon and Henrietta Hall Shuck as they are with Dick Tracy, L'il Abner and Orphan Annie who claim a part of their attention each day? This war will soon be over we hope, gates now locked will swing ajar once more, where are the missionaries who should enter? We should instill in the hearts of our young people not only the love of God and missions but the earnest desire to give their best gift of self to that divine calling.

The pages of history are being written more rapidly than ever before. We learn of what is being torn down each day over our radio and through our paper but we are balancing that knowledge with the reading of the Commission to find out what is being done to rehabilitate both the people and the church property. Because certain doors are closed, do you think for one moment that Southern Baptists are idling on the job? If you do, just take time to sit down and read one copy of our Home Missions and the Commission. What about the news in our own state that is brought to our door each week. Do we look for and read the *Biblical Recorder* as faithfully as we do the morning paper? Our W. M. U. would fall short in many ways were it not for the helpful and inspirational magazines that are planned for each of our organizations. The Royal Service for W. M. S., The Window of Y. W. A. and World Comrades for G. A., R. A., and Sunbeams.

Let us hereby resolve to "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

Statistical report: Number classes held: W. M. S. 80, Y. W. A. 19, G. A. 37, R.A. 14, Sunbeams 17. Number enrolled in classes: W. M. S. 1,456, Y. W. A.

148, G. A. 344, R. A. 104, Sunbeams 252. Number stewardship books studied: 4. Number silver seals: 29. Number reading stamps: 20. Number certificates: G. A. 73, R. A., 14, Sunbeams 52. Number Seals: Y. W. A. 9, G. A. 84, R. A. 14, Sunbeams 46. Number schools of missions: 11.

Respectfully submitted,

MRS. L. L. GARDNER
for MRS. C. A. BAKER,
Mission Study Chairman.

STEWARDSHIP REPORT

"Missions wait on Stewardship and stewardship waits on you." Thus I call on you today to face your record and my record in stewardship. "Every one of us shall give an account of himself to God." We have been entrusted with the message of Christ and with money—that message shared by us with others will surely bring them unto Christ—a tenth of that money rendered unto Christ will make possible the sharing of this message and the spreading of God's Kingdom on earth. Have you been a good steward? Does our record as an association show us to be good stewards? Let us find the answer in this report.

Stewardship classes	4
Societies observing Stewardship night.....	12
Societies using stewardship literature.....	35
Gifts to Cooperative Program.....	\$4,061.05
Number giving through Cooperative Program.....	655
Gifts to the 100,000 Club.....	\$1,199.95
Number new members to 100,000 Club.....	21
Gifts to Annie Armstrong offering.....	\$1,636.79
Number of new tithers.....	170
Total number of tithers.....	618

The following churches have tried the "Prove Me" plan: Temple, Sunbeams; Edgemont, Int. G. A.; Watts Street, W. M. S.

Yates: Every resident member giving to missions.

SUGGESTIONS FOR 1945

First—That each church have a full graded W. M. U. with each an active stewardship chairman.

Second—That each society increase the number of tithers.

Third—That more societies have every resident member giving to missions.

Fourth—That each society have a Stewardship Class and observe Stewardship Night.

Fifth—That more societies try the "Prove Me" Plan.

Weak points—Just "Blanks" instead of reports.

Not enough encouragement of new tithers and amount of gifts.

We can do more and we must do more if we reach our goal this Centennial Year. Let us pray more and work harder in the year to come and may we back up our prayers and work with tithes that we may reap the reward promised by our Master—"Bring ye all the tithes into the storehouse and prove me now,

saith the Lord of hosts, if I will not open the windows of heaven and pour out a blessing that there shall not be room enough to receive."

Respectfully submitted,

MRS. CLARENCE T. POE, SR.,
Stewardship Chairman.

TIME AND PLACE

We, the committee on time and place wish to recommend that the Woman's Missionary Union of the Mt. Zion Association meet with the Chapel Hill Baptist Church at a date in April, 1946, to be announced later.

Respectfully submitted,

MISS BESSIE STRANGE,
MRS. C. D. CATES,
MRS. D. K. BARNETT,
Committee.

COMMUNITY MISSIONS REPORT

This, the Centennial Year of the Southern Baptist Convention, the W. M. U. women of Mt. Zion Association have pledged themselves to lay stress on soul-winning as the main objective for the year. To accomplish this we must commit ourselves to missions as never before. The goals we must keep before us are: visitation, cottage prayer meetings, and individual witnessing in our church and community.

Once again the women decided to continue the Shaw University scholarship to be used for students in preparation for Christian work. We are grateful for your "love gift" which enabled us to pay three the past year.

"Forward Together" let us press towards the mark for the prize of the high calling of God in Christ Jesus and do our part in this great evangelistic crusade for Christ.

Respectfully submitted,

MRS. F. D. HEMPHILL,
Chairman.

RESOLUTIONS OF APPRECIATION

Historical Sketches of Mt. Zion Churches

Brief histories of Mt. Zion churches are recorded in the Minutes of the years as herewith listed. The Associate Historian suggests that every church in the Association have copies of the Associational Minutes bound every ten years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and these bound volumes will grow more valuable with each passing year.

Although our Association has had Historians almost from the date of its organization still the Clerk was not able to find the history of any church recorded in the Minutes until 1921. Just why the sketches of other years were not incorporated in the Minutes is inexplicable.

At the 1874 session of the Association it was decided to elect a Historian annually. The Minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the 'Book of Records of the Association.'" No trace of this book exists. The historical sketches from 1921 are shown in the Minutes as follows:

- 1921 Sketch of the Association
- 1922 Pleasant Grove Church (now non-existent)
- 1922 Olive Chapel Church
- 1923 No report recorded

Resolved that

The delegates to the Mt. Zion Baptist Association in session at Chapel Hill, Oct. 16, 1946, view with alarm the continued aggression and the unceasing disregard of health, decency, law, and order exhibited by those interested in the sale of alcoholic beverages, and by this resolution commend the recent action of Mayor Maddry and the Council of the village of Chapel Hill in refusing the request for the Sunday sale of beer in this village.

This action is viewed as a matter of encouragement to the authorities of other communities who are interested in the peaceful, respectable, and appropriate observance of Sunday as a day set apart for rest and worship.

We hope that the total and adequate powers invested in the Council may be used to enforce the laws of the village in connection with this and other regulations which restrict the sale of alcoholic beverages.

Further resolved that

This resolution be spread upon the minutes of the Association, and that a copy of it be transmitted to Mayor Madry and the village Council.

REPORT OF THE ASSOCIATIONAL SUNDAY SCHOOL SUPERINTENDENT

We have had an increase of over 800 in attendance at our Sunday Schools during the past year. With the return of our boys and girls from service there has been a renewed interest in the teaching program of our Churches. I am sure that if our Sunday School officers and teachers face our new Association Year with a well planned program and will work and teach for the Master in our individual Sunday Schools that our attendance will continue to grow.

Respectfully submitted,
W. E. Stanley

22. Floyd Rhodes, Associational Training Union Director, gave the report on the activities of that fine organization, Mr. Harvey Gibson, Training Union Secretary for North Carolina, spoke on "Baptists Train for Christian Service."

REPORT OF THE BAPTIST TRAINING UNION

While there is indeed much to be accomplished, the Training Union is happy to report the progress that was made during the year just concluded. Last year we reported that four mass meetings were held with a total of nine hundred and forty persons being present, however this year we are reporting for the same number of meetings a total attendance of one thousand and seventy-one persons—a gain of one hundred and thirty.

Our first mass meeting of the year was held in Durham at the First Baptist Church on December 7, 1945—this being the Southern Baptist Associational Training Union Day. The main feature of the program was the presentation of the play, "Christmas at Home," by the First Baptist Players. Two hundred and fifteen persons were preseat.

The next meeting was held Sunday afternoon March 31 at the Baptist Church in Chapel Hill. The elimination tournaments for determining the Associational representatives in the regional tournaments were held. The following were the winners:

Adult Scripture Reading—Mrs. Maurice Stallings of the Bethesda Church.

Young Peoples' Better Speakers—Mrs. Raeford Thomas, First

Church, Durham, who also won in the regional tournament and went to Ridgecrest to take part in the State tournament.

Intermediate Sword Drill—Julia Alford.

Hymn Festival—West Durham Sextette—A rating; Graham Girls Chorus—A rating; Graham Mixed Chorus—C rating; First Baptist Chorus, Durham—C rating.

Four hundred and nine persons attended this meeting, which was the peak attendance for the year.

Rev. James C. Cammack, pastor of the First Baptist Church in Smithfield, was the speaker at the mass meeting held Sunday afternoon June 30 at the Angier Avenue Baptist Church in Durham.

Our last mass meeting was held Sunday afternoon, September 29, in the Hocutt Memorial Church in Burlington. Three hundred and twenty-three persons heard Dr. I. G. Greer, General Superintendent of the Baptist Orphanages of North Carolina speak on the subject, "Low Gaps." The Mills Home Band was present and rendered a number of selections.

Two Officers' and Leaders' Council meetings and two Executive Committee meetings were held during the year. Over 500 letters and some over one hundred cards were sent.

Respectfully submitted,

THURSDAY

Morning Session

26. Promptly at 10:00 o'clock the Association was called to order by Moderator Barnett, and Dr. Charles E. Mad-dry, pastor of Lowe's Grove church, brought a most thoughtful and heart searching devotional message on, "The Compassion of Jesus."

27. R. L. Bolton presented a report on "Ministers' Relief and Annuity," and the report was spoken to Mr. Bolton and W. W. Weeks, and was adopted.

The following is the report:

REPORT ON THE RELIEF AND ANNUITY BOARD

1. RELIEF

The amazing growth of the Ministers Retirement Plan, promising a new day for multiplied thousands of our Southern Baptist preachers, has not led the Board to the conclusion that there is no longer a need for our relief department. Such a conclusion would be not only erroneous, but greatly disastrous, for there are other thousands who are today, or will become in after years, dependent on the relief grants of this Board for even a modicum of comfort and ease.

There is now, and there shall continue to be, need for a strong relief department for many, many years. Indeed, the challenge of this hour is the need for greatly increased grants for our approximately 1300 beneficiaries now on the relief rolls of the several states.

Though we now have a relief budget of approximately \$180,000, a figure that will be increased as the income warrents increase, we might ask with Andrew, "What are they among so many?" The pitiful average of \$8 per month for widows and \$12 for aged ministers calls for a speedy revision upward in our grants.

Our funds for this needful work come to the Board from three main sources: (1) Earned income of relief reserves; (2) Cooperative Program receipts; (3) Fellowship offerings from the churches, together with special gifts and legacies. For some years now in the Southern Baptist Convention Calendar of Activities, provision has been made for a consideration by all the churches of the work and needs of the Relief and Annuity Board, and provision has been made for special offerings in all churches during the month of April for ministerial relief. Also, many churches take a special offering for our aged ministers at least once each year in connection with the Lord's Supper.

II ANNUITIES

In the several annuity plans of the Relief and Annuity Board there are now enrolled some 13,000 ministers and other persons employed in denominational service. There were reported 1742 monthly beneficiaries of these plans at the close of 1945. All pastors and employed lay workers of our churches *may* and *should* avail themselves of the benefits of these contributory retirement plans. The Widows Supplemental Annuity Plan, in operation in South Carolina since July 1, 1945, has already been, or will soon be, started in all the states. Let our preachers and other male employed workers ask their state executive secretary for informing literature concerning this plan.

Respectfully submitted,
R. L. Bolton

28. L. J. Phipps, chairman of the Committee on Needed Changes in the Constitution, submitted an entire Constitution, and his motion to adopt, being seconded, was open for discussion. Several changes were suggested, all of which were accepted by the Committee. There was a good deal of discussion, all of which was helpful and in good spirit. The revised and amended Constitution was then unanimously adopted and this is printed in its entirety in the first part of these Minutes.

The most decided changes were making the meeting days Tuesday and Wednesday after the second Sunday in October instead of Wednesday and Thursday of that week; and making it possible, at the pleasure of the body or by action of the Executive Committee, to meet the first day in one church and the second day in another. That plan will be followed in 1947.

29. On motion of H. G. Hammett, duly seconded the Association voted to discontinue the practice of appointing messengers to the State Convention. (Messengers to the 1946

Convention had already been elected, but that action was nullified by this motion and their names are not here given).

30. Mrs. G. N. Harward, Superintendent of the Association W. M. U. work, presented a report on "Missions at Home and Abroad," and was adopted after discussion by Bill Rittenhouse, missionary appointee to Roumania, and Dr. E. C. Routh, editor of "The Commission." This report is included in the Proceedings of the W. M. U. Convention, which are incorporated in these Minutes. Mrs. H. W. Weeks, accompanied on the organ by Mrs. Tilley, delightfully rendered, "I Need Jesus."

THURSDAY

Afternoon Session

31. At 2:00 o'clock the body reconvened; a hymn was sung, a passage of Scripture was read and prayer was offered, and then J. Samuel Johnson, for the Committee on Place and Preacher, recommended that the 1947 session be held on Tuesday, October 16 with a church in the Burlington area, and with the Lowe's Grove Church on Wednesday, October 17, with Warren T. Carr, preaching the sermon and Guthrie Colvard as alternate. The recommendations were accepted by the group.

32. On motion it was ordered that the 1946 Minutes be dedicated to the Rev. Charles F. Hudson, who passed from us during the past year, and his picture be published with the note of dedication.

33. A message of sympathy was ordered to be sent to the Rev. J. F. McDuffie, who continues quite ill.

34. The Clerk presented a short digest of the church letters.

36. Charles C. Smith, the Associate Historian, but serving as Historian during the illness of brother McDuffie, the Historian, stated that the Committee on Order of Business had inadvertently omitted to give a place for the report, and that the Moderator had been unable to find any opportunity for this report to be presented; stating further that he had prepared a short sketch of the Glencoe church and he moved that this sketch be given space in the Minutes. This motion was gladly passed.

Charles C. Smith, Associate Historian, presented the following report:

GLENCOE BAPTIST CHURCH

In a community four miles north of Burlington there was a small settlement, and here a cotton mill was established, some stores were built as well as other industries, and these made the village fairly prosperous. To this village the name, "Glencoe," was given. But here no religious organization had been established; but there were some Godfearing men and women, who were Baptists, and under the leadership of the Rev. John C. Hocutt, pastor of the First Baptist Church in Burlington, organized a Baptist church, which they named, the Glencoe Baptist church. This organization was effected October 19, 1893, and the number of charter members was thirty-eight.

The Rev. Mr. Hocutt served as supply pastor until December 2, 1893, on which date the church extended a call to the Rev. Alvis Andrews to be pastor of the church for the year 1894. Services were held mornings and evenings on the first Sunday of each month. An old tobacco factory, known as the "Old Mill House," was used as a place of meeting.

During the ministry of the Rev. Mr. Andrews, whose ministry extended through 1896, a good foundation was laid on which to build the future of the new organization. A Sunday School was organized, and with a church membership of 56, the enrollment of the Sunday school reached 192. The first letter to the Association, in 1894, showed a membership of 37, with one baptism, two by letter, with losses of one by exclusion and one by death. The pastor's salary for the year was \$41.56; incidentals amounted to \$7.00, the Sunday school contributed \$17.00, making the total receipts for a twelve-months period \$65.56.

On April 10, 1897, a call was extended to Rev. P. A. Ferguson at a salary of \$36.00 a year. He closed his pastorate February 13, 1898. In that year the Glencoe Mills built a union chapel which all denominations could use. It was not very long before the Baptists became disorganized, and no records can be found for the ten-year period, February 8, 1898 to March 8, 1908.

On this latter date Glencoe Baptists felt encouraged again to take up the work, and the Rev. J. A. Hackney was called as pastor of this church together with a field of churches in the northern part of Alamance county. Mr. Hackney's pastorate was brief, as was that of his successor, the Rev. W. E. Dunnegan, ending in April, 1910. On invitation of the church the Rev. S. W. Oldham served the church the remainder of that calendar year. Succeeding him in January, 1911, was the Rev. S. L. Morgan, pastor of the First church

in Burlington, who held services on the second Sunday afternoons. In December, 1912, Mr. Morgan resigned both churches to go to the First church, Henderson.

On January 1, 1913, the Rev. Marton W. Buck, of Chicago, came to the pastorates of both churches, and the coming of Mr. Buck ushered in a new day for the Baptists of Burlington, Glencoe and Alamance county. The greatest revival ever before held in Glencoe was held by Mr. Buck, when 26 came into the church by baptism. The Sunday school was reorganized and the life of the church surged with new spiritual vigor.

A program for the erection of a home for the church was launched soon after the coming of Mr. Buck, and by the end of 1914 the present building was completed and dedicated, and by 1916 the church was free of debt.

May 11, 1919, brought to a close the most successful pastorate that the church has ever had. Pastor Buck gave up Glencoe only because the pressure of the enlarging work in Burlington made it necessary. On that date the church called to its leadership the Rev. Walter H. Dodd, who left the church the following January. The next pastor was the Rev. Forrest C. Feezor, who served the church in a most successful way until October, 1920, when he left to attend the Southern Baptist Seminary.

For the remainder of 1920 the church was served by the Rev. E. C. Dean, and in January, 1921, Rev. R. S. Lennon began the pastorate of this good church. The work of this pastorate was characterized by two outstanding events, namely, the building of a \$5,000 pastor's home and the organization of a B. Y. P. U. Mr. Lennon, after a pastorate of four years and eight months closed his ministry in Glencoe on August 13, 1925. In that month the Rev. J. A. Hackney was called to the pastorate, and he is the only man who has yet served a second pastorate in Glencoe.

On September 18, 1925, brother Iver Johnson, a member of this church, was licensed to preach the gospel, and on December 19, in that same year brother G. L. Murray, also a member of Glencoe, was granted a license to preach. Mr. Hackney is the only pastor ever to request a reduction in salary, who asked that he be paid \$25.00 a month instead of \$34.00.

On August 8, 1928, at his home, Pastor Hackney, at the age of 63, fell asleep in his Lord, whom he served faithfully.

The Rev. T. Rupert Coleman, a bright young man from Durham, when only 20 years old, was called to the pastorate of this church in October, 1923. During the period that he served two outstanding revivals were held, in each of which thirty-seven people united with the Church on profession of faith. In the latter part of 1928 a well-functioning W. M. U. was organized, and in 1929 the church conducted a Sunday school enlargement campaign in which

the Sunday school membership was more than doubled. In that same year a B. Y. P .U. enlargement campaign was conducted, in which that organization was greatly strengthened and encouraged and an Intermediate Union was formed. In 1930 a baptistry was built on the church lot and a large bulletin board was erected in front of the church. Mr. Coleman, on June 15, 1932, closed his pastorate after two most successful years. Rev. Paul Braish was the next pastor and he served the church for only one year.

In September, 1933, the church did a very unusual thing. There was a young man teaching the Men's Bible Class, Mr. Ralph A. Wilson, and his work there was pleasing to the men. Through the influence of Deacon John R. Allen Mr. Wilson was persuaded to preach. Because he was so young and had grown up in the village the presbytery would not consent to his ordination. But the church would not let this change its attitude of respect for and confidence in him, and called a second presbytery which recommended his ordination, which took place on September 10, 1934, and he then assumed the pastorate of the church and has continued to serve in this capacity. Soon after the beginning of his pastorate the church went from half-time to full time preaching.

In the first exangelistic meeting conducted by Mr. Wilson there were 46 converts. Some of the most outstanding achievements have been accomplished under his leadership, the church has more than doubled in membership and a great spiritual awakening has been evident.

Glencoe church has, in large measure, been faithful to its stewardship, and the future outlook is as bright as have been the glorious results of the past.

The facts included in this report have been furnished by Mr. Claude F. Phillips, a prominent member of this church.

Respectfully submitted,

Charles C. Smith, Associate Historian.

37. Dr. Carpenter, editor of the Biblical Recorder, presented the claims and advantages of that excellent periodical. As always he delighted the Association with his charm and his forceful manner of presenting his paper. The circulation of the Recorder now is almost 40,000, being 39,000, plus.

44. Mr. Miller, Field Representative of Meredith College, was recognized and spoke briefly on "Christian Education in the Baptist Colleges of North Carolina." Dr. Sankey L. Blanton, Dean of the School of Religion in Wake Forest College, spoke at greater length on this subject, and gave to the body one of the strongest messages on Christian Education that it has been our pleasure to hear in some years.

45. For the Committee on Resolutions C. N. Royall offered the following, which was adopted by a standing vote.

RESOLUTIONS

YOUR Committee on Resolutions wishes to express for the Mt. Zion Association our deepest appreciation for the kind reception and generous hospitality of the entertainment committee of the First Baptist Church of Chapel Hill. We appreciate the consecration and able leadership of the Pastor and retiring Moderator of this Association. We are also grateful to Mr. Arnold E. Bourziel for his most helpful and worshipful music, and to Miss Lena Mae Williams for playing for us on the first day of the Association and to Mrs. G. V. Tilley for playing on the second day. The mothers greatly appreciated the service rendered them through the Church Nursery for the care of their children during the session of the Association. We express for the Association our prayer of Thanksgiving to our Heavenly Father for His blessing to us during this most successful year of our Association.

We express our deepest sympathy to the loved ones in the home going of Rev. Charles F. Hudson, the beloved friend and consecrated Pastor of this Association. He served his day and generation, and fell on asleep.

Our hearts are rejoicing today that Woman's Missionary Union of the Mt. Zion Association is having a part in the great task of making Christ known to the world. Thanks be to God for calling us into His service; for the privilege of laboring with Him in His vineyard.

We stand in the threshold of a second century of work for Christ, realizing that many changes are taking place about us. Maps are being re-drawn, boundary lines, standards of living, even forms of government are changing. We note also that some things have not changed. The Bible is the same as it was a century ago. God's plan for the redemption of the world is the same. Yes, Jesus Christ is the same yesterday, today and forever. With these facts in mind we praise God and take courage for the progress we have made this past year and for the increase in gifts, but we must realize there is much more work to be done this present year; the task is greater; thousands upon thousands are literally starving to death not only for physical food but also for the Bread of Life. Doors of opportunity are opening wide all over the world. It is imperative that we awaken to our responsibilities as individuals and pray, work and give that His way may be made known upon the earth. Only when Christ reigns in the hearts of men can we have peace—lasting peace.

Respectfully submitted,

Mrs. George N. Harward,
Superintendent.

Hitherto we have come and henceforth we must go into the vineyard to work more zealously in bringing about the Kingdom of God. We need to realize the responsibility for training our young people

in Christian service, for life in this Atomic Age can either be made to count for Christ or can be made to destroy mankind. Leadership today will account for the world of tomorrow. Let us continue as "laborers together with God" and seek to glorify His name.

The statistical report for the year is as follows:

Churches with Young People's organizations: 39.

Total Young People's organizations: 140.

New organizations: 16.

Total gifts reported: \$4,891.39.

ANNUAL MARGARET FUND - TRAINING SCHOOL REPORT

April 1, 1945 to April 1, 1946

The Margaret Fund, so named in honor of her mother and daughter by Mrs. Frank Chambers, who made the initial gift of \$10,000 in 1905, is an educational fund for the sons and daughters of home and foreign missionaries. I trust you recall the interesting history of the fund. This and other information may be secured from the leaflet "The Margaret Fund," *Woman's Missionary Union at Work*, by Miss Wilma Bucy, and the W. M. U. Year Book. Also, your State chairman, Mrs. L. P. Harrill of Raleigh, and the associational chairman will be glad to give you any help.

The fund now has four departments:

1. *The Scholarship Fund* — The amount needed each year for scholarships is obtained through the Lottie Moon Christmas Offering for foreign missions and the Annie Armstrong Offering for home missions. The annual scholarship is \$250.00 and is granted for a regular college course. Additional scholarships are given to students who meet the scholarship and certain other requirements.

The first scholarships were warded in 1916. There have been 506 young people receiving scholarships totaling \$451,967.64.

During the school year 1945-46, North Carolina has four Margaret Fund students within the state: Betty Lide, Betty Woodward,

Eugenia Johnson who are at Wake Forest; and Geneva Joe White, who is at Mars Hill. Emily Olive is also our student. She was graduated from Meredith last June and is now studying commercial art at Pratt Institute in New York City. For this graduate work, she was given an additional scholarship.

2. The W. M. U. seeks to help in the personal needs of the students through the *Burney Fund*. The fund is so named to honor Mrs. Frank Burney, who was Southwide Margaret Fund Chairman from 1922 through 1933.

In this state, contributions of not more than \$3.00 from each society are sent to the Associational Margaret Fund Chairman and forwarded to Miss Ora Alford, state treasurer. Gift checks of \$15.00 are then sent to each student in this state (students in other states receive the same amount, too) in September, December and May. This method was adopted to equalize the gifts to all students.

Seven societies — Olive Chapel, Mt. Carmel, Chapel Hill, Yates, First-Durham, Edgemont, and Watts Street cooperated and made possible the Burney Fund gift of \$21.00 from the Mt. Zion W. M. U. during the year 1945-46.

3. *The Elizabeth Lowndes Scholarship Award* of \$200.00 is a memorial that honors a former treasurer, Mrs. W. C. Lowndes. It is awarded for the senior year to a Margaret Fund student distinguished during three preceding college years for high scholastic standing, leadership, personality, and character. This award is given in addition to the regular Fund scholarship. Nine such scholarships have been given and North Carolina is privileged to have the present recipient of the scholarship, Betty Lide, studying at Wake Forest. Also, we are proud to claim three other students, Dorothy Green, John and Arch McMillan who were also recipients of this scholarship during their senior years in college.

4. *The Endowment Fund* — This was established with the receipts from the sale of the Margaret Home in 1915. The original amount has been increased by several gifts and the total fund is invested in U. S. Treasury bonds, and the interest is retained for emergency scholarships.

The chairman would like emphasize the three ways in which Mrs. W. J. Cox suggests W. M. U. members may help Margaret Fund students:

(1) By prayerful, personal interest in the students.

(2) By generous gifts through the Annie Armstrong and Lottie Moon offerings.

(3) By each individual organization sending a gift for the Burney Fund. Also, your chairman would like to ask that you participate when called upon in a new project: that being, the sending of gifts to the N. C. Margaret Fund students in May, and at a time in the fall to be designated later. Those societies being asked to par-

ticipate will receive complete information as to the students being remembered, their addresses, and suggestions for gifts within the next week. Your careful attention and cooperation will be greatly appreciated by the chairman and the Margaret Fund students.

Speaking of the purpose of the Woman's Missionary Union Training School the principal, Miss Carrie U. Littlejohn says "Since its beginning the school has sought to train young women for efficient service in foreign and home missions and all departments of denominational work." 228 of the school's graduates have served in foreign mission service. Hundreds of the graduates have worked in the homeland in varied fields of useful service. As you have contributed to the school with your financial interest, prayerful support and financial aid, you have extended your life and influence around the world and into the lives of every person whose training you have made possible.

The 1945-46 session opened with an enrollment of 128 boarding and 84 day students. You will be interested to know that North Carolina leads with an enrollment of 20 boarding students. The Mt. Zion W. M. U. feels privileged to be represented by one of these students, Rachel Thompson of Durham and the Braggtown church. North Carolina feels honored, too, by having the privilege of claiming the student chairman-elect, Mary Lee Ernest of Greenville.

The chairman would like to urge each of you to:

(a) Encourage your young women interested in religious work and desiring to enter the school to complete the four years of college training and have at least a year of practical experience before entering.

(b) Instruct applicants needing scholarships on the loan basis to correspond with Mrs. R. K. Redwine of Mt. Airy, who is the North Carolina trustee for the training school.

(c) By an evidence of your personal interest through the sending of gifts from your society when requested or when you desire to do so. Fifteen societies were asked by the chairman to send boxes to the North Carolina students during the past month. Ten at a total expenditure of \$53.11 graciously responded with useful attractive gifts. The chairman and students are grateful for the thoughtful response of Mt. Carmel, Carrboro, Antioch, Chapel Hill, Mt. Moriah, Temple, Yates, Goram, Lakewood and First-Burlington societies. The remaining societies will be asked to remember either the N. C. Training School or Margaret Fund students during the remainder of the year.

Messages of congratulations were sent to the eleven North Carolina Training School graduates in May, 1945, and 19 Christmas remembrances were sent to the North Carolina students. Forty-four additional letters and cards were written by the chairman during the year concerning the Margaret Fund Training School work.

As Mrs. Cox says, "There are no graduates from the School of Life. The Training School and Margaret Fund students go out to take their places in world wide service. They are a global group bound together and to God to advance His Kingdom on Earth."

Respectfully submitted,

Mrs. D. K. Barnett,

Margaret Fund Training School Chairman

MISSION STUDY REPORT

It is a pleasure to report to you that the organizations in our Association have been more keenly interested in the study of missions during the Associational year which closed March 31, 1946. This was proven not by an increased number of classes, but by an increase in the number attending classes.

True Christians do not have to be urged to read the Bible, they feel the need of this Spiritual food. Remembering that mission study is the background for all our mission work, may we realize more than ever our need for study. A new goal this year is for every member of every W. M. U. Organization, except Sunbeams, to read at least one book on missions during the year. One book each quarter is considered the ideal plan for mission study in organizations. The

Year Book and the pamphlet, "World In Books," revised as of August, 1945, should be used as the basis for recommended lists of books and the W. M. U. page of the Biblical Recorder advises us of new books as soon as they are published and available.

During the recent war we learned much about the world we did not know or perhaps had forgotten. Countries we hardly knew existed became very close to us through daily news bulletins from our fighting forces. Many of these men have returned now and old as well as young listen in awe to accounts of their experiences. Most older people realize the great need for Christian witnessing in these countries. Many children say, "We want to go there when we are grown." Our need for more missionaries may be met in these children. Our prayer is that many of them will go to these countries not as fighting men in the uniform of their country, but as Christian soldiers of Jesus Christ.

We can do much in our W. M. U. Auxiliaries to encourage and train our youth in the field of missions, thanks to those who outline the splendid programs in The Window of Y. W. A. and World Comrades. As W. M. S. members, we should never be without Royal Service. We can see that the Home Missions and Commission are among the magazines coming into our homes and above all we can have family altar. Children grow interested in the things that interest their parents. Let us live up to our denominational name, Missionary Baptists. Let us make our Association "Standard" in mission study during this new year.

COMMUNITY MISSIONS REPORT

When the mother of our Saviour said to the servants at the marriage in Cana of Galilee, "Whatsoever he saith unto you, do it," she spoke words which are as pertinent to us today as for the occasion of the day on which they were spoken. There was trouble in an hour of great importance and the facts were brought to Jesus. There is trouble in homes today—many homes. We, too, may bring the facts to Jesus and ask Him to use our weakness and bring joy

again where there is weeping, happiness for distress, salvation for despair.

Community Missions! How fraught with meaning for men and women today when we realize that someone is waiting right now for us to come to him or her with the story of salvation. And the One who died for us and for them is waiting for us to go. He has commanded us to go.

As in previous years, our main objective for the year is soul-winning. Presenting the Saviour is still the central thought in community missions. When we are so yielded to Him that He can do in us and with us what He desires, then we may expect to see Him working through us. Let this be our aim.

While we have decided to continue the Shaw University scholarship, we have not given of our means as liberally this year as we did last year. We have contributed only \$131.38, which is considerably below our goal.

Respectfully submitted,
Mrs. Eugene B. Britt,
Chairman.

ANNUAL STEWARDSHIP REPORT OF THE MT. ZION ASSOCIATION — MARCH 31, 1945 — 1946

Believing that the fullest measure of success of the entire Christian program is dependent upon a proper conception and practice of stewardship, we shall do well to place increasing emphasis upon it in our women's work. It is not the lack of material resources that hamper our missionary enterprise, but rather an unwillingness on the part of Christians to use what is intrusted to them to do Christ's work in the world.

In that beautiful hymn "I Am Thine, O Lord," we acknowledge, just as David so earnestly did in Psalm 119, God's ownership of our lives. When we accept his ownership, we mean that we belong to Him completely—first, our bodies and second, all that we have belongs to Him. We are only caretakers of all that comes into our

possession. "Let everyone of you lay by in store as God has prospered him." Not only are we required to be good stewards of the tenth, but we must wisely use the remaining nine-tenths. This is the Master's plan for financing His Kingdom.

Missionaries are commanded to go and are ready, but they cannot go unless we send them. It is our great responsibility to make it possible for "all people (white, brown, red, and black) to know our Saviour.

Let us remember the words of our Lord Jesus, how He said, "It is more blessed to give than to receive."

In I Corinthians 4:2 we read "It is required in stewards that a man be found faithful." Are we being faithful stewards? If not, why not? Is our best too much for our Master who gave up His precious life upon the cross for us? Then as God's stewards let us give Him our best.

HISTORICAL SKETCHES OF MT. ZION CHURCHES

Brief histories of Mt. Zion churches are recorded in the Minutes of the years as herewith listed. The Associate Historian suggests that every church in the Association have copies of the Associational Minutes bound every ten years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and these bound volumes will grow more valuable with each passing year.

Although our Association has had Historians almost from the date of its organization still the Clerk was not able to find the history of any church recorded in the Minutes until 1921. Just why the sketches of other years were not incorporated in the Minutes is inexplicable.

At the 1874 session of the Association it was decided to elect a Historian annually. The Minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the 'Book of Records of the Association.'" No trace of this book exists. The historical sketches from 1821 are shown in the Minutes as follows:

Seventy-Eighth Annual Session

REVEREND A. D. KINNETT

These Minutes, by vote of the Association, are dedicated to the memory of Mr. Kinnett. He was a product of the First Baptist Church of Burlington, was ordained by this church in 1920, and was its pastor from 1934 until his death on November 3, 1946. Under his guidance the First Church, Burlington, became one of the really great churches of North Carolina. He was a great preacher, a great pastor and above all, a great Christian.

4. The following pastors, who have assumed pastorates of our churches since the last meeting of the Association, and other workers in our churches, were recognized and introduced individually by the Moderator: Thomas Bland, pastor the Mt. Carmel Church; A. F. Gibson, pastor of the Guess Road Church; Troy E. Jones, pastor of the Carrboro Church; W. L. Lynch, Superintendent of the Baptist City Missions in Durham; Mrs. J. B. Warren, Director of Young People's Work in Angier Avenue Church; and Mrs. Harrell Perry, Office and Religious Secretary of the Temple Church.

5. The Clerk of the Association made the following report:

As Clerk of the Association I hereby offer my apology to this body for the very inferior Minutes that you received for our 1946 session.

For more than twenty-five years our Minutes were printed by the Seeman Printery, of Durham—from 1917 to 1920, when I was Clerk; and for nearly every year from 1921 to 1943, while Mr. W. O. Williams was Clerk; and again in 1944, and 1945, when I succeeded Mr. Williams. Mr. Williams' minutes were so superior that he won so many prizes from the Sunday School Board, that he had to be declared ineligible for more prizes lest other clerks in the South be discouraged.

Some officers of our Association felt that the Clerk should get bids for printing our Minutes from at least three printing firms, in order, not to get better work done, but to try to save money. This is a perfectly legitimate motive, as those who are responsible for spending the Lord's money are in honor bound to use it to the best advantage.

A year ago a firm in Zebulon offered to do our work for a price \$116.00 lower than Seeman's bid, and on the advice of the Executive Committee, I gave them our job. This firm also promised to get the Minutes to us within thirty days after the copy had been received. The copy was given to them on October 22—four days after our Association adjourned. We got our Minutes in March—more than ninety days after delivery had been promised.

The exceedingly poor job of printing and proofreading of those Minutes speak for themselves to any one who knows anything about printing.

When the bill came to me there was an overcharge of \$35.00 beyond the price agreed upon. This I refused to pay, and after some correspondence, the Moderator suggested to our Treasurer that he submit a check for the amount of the bill less the overcharge of \$35.00, which he did. The check was cashed, thus ending the matter. Feeling that the churches of the Association would prefer to pay more money and get the Minutes on time and have a good job done, I have arranged with the Seeman Printery to print our Minutes for this session.

As long as I have the opportunity I will urge on the churches the desirability of enough copies of the Minutes printed so that every family in the churches may have a copy if they so desire. Particularly should every officer, Sunday school teacher and heads of departments and organizations be each presented with a copy. Many pastors do not even call attention to the fact that the Minutes have been received; thus churches have many copies left, and cause some to feel that they are not worth while.

To read the statistics in the Minutes is the only opportunity that most church members have of knowing what their own churches are doing. Our church members are the ones who give the money for the support of their churches, and what the churches do with the money thus provided, should be placed before the church memberships. The Minutes now cost only twenty-eight cents a copy—let me urge you to order more copies of the Minutes every year.

CHARLES C. SMITH, *Clerk of the Association.*

6. The report on Christian Education was read by the Rev. B. E. Morris, and, after being spoken to by Claude F. Gaddy, Executive Secretary of the Board of Education of the North Carolina Baptist Conven-

tion; Dean Charles W. Burts, of Meredith College; Dr. Lovelace, of the School of Religion of Wake Forest College, and by Mr. Morris, it was adopted.

CHRISTIAN EDUCATION IN OUR BAPTIST COLLEGES

Christian Education considered in its broader aspects represents all efforts of Christian teaching, whether in the home, in the church, in public institutions, or in colleges owned and operated by denominations; and it behooves all of us who are interested in promoting Christian education to direct our efforts along all these lines.

For the purpose of this report we are thinking specifically of the program of Christian Education supported by Baptists through our three Southwide seminaries and the W.M.U. Training School, and our six Baptist colleges in North Carolina. In the four Southwide institutions during the past year we had a total of 2,705 young men and young women, of whom 1,744 were ministerial students.

The six Baptist colleges now in operation in North Carolina are Wake Forest, Meredith, Mars Hill, Campbell, Gardner-Webb, and Wingate. During this present Convention year the Baptists of North Carolina are contributing approximately \$351,959, divided among these colleges as follows: Wake Forest, \$108,882; Meredith, \$78,540; Campbell, \$43,175; Gardner-Webb, \$37,812; Mars Hill, \$59,048; Wingate \$24,502. This represents the most generous aid that the Baptists of the state have ever given to their colleges for operating purposes. With a total enrollment of approximately 4,500 young men and young women, these six colleges will face the new year with all facilities taxed to their capacity.

The Council on Christian Education with permanent offices located at 115 West Morgan Street in Raleigh has completed its first year of operation. With a membership of 52 members, 24 of whom represent the administration of the colleges and 24 representing the churches at large, along with the four ex officio members, the Council provides a co-ordinating agency through which our program of Christian Education is promoted. In addition to the distribution of funds, the Council has engaged in numerous activities designed to improve the services of the institutions and to give the people of the state a better understanding of the over-all program. A folder of general information on all the colleges has been prepared and mailed to more than 23,000 high school graduates in the state. Through the cooperation of the *Biblical Recorder* and other Baptist publications information on the work of the colleges has been largely distributed throughout the state, and definite efforts have been made to emphasize the observance of Christian Education Day in our churches and Sunday Schools. Pastors and superintendents have cooperated in a splendid way in this undertaking.

Everyone is aware of the dominant position which Wake Forest College now occupies in the the thinking of North Carolina Baptists, and of the challenging opportunity which comes through the gift of the income from the Z. Smith Reynolds Foundation. With all legal questions cleared, the way is now open for the Baptists of the state to fulfill their obligations by providing funds for the new plant at Winston-Salem. By action of the Baptist State Convention in Asheville last November, Wake Forest College was authorized to secure during the next three years \$1,500,000 through the churches. Mr. Horace Easom has been selected by the Committee of

Seventeen, named by the Baptist State Convention, to direct and lead us in this great undertaking and early reports indicate success in this effort.

In a recent meeting the Council on Christian Education unanimously adopted a statement of policy with respect to our program of Christian Education at this time, as follows:

"1. The action of the Baptist State Convention in accepting the proposal to move Wake Forest College to Winston-Salem constitutes a challenge of first importance, and the Council on Christian Education pledges its full support for whatever efforts are deemed necessary to accomplish this purpose. In the realization of this purpose the members of the Council recognize the greatest contribution possible, not only for Wake Forest College but for the cause of Christian Education in general; and it is the belief of the Council that this can be achieved without harm or hindrance to any one or all of our Baptist colleges. In addition to the good that will come to Wake Forest College, there will come benefits to all other colleges, provided all our efforts and purposes are properly understood and related.

"2. In recognizing the above primary responsibility at this particular time, the Council is keenly aware of its obligation to aid each and all Baptist colleges to render their continuing maximum service. To accomplish this, each college has the specific duty of developing and utilizing its own resources in every way possible. The Council heartily approves and encourages each and all of the colleges to proceed with expansion programs and improved facilities to whatever extent and in whatever respects the trustees deem advisable and possible, and in conformity with Convention policies.

"3. With respect to the use of the Wake Forest College property, the Council continues in its first expressed wish that 'there may be devised ways and means by which the present property of the college, now located in the town of Wake Forest, shall be continuously used for purposes of Christian Education and thereby keep faith with the sacred inspiration of the founders and those who have cherished it through the years.'"

Respectfully submitted,
B. E. MORRIS

The Gospel Baptist Tabernacle was received as an Associate member during the ensuing year.

8. After reading of the Scriptures and Prayer by Warren T. Carr, the annual sermon was preached by Guthrie Colvard, on the subject: "Things that Cannot Be Shaken"; his text being, Hebrews 12:27.

9. Dinner. A bountiful meal was served by the members of the Glen Hope Church.

Tuesday Afternoon Session

10. A period of real spiritual devotions was led by Troy E. Jones, of Carrboro.

11. Mrs. George N. Harward conducted a period on World Wide Missions. She read a magnificent report on Woman's Work in the Mount Zion Association, which report is incorporated in the minutes of W.M.U. Associational Convention, included elsewhere in these Minutes. Mrs. Harward spoke on her report, and introduced Mrs. Edwin Dozier, a missionary to Japan, now in this country on furlough, who spoke feelingly and informingly on missions.

12. Miscellaneous Business.

The Committee to nominate Officers and Executive Committee made its report. After opportunity was given for other nominations from the floor, the report was adopted and all of the nominees were elected. (Their names and positions appear in the "Association Directory," in the first part of these Minutes.)

For the Committee on Place and Preacher for the 1948 session, Walter M. Williams reported as follows: "Your committee recommends that the Association hold its next meeting with the Mebane Baptist Church on the first day, and that we meet on the second day with some church in the country in the eastern part of our territory, the selection to be chosen by the Executive Committee. The committee recommends further that the appointees to preach be John H. Knight, pastor of Bethesda Church, or Walter V. Brown, pastor Haw River Church." This report was accepted.

The application of the Gospel Baptist Tabernacle was referred to the Executive Committee.

13. B. E. Morris spoke further on the Wake Forest College Expansion Program.

14. T. D. Collins moved that the 1947 Minutes be dedicated to the Rev. A. D. Kinnett, pastor for a number of years of the First Church of Burlington, and who died on November 3, 1946, and that his picture be printed in these Minutes. This was gladly and appreciatively voted.

Rev. Tom M. Freeman, pastor-elect of the Hocutt Memorial Church, Burlington, was present and recognized, as were Miss Bettye Crouch, Education Director of the Lakewood Church, Durham, and Miss Jean Todd, competent worker with the Bethesda Church, Durham.

15. L. A. Nall stated that the Baptist Church at Ossipee, was totally destroyed by fire on last Sunday morning, and moved that this church write the churches of this Association and acquaint them with conditions there and thus give our churches opportunity to render whatever financial assistance they will be willing to give. This motion was carried. Any money may be sent either to Rev. Luther M. King, the pastor, or to Mr. H. D. Smith, a member of the Ossipee Church, the post-office of both of these brethren is Ossipee, N. C.

16. The Baptist Hospital was next on the program, but no representative from that institution was present. Mr. Williams, of Burlington, a trustee of the Hospital, was asked to speak on that splendid possession of North Carolina Baptists, and he did so most acceptably.

17. At 4:00 o'clock the Association adjourned to meet with the Lowe's Grove Church tomorrow morning at 10:00 o'clock.

SECOND DAY, WEDNESDAY, OCTOBER 15, 1947 LOWE'S GROVE CHURCH, DURHAM COUNTY

Morning Session

18. After a brief, but spirited and spiritual service of song conducted by Truett Cox, the second day's session of the Association was called to order at 10:00 o'clock by Moderator C. N. Royal.

19. A most helpful period of devotions was led by Guy S. Cain, of Graham. As part of this period, Miss Theo Braxton, accompanied by Mrs. G. S. Cain, sang "Have Faith in God."

20. The representative of the Baptist Orphanage was Superintendent W. C. Reed, of the Kennedy Home, who spoke on North Carolina Bap-

tist Orphanage work. Those present greatly appreciated Mr. Reed's address.

21. J. Hampton Rich reported on the *Biblical Recorder*, and Editor L. L. Carpenter of that splendid religious journal, spoke enlighteningly on the periodical.

REPORT OF THE COMMITTEE ON THE RECORDER

For nearly a century this religious journal the *Biblical Recorder*, founded, for making informed Baptists, has been making its weekly visits into the homes of Baptist families throughout the borders of the State Baptist Convention.

Some of us have seen the *Recorder* grow from the size of a small Country Weekly with a few hundred subscribers to a sixteen page journal of over 40,000 subscribers.

But the size of a paper and the number of its subscribers do not offer a complete index of its possibilities. The *Recorder* must be read if it is to carry out the purpose of its founders. It is not a record which you can place on the disk of your graphophone and have it automatically give out its contents. There should be a READING campaign started among ourselves for the *Recorder*. Too many subscribers and I might add *lay* subscribers and members of our churches never open the paper or if they do open it, do not read it closely enough to learn the attractiveness of the arrangement of the contents in its well illustrated pages, the inspiring sermons and addresses, the news from the churches, the activities of the different groups in our denominational work, the movement of the brethren, and its able editorials.

Bro. Carpenter is doing a fine job. Not even in the golden days of editorship of Livingston Johnson and J. W. Baily did we dream of a subscription list of 40,000.

The paper has a definite mission. It is to direct the churches and the church membership toward the work of eliciting, combining and directing the affairs of the kingdom to this end that the Prince of Peace may come into his own.

The printed periodicals in our state work are not confined to the *Recorder*. Charity and Children, the Foreign Mission Journal, The Commission, the Home Field have their place but the *Recorder* is the MOUTHPIECE of our State Convention.

The printed page is the lever of the brain and gives it its reach. Let us in the Mt. Zion Association not rest until that "reach" of the *Recorder* gets into every home and into the hearts and consciousness of every family.

J. HAMPTON RICH, For Committee

22. G. Fred Lipe, pastor of the Olive Branch Church, who spent quite a good deal of time in western Europe during the past summer, gave to us an informing talk on "An Interpretation of Conditions in Europe."

Garland A. Hendricks, who attended the Congress of the Baptist World Alliance in Copenhagen in July and August last, spoke delightfully and understandingly of the Baptist World Alliance.

23. On "The Problem of Alcohol," Dr. C. H. Patrick, of Wake Forest College, in a thoughtful and able paper discussed that very important matter from the scientific viewpoint. By vote the body requested Dr. Patrick to furnish the Clerk a synopsis of his address and that it be incorporated in our Minutes

(Dr. Patrick sent the Clerk his entire address, which would require ten extra pages of the Minutes, and it was deemed an unwise precedent to give that much space to one address.—The Clerk.)

24. At 12:30 the Association adjourned until 2:00 o'clock for the dinner period. The meal was served in the gymnasium of Lowe's Grove School, located just across the road from the church.

Afternoon Session

25. John T. Edwards, pastor of the Gorman Church, led devotions which the large number present fully enjoyed.

26. Miscellaneous Business. (1). The Associate Historian, Charles C. Smith, stated that he prepared a sketch of the Glen Hope Church, Burlington, and moved that this sketch not be read at this time, but that it be printed in the Minutes. This was so voted.

HISTORY OF GLEN HOPE BAPTIST CHURCH OF BURLINGTON

In the autumn of 1924 Pastor Martin W. Buck of the First Baptist Church of Burlington, North Carolina visited the Burlington Mills Community, then being rapidly settled by families arriving from various parts of the state, but mostly from Gastonia, N. C., from which city the mill had been removed. A survey of the community found that by far the greater number were Baptists. Open air services were held as well as services in the Glen Hope Public School Building.

The first meeting to organize the church was on June 29, 1925 at the home of Mr. and Mrs. R. C. Hansell with 29 presenting their church letters. The church was to be known as the Burlington Mills Baptist Church, but on July 5, 1925 the name was changed to the Glen Hope Baptist Church.

Due to the closing of the mill, their organization was not very active, several members moved away and the members living in Burlington joined the First Baptist Church with the exception of Mrs. C. K. Bunton who is still a regular attendant and active member of the church, Mrs. Bunton along with a few others still met in the School Building for Community Sunday School and called in different speakers from time to time. On September 13, 1927, the Young People's Sunday School Class from Pamona Baptist Church of Greensboro, N. C., were asked to visit the group which was still carrying on. In this class was a young man, George W. Swinney who had been called to preach the gospel. He was asked to preach at 11:00 o'clock, this he did and in June, 1928, the Rev. G. W. Swinney was called as pastor but declined until September 29, 1928. The meetings were then being held in a store building owned by the late Dr. C. E. Spoon, and were later moved to the home of Mr. Frank Ingle, and it was here that The Rev. G. W. Swinney was unanimously elected as pastor and has continued so up to the present time, being the only pastor this church has ever had.

When the Rev. G. W. Swinney was called the church was reorganized with 17 present for this initial meeting. He preached every other Sunday until September 29, 1928 when he accepted full time work. He continued to live in Greensboro, N. C., until February 7, 1930 when he moved his family to Burlington in a home that had been given the church by The Burlington Mills. From the time he accepted the part time work until he came for full time work the membership had grown to 48, with a present membership of 835.

On October 15, 1928, there was a business meeting at the home of Mr. Roy Osbourne at which time plans were made for a church building, with Mrs. C. C. Brown and Mr. Osborne on the committee to see about obtaining a lot. The lot was given by the late Mr. Junius Harden, as long as the building was used as a church. This lot was on Graham Street about one block from the present building. A tabernacle was erected which was 26' by 40'. This was completed at a cost of \$526.00, and served as the church building until March 15, 1931 when they moved into a new edifice on the corner of Graham Street and North Avenue, directly in front of the Burlington Mills, the mill giving the lot. The present property is valued at \$50,000.00.

The church grew to the extent that a new addition had to be added which gives the church now a seating capacity of 1100 in the auditorium. The new addition was opened with a Revival meeting, conducted by The Rev. Mac Long of Statesville, N. C. in 1939. In the past 8 years the church and Sunday School have continued to grow and a new building is being planned in the near future.

The Glen Hope Baptist Church is located among some of the most stable people of Burlington and all during its history it has enjoyed a steady and substantial growth.

The church membership now is 835; the Sunday School enrollment is 721 and the Training Union enrollment is 106; The Woman's Missionary Society has 3 Circles, A Young Woman's Auxiliary; A Business Woman's Circle; and Junior and Intermediate G. A's.

Rev. G. W. Swinney and his people work harmoniously and under his guidance great things are expected in years to come.

In speaking of the progress of the church and the community this pastor's personal comment is, "The Lord Has Certainly Been Good To Us."

For the Committee on Resolutions E. W. Bailes, chairman, reported as follows, after which the report was unanimously adopted:

RESOLUTIONS

Your Committee on Resolutions desires to express, for the entire Association, our profound gratitude for the warm reception and generous hospitality of the Glen Hope and Lowe's Grove churches.

Again, we also wish to thank all the officers of the Association, the several heads of our various organizations, and those who have rendered thoughtful and distinguished service during the year and on these programs during the session.

Further, the Association appreciates the fine work rendered by the Rev. Truett Cox who led the congregational singing throughout the sessions of this meeting, and to Miss Mildred Thomas for arranging the special music features for the two days that we met.

Finally, we thank our Heavenly Father for His conscious presence during these days, for His unspeakable goodness to us during this past year, and for His promised blessings through the years to come.

Respectfully submitted,

ERNEST W. BAILES, *Chairman*

L. T. BRIDGERS

27. For the Associational Sunday School Work, C. D. Gattis, Association Sunday School Superintendent, made the following report on Sunday School Work within the bounds of our Association.

REPORT OF SUNDAY SCHOOL SUPERINTENDENT

At the end of last December I attended the State Planning Meeting for associational Sunday School officers of the eastern half of our state. This meeting was held in the First Baptist Church at Raleigh. The entire time was given to informing, inspiring, and making plans to launch the Sunday School work of our association and state for year of 1947, in cooperation with our 1947 Southern Baptist Sunday School Program, the theme of which was "Advancing With Christ."

Early in January a small group of pastors and superintendents met with your associational superintendent to help in initiating this program in our Mt. Zion Association. At this meeting it was felt that the Sunday Schools of our association should be divided off in groups, with a group superintendent in charge of the work for his particular group of churches. The groups decided on were Durham, West Durham, Chapel Hill, Graham-Mebane, Hillsboro, and Burlington. The following brethren served as group superintendents: Durham—Rev. John H. Knight; W. Durham—Mr. E. E. Ferrell; Chapel Hill—Mr. D. C. Phillips; Graham-Mebane—Rev. L. H. Hollingsworth; No one was ever secured for the Hillsboro group; Burlington—Rev. Ronald E. Rice.

I, as superintendent, and know you, as representatives of the churches of our association, wish to thank these men for their efforts in promoting the work of the Sunday School this year.

In cooperation with our own State Sunday School headquarters and at the suggestion of our Southern Baptist Sunday School leaders, an associational-wide Sunday

School rally was held on Tuesday night, January 21, at the First Baptist Church in Chapel Hill. On the same night throughout our state and southland hundreds of other such meetings were being held. The theme of our rally was "Advancing With Christ" which, as stated before, was our southwide theme. Rev. John H. Knight, pastor of Bethesda Church, very effectively outlined our Sunday School program for 1947. Mr. L. L. Morgan, our beloved State Sunday School secretary, brought a message "Reaching Every Church With This Program," also giving some results of 1946. The rally was brought to a close by a very inspirational address from Rev. H. G. Hammett, pastor of Temple Baptist Church at Durham, who used our theme "Advancing With Christ" for this. Represented at the rally were as follows: 35 of the 69 churches in the association; 28 pastors; 30 Sunday School Superintendents; 403 representatives from churches of the association.

Our 1947 program called for a meeting of all the officers and teachers of each individual Sunday school sometime during the month of February, at which time a visiting team of committee would be present to inform and urge the Sunday School to accept at least a part of the ten activities suggested for every church. A brief outline of these activities is as follows: (1) Start one or more new classes. (2) Organize one or more departments. (3) Enlist every resident church member in Bible study. (4) Promote regular visitation. (5) Establish a new Sunday School. (6) Provide more space. (7) Conduct a Vacation Bible School. (8) Hold a regular workers' meeting. (9) Use the standards as programs of work. (10) Promote an adequate training program.

I don't have any definite figures as to the results of the efforts put forth by the visiting teams, but do know that a number of these meetings were held and that definite goals were set by the churches for attainment in 1947. I feel sure that when the statistical information for the Sunday Schools is tabulated from our associational letters that we will find some definite improvement in our Sunday School work in the churches of our association for this year.

I do have a very encouraging report from Miss Ruby Williams, our associational Daily Vacation Bible School worker. There were 65 of our Sunday Schools in the association that held a Vacation Bible School this summer; only 8 churches failed to hold one. Of these 65 Vacation Bible Schools, 6 were mission schools, and one Vacation Bible School was held in a negro Baptist Church. This record is an increase of 10 schools over 1946. Miss Ruby Williams traveled over 5,000 miles in promoting Daily Vacation Bible School work in our association this summer.

In every community of our association there are souls not reached by any Sunday School. Just think of the hidden or wasted resources! Are we not expected to warn them? Then, too, think of our communities of tomorrow. Statisticians tell us that the birth rate before the war was around 18 per 1,000 population—and during the war this increased to around 20—now the birth rate is in the neighborhood of 30 per 1,000. What does this mean? It means that within the next two to five years in every community we will have a considerable increase in the number of possibilities of children in our Cradle Roll and Elementary Departments of our Sunday Schools. Also, our industrial communities of our association are expanding and growing in number. The churches and Sunday Schools of our association need to plan wisely and act quickly if we are to enlist and win to our church program these thousands of persons who are definitely our possibilities—and likewise our responsibilities.

The Sunday school of today will determine the church of tomorrow. This will be true in numbers as well as in character and loyalty of the church membership.

May I urge every pastor and superintendent to set up an organization large enough to administer effectively to their resident church membership, plus the unchurched, of their respective community. We must in some way stimulate the Sunday school workers in every church to dare to go out in faith to reach more people for Bible study. We should re-read again the Acts of the Apostles and catch the spirit of men who dared to advance regardless of difficulties.

Our Lord is Infinite in Wisdom and Power. He is Able, Willing, and Mighty. Nothing can Prevent the Advancement of the Church that Will Put Its Trust in God.

Tomorrow, Like Plastic Clay, Is in our Hands—God Give Us Wisdom, Grace and Courage to Fashion It for Thy Glory!

C. D. GATTIS, Association Superintendent

28. The report of her work last summer with Vacation Bible Schools, by Miss Ruby O. Williams was adopted, as follows:

REPORT OF VACATION BIBLE SCHOOL WORK

There have been held in the Mount Zion Baptist Association this year sixty-five Vacation Bible Schools, which is an increase of ten over last year. Five of these were mission schools, and one was held in a church not yet admitted into the Association. West Durham Baptist Church sponsored one Negro school. There are eight churches in the Association that have had no school this year.

As Associational worker, I was on the field nine weeks. During that time I was principal of twelve schools; and helped eight others to have their schools using a local principal; in addition to contact work and reports.

The outlook for another year is good. Of the eight churches not having schools this year five have already asked for help in the promotion of schools next year.

Respectfully submitted,

RUBY O. WILLIAMS

29. Dr. E. L. Spivey, with the North Carolina Board of Missions, made a most forceful address on, "Vital Matters Concerning North Carolina Baptists," which was appreciatively listened to.

30. The officers elected by the Associational Training Union were approved, and the report was adopted, as follows:

MOUNT ZION BAPTIST TRAINING UNION

With the recent war further behind us and the advent of many more new cars, our Training Union folks have taken to the highways but have not always attended our associational meetings, consequently we have experienced a substantial drop in attendance.

We held four mass meetings this year with one of these being held as a simultaneous group meeting, with a total attendance of only 669 persons as compared with last year's 1071. All of the meetings had well planned programs, but this year's interest among our people has seemed to lag.

The first mass meeting of the year was held at the West Hillsboro Church on December 6, 1946, with the Rev. Warren Carr, pastor of the Watts Street Church of Durham, bringing the main address. The devotional was led by the Rev. Guthrie Colvard, our pastor-adviser and special music was rendered by Miss Nancy Atkins of Durham.

Elimination tournaments featured the March 31st meeting held at the West Durham Church. The following were associational winners:

Adult Scripture Reading—Mrs. Juanita Stallings of the Bethesda Church.

Young Peoples Better Speakers Tournament—Elva Lawrence of the Angier Avenue Church.

Intermediate Sword Drill—Vera McNeil of the South Side Church in Burlington.

Junior Memory Work—Donald Lassiter and Gail Colvard of the Brookwood Church in Burlington.

Hymn Festival—West Durham Girls Sextette and the Brookwood Double Quartette.

All of these winners represented us in the regional convention in Clayton, April 25th and 26th, with Donald Lassiter and Gail Colvard winning in the Junior Memory Work Tournament, Mrs. Juanita Stallings in the Adult Scripture Reading Tournament and West Durham and Brookwood in Burlington in the Hymn Festival.

We were very proud indeed to have state winners at Ridgecrest again this year. Gail Colvard and Donald Lassiter were state winners in the Junior Memory Work tournament and the West Durham Church girls sextette was a winner in the Hymn Festival.

Our third mass meeting of the year was held as simultaneous group meetings with the Durham and Chapel Hill—Carrboro groups participating. The Durham group met at the Lowe's Grove Church with group director, Vance Fisher in charge and the principal feature of the program was an address by Mrs. C. N. Royal. The Chapel Hill—Carrboro group met in the Carrboro Church with the Associational Director Floyd Rhodes, Jr., in charge and the principal feature of the program was the address by the Rev. Thomas Bland. Both meetings were held Sunday afternoon, June 29.

The concluding meeting of the year was our annual convention meeting held at the First Baptist Church in Graham, Sunday afternoon, September 28. Dr. Sankey L. Blanton, Dean of the School of Religion at Wake Forest College, spoke on "The Book of Books." The devotional period was led by the director and special music was rendered by the male trio of the West Durham Church. The following slate of officers was approved by the group for election by the district association:

Three officers and leaders council meetings and three executive committee meetings were held during the year. Harvey T. Gibson, our state director, led a review of the associational Training Union Manual at one of the executive committee meetings. Some over 700 letters and cards were sent during the year and the director presided at all of the meetings except one officers and leaders council.

The director and officers of the Associational Training Union are grateful to the moderator and the district association for their cooperative and helpful spirit and for their financial and moral support.

FLOYD RHODES, JR., *Director*

NOTES ON ANNUAL MEETING

Mrs. Clarence T. Poe, in her Stewardship report used a huge poster representing the Bible. She illustrated the "Word of God" as a garden showing God's ownership and man's stewardship. Appropriate scripture verses were used to bring out this thought. Miss Mildred Thomas sang "Thy Word."

Miss Geneva Jo White, a student at Meredith College, spoke on the Margaret Fund, and of her experience as an M. K. (missionary kid).

The Training School was presented in a playlet entitled "A Day at the Training School." Miss Mildred Thomas, Mrs. J. Samuel Johnson, and Miss Wynona Chaney, all graduates of the Training School were the actors.

The reports of all committees were put on posters and used throughout the day thus eliminating the reading of statistical reports.

At the close of the meeting a love offering, to send Mrs. Harward to the S. B. C. W. M. U. meeting in St. Louis, Mo., was taken. The amount of \$81.11 was joyfully contributed for this purpose.

The attendance was the largest in several years with 350 registered delegates, 44 churches and 75 organizations represented.

Group No. 1, Mrs. W. V. Byers, Chairman, furnished the lunch. Group No. 2 will be hostess for the next meeting which will be held in the Carrboro Church.

Time spent at Jr. G. A. and R. A. Camp at Crabtree Park—One week.	

Today, as never before, Jesus is calling us to follow Him wherever He shall lead us; to build more carefully and more securely upon the foundation inherited by us from those sincere and stalwart followers of Christ of early W. M. U. days. As we study the report of the past year we want to note our weaknesses, as well as our great accomplishments so that even greater improvements will be made in the work this present year. Traveling over this Association and visiting organizations as I have done, I note that first of all we must make more thorough preparation for service. Too many of us still think that properly and carefully prepared book discussion for a

club meeting, a well planned bridge party, regularity in attending the attractions of the world are more important than the adequate preparation for the missionary meeting. Perhaps it is because we do not realize that the most important preparation is the giving of self to the Lord. "None of self and all for Thee" should be the motto of each of us. When we give Him our whole self, we will not wait until the eleventh hour to plan the program; we will make sure that "the lines of communication" between our loving Heavenly Father and us, are kept open daily, so that we can know more clearly His will for our lives. Daily mediation and prayer are imperative in these days of stress and confusion. Every woman already enlisted in our organizations should be ready constantly to say "Speak, Lord, for thy servant heareth."

We have failed to enlist the countless numbers of women who are members of our churches. Is it because of careless and indifferent preparation of our programs? An attractive and well planned program—one given without reading verbatim from our magazines;—invitations extended, posters displayed from time to time announcing the topic for discussion or the latest news from the field, all of these will help enlist others.

While a slight gain is noted in the number of tithers, many, many others should be enlisted as real stewards of Christ. Money is the least thing that we can give to the Master. When a woman gives Christ her whole self, we need not worry about the giving of possessions. I feel sure that the total number of tithers, as well as the total number of members, would be larger if all societies had reported.

My heart overflows with joy and Thanksgiving that the Mt. Zion W. M. U. Association led all the Associations of our state in gifts—\$55,805.66. A net increase of \$15,472.62. If all societies had reported perhaps these figures would be different. With attainments come responsibilities. We must work doubly hard to reach our goals this year. You will be interested, perhaps, in knowing that we have made an increase of \$4,007.57 to all objects this first quarter of 1947 over the first quarter of last year. May Jesus Christ be praised.

Again Jesus calls us to "look upon the fields" just outside our doors and help those who are less fortunate, those who have customs and habits different from our own, those who need us in some special way, those who need the Christ we love and serve.

All members of our organizations should be intensely interested in our work at home and abroad. The Foreign and Home Mission Boards have published for our use outstanding textbooks. Lists of approved books for Missionary Round Tables can be secured from our state headquarters. Even though North Carolina takes a leading place (I believe she leads the entire south) in members of Missionary Round Tables, our Association, reported none last year, but I happen to know there are some in existence. Would you have more mission study? The more you read, the more you will know. The more you know, the more you will care. The more you care, the more you will pray. The more you pray, the more you will give.

When our young people's leader moved to our sister state her work fell upon your superintendent. I thank God for the close contact I have had with the young people's work. I saw, as never before, their many many weaknesses. Friends, we are supposed to foster them. Are we really fostering in deed and truth, or is it in name only? Remember, they are "to build the better world of tomorrow if it is to be built, and they are to use the tools and materials we give them today." How imperative it is that we be up and doing our very best for these leaders of tomorrow.

Will you rededicate yourself to the Lord? Will you redouble your efforts in this great missionary endeavor? Mrs. Farmer told the story of a large crowd of people who had gathered in Raleigh to hear the Vice-President speak. While they were waiting for his arrival, the people were led in singing America. They seemed very listless until the third stanza was reached. The Vice-President entered. The scene changed. Every one was on his toes, singing lustily. If you could remember that the Master is present at all times, standing beside you planned and worked, would it make any difference in your attitude? Would you ever be willing to do careless work if you realized His eye is upon you always? Would you have a study class or a season of prayer just to get credit? Would you send out improperly prepared reports each quarter, if you realized He was looking on? Let all our work be done "decently and in order" and let all of us be "not slothful in business but fervent in spirit serving the Lord." (Rom. 12:11). Study the lives and work of our great leaders of the past. Our prayer to God should be for strength and courage to do what they have taught us; to utilize the knowledge gained from the study of their experiences "in the light of the counsel and wisdom set forth in God's Word, climaxed in the teachings of Christ, coupled with our sincere desire for God's strength and guidance, this will provide for us a pattern for life in every respect unsurpassed and unchallengeable."

Every unselfish effort put forth in the Master's name will be blessed by God. We cannot fail unless Christ fails, and we know His cause will triumph.

Jesus calls us by Thy mercies
Saviour, may we hear Thy call,
Give our hearts to Thy obedience,
Love and serve Thee best of all.

REPORT OF STEWARDSHIP CHAIRMAN

While many Christians profess to believe in Stewardship they fail to act on their beliefs. Stewardship is one of the ways in which the Christian may express his or her appreciation of "Christ's Love." It is conclusive that the love of Christ brings out the very best in those who love Him and keep His commandments, in giving their time, talents, personality, and money to God and His cause. In His Word He says, "Ye are not your own for ye are bought with a price." I Cor. 6: 19, 20; Therefore one tenth of all our material possessions is the proportion that belongs to God. Lev. 27: 30; Matt. 23: 23; Luke 11: 42. So as Christian women let us realize our responsibility and give our consecrated best to promote real stewardship in Mt. Zion Association, for the Harvest is truly bountiful, and as Reapers are we willing to gather (make) the harvest.

There are several aims to be considered as we look towards another year in Mt. Zion: (1) Intercessory prayer for true stewardship; and the convicting and constraining power of the Spirit on giving our money. Our hearts are changed only by the power of the Spirit. (2) To secure a gift to missions from every resident member of every church in the Association. (3) To enlist more of our young people in definite stewardship work. (4) Promotion of the "Prove-Me-Plan," that is, to put in practice God's plan of tithes and offerings. (5) To observe Stewardship Night with all W. M. S., Auxiliaries, and pastor taking part. (6) To seek to win more of our women to sign up as tithers, especially during the last part of 1947.

REPORT OF THE MISSION STUDY CHAIRMAN

Mission Study emphasis during 1946 has been along the lines of missionary reading and study for all age groups, Missionary Round Table for those women who are ready and willing to do extra and more intensive reading of missionary books, the Associational Mission Study Institute and the Mission Study Class.

We did not meet the Associational standard which required: (1) a Mission Study Class in every W. M. S. in the Association; (2) three churches in which every member of every W. M. U. organization except the Sunbeams had read a missionary book; (3) two missionary round tables organized; (4) and an Associational Mission Study Institute. The First Church, Durham, has reported one Missionary Round Table. A total of 50 was organized in North Carolina during 1946. The 1947 goal is 100. Mt. Zion was numbered with 38 Associations in the state making a perfect reporting record.

We must know the needs of the world if we meet the needs of this, the second century of our W. M. U. work. We must have a vision of the task and our part in it. God calls us into His service and we want to be prepared to bear the Message Glorious. What better way can we prepare ourselves than through reading mission study books and our missionary periodicals? New books are coming to us weekly—you can read about them on the W. M. U. page of the Biblical Recorder and in the Royal Service,

The Window, World Comrades and Ambassador Life, the new magazine for our boys. May I challenge the Mission Study Chairman of the Mt. Zion Association that together we will make an earnest and sincere effort to make available mission study books to every member of our W. M. U. organizations. Almost everybody will read a book if one is placed in their hands. Their hearts will be warmed and interest in God's world, His children and their needs, will be rekindled. Our Home and Foreign Mission Magazines—Home Missions and The Commission bring to us current news about our missionaries and their work on the various fields of service. The printed page is still the best means of getting information across to the public. Circles fostering auxiliaries could visit in the homes of children, get subscriptions for magazines and urge parents to encourage reading.

Each individual is responsible for his own reading; the leader can only place the books and magazines in your hands. Whatever you do, do it for the glory of God.

Number of Mission Study Classes: W. M. S. 92, Y. W. A. 14, G. A. 48, R. A. 25, Sunbeams 31, *Total* 210.

Number Enrolled in Classes: W. M. S. 1,841, Y. W. A. 123, G. A. 486, R. A. 174, Sunbeams 598, *Total* 3,222.

Seals: W. M. S. 121, G. A. 172, R. A. 40, Sunbeams 89, *Total* 422.

Reading Stamps: W. M. S. 18, G. A. 43, Sunbeams 17, *Total* 78.

Continuation Certificates: W. M. S. 46, Y. W. A. 6, G. A. 89, R. A. 50, Sunbeams 89, *Total* 280.

Official Seals: W. M. S. 49, *Total* 49.

MARGARET FUND AND TRAINING SCHOOL REPORT

Dear to the heart of every member of Woman's Missionary Union is our Margaret Fund and Training School. Through the former every member may have a part in helping the M. K.'s (missionary kids). The Burney Fund, one of the many funds contained in the Margaret Fund, is a memorial to Mrs. Frank Burney, who for many years was Margaret Fund chairman. This fund gives W. M. U. an opportunity to send extra gifts to missionary children who are studying in the homeland. Three times a year an equal cash gift is sent to each student. Our Associational gifts to this Fund in 1946 was \$65.50 and was contributed by twenty three societies. One Margaret Fund student is studying in the Association—Robert Lide, at the University of North Carolina.

In view of the urgent call from our Home and Foreign Mission Boards and the equally imperative demand for trained workers in our churches and other denominational agencies and with a whole world "ripe unto harvest," members of our Missionary Societies and especially leaders of our auxiliaries, as well as other Christian leaders, should pray earnestly that the Lord of the harvest will call out volunteers. The W. M. U. Training School offers wonderful opportunity for the training of such volunteers for definite Christian service. One student from Mt. Zion Association trained at the Training School in 1946—Miss Rachel Thompson, of Durham.

Statistical Report: Miles traveled 75, cards sent 52, letters sent 12, Christmas greetings to students 36, graduation greetings to students 11.

Graduation gift on behalf of W. M. U. of Mt. Zion Association to Miss Thompson.

Respectfully submitted,

MRS. D. K. BARNETT, *Chairman.*

Distribution of the Minutes

In 1945 the Association voted to ask the Clerk to write to all of our churches prior to the meeting of the Association requesting them to tell him how many Minutes they wanted. This greatly helps the Clerk, for in this way he knows just the number to send to each church.

It seems to me that our churches do not order nearly as many copies as they might. Each church is asked to think this over and decide if your church should not order enough for every resident family to have a copy. The following table lists the way that the 1947 Minutes have been distributed among our churches.

Alamance	18	West Durham	52
Altamahaw	12	Yates	45
Antioch	21	Ebenezer	14
Bells	24	Efland	8
Berea	25	Ephesus	20
Bethel	14	Glen Raven	15
Brookwood	17	Gorman	25
Calvary	30	Gospel Tabernacle	12

Glencoe	40	Haw River	8
Glen Hope	20	Hillsboro	15
Grove Park	30	West Hill	17
Hocutt Memorial	70	Lowe's Grove	25
South Side	50	Lystra	17
Cane Creek	15	McDuffie Memorial	10
Carrboro	50	Mars Hill	18
Cedar Fork	35	Mebane	52
Chapel Hill	35	Merry Oaks	10
Cross Roads	17	Moore's Chapel	17
Alston Avenue	10	Mount Adar	12
Angier Avenue	75	Mount Carmel	21
Bethesda	50	Mount Gilead	14
Braggtown	35	Mount Hermon	15
Durham Memorial	26	Mount Moriah	21
Edgemont	88	Mount Pisgah	36
Faith	17	Oak Grove	12
First, Durham	100	Olive Branch	15

Immanuel	10	Roberson's Grove	11
Lakewood	36	Rose of Sharon	11
Temple	75	Sweatsonville	65
Watts Street	88	Tabernacle	17

About 2,400 copies were requested, and 2,500 were printed, as some must be kept in reserve, and various agencies must have copies for historical purposes.

Historical Sketches of Mt. Zion Churches

Brief histories of Mt. Zion churches are recorded in the Minutes of the years as herewith listed. The Associate Historian suggests that every church in the Association have copies of the Associational Minutes bound every ten years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and these bound volumes will grow more valuable with each passing year.

Although our Association has had Historians almost from the date of its organization still the Clerk was not able to find the history of any church recorded in the Minutes until 1921. Just why the sketches of other years were not incorporated in the Minutes is inexplicable.

At the 1874 session of the Association it was decided to elect a Historian annually. The Minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the 'Book of Records of the Association.'" No trace of this book exists. The historical sketches from 1921 are shown in the Minutes as follows:

- 1921 Sketch of the Association
- 1922 Peasant Grove Church (now non-existent)
- 1923 No report recorded

4. The Moderator asked the Rev. B. E. Morris to introduce to the body pastors and other workers who had taken up their residence within our Association during the past twelve months. Mr. Morris very happily presented the following:

T. Paul Deaton, pastor of Hillsboro, First, Carlton S. Prickett, pastor of the Burlington First, W. R. Wagoner, pastor of Mount Carmel, R. H.

Dalehite, pastor of the Faith church, W. Bryant Carr, pastor of Edgemont, Tom M. Freeman, pastor of Hocutt Memorial, J. T. Lennon, pastor of Bells, David Poe, pastor of Bells and Pleasant Hill, E. Weldon Johnson, pastor of Lystra and Mount Gilead, S. E. Elmore, pastor of the Gospel Baptist Tabernacle, E. C. Chamblee, pastor of Grove Park, Miss Mary Johnson, organist at the West Durham church, and the Rev. Oren Bradley, Superintendent of Baptist City Missions, Durham. Also presented were the Rev. S. L. Morgan, formerly pastor of the Burlington First church, and the Rev. W. K. McGhee, a former pastor of the Hocutt Memorial church, now chaplain of the Baptist Hospital.

5. Dr. I. G. Greer, of Chapel Hill, and whom the Association is ever glad to have come to us, spoke on, "Evils of Alcohol." B. E. Morris moved that a committee be appointed by the Moderator to draw up a document to petition the Governor-nominate, W. Kerr Scott, of North Carolina, requesting that he use his influence and power with the incoming legislature to induce that body to submit to the voters of this state a referendum on the sale of liquors in North Carolina. This motion, being duly seconded, was carried unanimously and heartily. Mr. Royal appointed the following to comprise that committee: J. Winston Pearce, B. E. Morris, and Try E. Jones.

6. Dr. McGhee spoke informingly, convincingly and feelingly on the Baptist Hospital in Winston-Salem.

7. H. G. Hammett announced that Mrs. Beulah Gates, Durham, had been appointed chairman of a committee for this Association on the Old Clothes Drive for the suffering people of Europe stated that 10,000 pounds had been allotted to us.

8. The appointees for the sermon were Revs. John H. Knight and Walter V. Brown. The later read the Scriptures and led in prayer, while the former preached a fine, Biblical sermon from, "He that hath the Son of God hath life," "I John 5:12."

The Association recessed for dinner.

Tuesday Afternoon Session

9. At 2:00 o'clock a period of singing was led by John H. Knight, with Miss Mary Johnson at the organ.

10. Devotions from II Cor. 4:1-6 were led by C. E. Byrd.

11. Mr. R. M. Hauss, representing the Allied Church League, succeeding Mr. L. A. Martin, made a most helpful presentation of that most important agency of the churches of North Carolina.

12. Mrs. George N. Harward, Superintendent of the associational W. M. U. presented Mrs. J. Winston Pearce, who spoke most inspiringly, as she always does on any subject that she may be induced to speak on, on Missions. Mrs. Harward's report is included in the section of these Minutes devoted to the Woman's Convention of the Association.

13. Under "Miscellaneous Business," the Moderator recognized J. Winston Pearce, who, on behalf of thirty-four churches, members of this Association, requested that letters of dismission be granted them that they might form a new association in the area of Durham. After naming these churches Mr. Pearce moved that these letters of dismission be granted. L. H. Hollingsworth, of Mebane, whose church will remain in the Mount Zion, seconded the motion, with the explanation that this withdrawal was not caused by any dissension or dissatisfaction either on their part or that of the other churches, but was done solely for the sake of expediency, in that our present body is too unwieldy, in number of churches, in number of members, being now in excess of 27,000, and in the belief that the two smaller groups would do more efficient work. Mr. Hollingsworth further stated that a number of conferences between representatives of both main parts of the Mount Zion had been, and that all were in agreement on the wisdom of this action, and that entire harmony prevailed among all concerned. The motion was carried without dissent.

The churches dismissed by their own request are: Bells, Berea, Cedar Fork, Alston Avenue, Angier Avenue, Bethesda, Braggtown, Cheek Heights, Durham Memorial, Edgemont, Faith, First of Durham, Grace, Guess Road, Holloway Street, Immanuel, Lakewood, Temple, Watts Street, West Durham, Yates, Ebenezer, Ephesus, Gorman, Lowe's Grove, Lystra, Mount Gilead, Mount Hermon, Mount Moriah, Mount Pisgah, Olive Branch, Pleasant Hill, Red Mountain and Rose of Sharon.

C. H. Henderson offered the following resolution, which was approved by unanimous vote: Resolved, The Clerk-elect, Tom M. Freeman, be requested to write a letter to the several churches that have just been granted letters of dismission, stating that their going out from us was a most congenial and cooperative move and was made for the purpose of better serving the ends of an association.

For the Nominating Committee, B. E. Morris, chairman, reported as follows: Moderator, Rev. Guy S. Cain; Vice-Moderator; Mr. Ramsey Cammack; Clerk, Rev. Tom M. Freeman; Treasurer, Mr. J. A. Webster; Historian, J. F. McDuffie; Associate Historian, Rev. Walter V. Brown; and Members of the Executive Committee: Mr. Cyrus M. Euliss, Mr.

C. W. Oaks, Mrs. George N. Harward, Rev. Luther Nall, Mrs. J. H. Waugh, Jr., Rev. Troy E. Jones, Rev. L. H. Hollingsworth, Rev. C. H. Stanfield, Mr. C. H. Flynt, Rev. C. H. Henderson, Mr. R. Homer Andrews, Rev. Clyde Darnell.

Association Sunday School Superintendent, Rev. E. C. Chamblee.

Association Training Union Director, Rev. Guthrie Colvard.

Respectfully submitted by the committee: B. E. Morris, chairman, Truett Cox, Ben W. Cox, Guthrie Colvard, L. H. Hollingsworth.

On motion of H. B. Anderson the Association voted appreciation to the Mebane church and its pastor for the splendid entertainment and hospitality extended to us today, and hearty congratulations on the splendid achievement in erecting the beautiful and commodious structure only recently completed and which we are delighting in today.

14. Cain moved that the Executive Committee be authorized to appoint a committee on ordination of men seeking to enter the Baptist ministry in the Mount Zion Association, or in a church of this organization. After being seconded the motion was passed.

15. W. B. Carr stated that he recently had the privilege of visiting the Rev. J. F. McDuffie, long an honored pastor and worker in this Association, but for some time has been confined in a hospital, and found him cheerful and getting along nicely. That was good news to the body.

16. Secretary M. A. Huggins, closed the day's program, with a great address on the State Convention program. As always, it was a joy to the Mount Zion Association, to listen to our great Secretary.

17. W. Bryant Carr led in the closing prayer for the day, and adjournment was made at 4:15 to meet tomorrow with the Mount Hermon church.

SECOND DAY, WEDNESDAY, OCTOBER 13, 1948 MOUNT HERMON BAPTIST CHURCH, ORANGE COUNTY

Morning Session

18. At 10:00 o'clock a period of music and devotions was in charge of Tom M. Freeman, which was quite a helpful session.

19. The following committees were announced by the Moderator: Place and Preacher: Troy E. Jones, C. H. Stanfield, Wayne Rogers.

Order of Business for the 1949 session: Guthrie Colvard, W. M. Williams, L. H. Hollingsworth, T. Paul Deaton, Ramsay Cammack.

Christian Literature Representative: Ben W. Cox, Swepsonville.

Orphanage Representative, R. Homer Andrews, Burlington.

Hospital Representative, Walter M. Williams, Swepsonville.

20. Dr. Zeno Wall, Superintendent of the Baptist Orphanages in North Carolina, made his first appearance in this capacity before this Association, and he made a characteristically forceful and clear address.

21. Dr. L. L. Carpenter, editor of the *Biblical Recorder*, spoke on that able journal. He stated that the circulation of the *Recorder*, as of yesterday, when he was in the office, was 44,467, a four-fold increase in very recent years.

22. Mr. Jackson Brumitt favored the gathering with a solo, and was accompanied on the piano by Mrs. H. E. Gwynn, of Durham.

23. Secretary of Evangelism, J. C. Canipe, addressed the body on that all-important subject, and his talk was full of the spirit of compassion for the lost and of passionate desire that Christ might be known to every unsaved person in our state.

24. The next period was devoted to "Teaching and Training." Floyd Rhodes, of Durham, is the Superintendent of Associational Training Union Activities, and Mr. C. D. Gattis, of Burlington, is the Superintendent of the Associational Sunday School Work.

Mr. Edgar von Lehu, Minister of Music of the First Church, Burlington, sang most effectively, "The Stranger of Galilee."

Then these two activities were spoken to in one address by the Rev. Dr. Carlton S. Prickett, recently come to Burlington as the pastor of the great First church in that city.

At 12:30 the Association recessed for dinner until 2:00 o'clock, after the benediction and blessing pronounced by Dr. Carlton.

Wednesday Afternoon Session

24. Wallace O. Andrews led a helpful period of devotions, which all appreciated.

25. Business period.

The Associate Historian, Charles C. Smith, stated that as the Mount Hermon church, with which we are meeting today, had observed earlier in this year its centennial, he had prepared a short historical sketch of the church, which he said he would not read at this time, but moved that it be published in the records of this meeting. This motion was carried.

D. J. Booth, presented his report as Treasurer, which was accepted, and it is incorporated in the section devoted to reports of these Minutes.

Troy E. Jones for the Committee on Place and Preacher, reported as follows: Meet with the Cross Roads church the first day, and the second day with the Calvary church, Burlington. The preacher of the sermon Carlton S. Prickett, or W. R. Wagoner, alternate.

The Clerk presented the application of the newly organized Elon Baptist church for membership in this body and, on motion, the application was referred to the Executive Committee which is to report at the 1949 session.

26. A discussion of "The Great Importance of Christian Education," was opened by J. Winston Pearce, who presented a few workers in that field, the first of whom was James W. Ray, Secretary of Baptist Student Work in North Carolina, who spoke enlighteningly on this important phase of Christian education. Mr. Pearce then presented J. C. Herrin, Baptist Student worker at the University of North Carolina. He next presented Klein Park, who occupies a similar position at Duke University. Mr. Pearce closed the discussion with a short, but clarifying talk on the same line.

27. There was an undercurrent of sadness as the closing hour drew near as every one felt a tinge of grief as it was realized that this was the last session of the Mount Zion Association with its present large membership, as thirty-four of our churches were granted letters of dismission to form another association within the boundaries of our present borders. Yet all know that it is to the best interests of both groups that this step be taken, and will make for the larger advancement of the Master's Kingdom.

Appreciation was expressed to Mt. Hermon church for its kind entertainment of the body during today. Words of appreciation were made by the Clerk and the Moderator. After the benediction by W. G. Hall, Supply pastor of Mt. Hermon Church, the Association adjourned sine die.

Reports

HISTORY OF MOUNT HERMON CHURCH

The beginning of a Baptist church in the Mount Hermon community was an event that has made history since June 24, 1848. The church is located about eight miles west of Durham and is the first "daughter" church of the First Baptist church of Durham, then known as the Rose of Sharon church in Wake County. The first pastor, the Rev. Mr. Jesse Howell, was assisted by Elder George W. Purefoy in organizing the church. The body of members unanimously agreed to live together in church covenant and maintain a Doctrine including eight parts. There were nineteen rules of decorum outlined for the membership but a short time later the seventh rule was abolished.

At the first conference which was held on Saturday before the third Sunday in August 1848, Mr. Howell was chosen moderator and Alvis Durham, clerk. After the church covenant and rules of decorum was read, fourteen members were received by letter from Mars Hill church, five from Mount Moriah and eight by baptism.

In June 1849 the church unanimously agreed to attach herself to the Beulah Association and delegates were appointed to attend. The last week in August 1851 the first camp meeting was held and there were thirty-seven who professed faith in Christ. In May 1853 an invitation was accepted from the Rose of Sharon church requesting the Mount Hermon brethren to attend their union meetings. The first account of a resolution of condolence is dated in June 1854 and the clerk was authorized to prepare an obituary notice and send it to the family of the deceased member and to the Editor of the *Biblical Recorder* for publication. In every conference meeting original rules were read and stressed and the peace and fellowship of the church was inquired into. Also during this period of years the Southern railroad was built along by the church and has through the present day, proven a detriment at times, to religious services in the church.

In the year 1870 Mount Hermon was one of the thirteen original churches to organize the Mount Zion Association and has since continued to be an active member. The first delegates to be enrolled from the church were David Strayhorn, Ilia Coply and Henry Pickett.

After serving the church for twenty-six years as pastor, Mr. Howell resigned in November 1874 due to ill health. Its second pastor came in February 1875 in the person of Rev. A. D. Blackwood who served as pastor through 1876 when Rev. J. H. Freeman was called and served through April 1879. It was during this year that the Mount Zion Association met with Mount Hermon. Rev. Jesse Howell was recalled and served for three and half years succeeded by Rev. J. P. Mason. The sixth name which appears on the roster of the Mount Hermon roll of pastors is that of Rev. J. F. McDuffie in February 1889. It was in April of this same year that the women in the church were first called upon to assume responsibility.

In the church conference meeting in February 1891, permission was granted to Ella Stroud to teach school for a few months in the church building. Six years later this same permission was granted to Oscar Craig. After two years the church agreed

and built a school house on the church yard. Its missionary motive was first experienced when in 1899 the church helped a neighbor church to pay off an indebtedness.

Having served Mount Hermon for thirteen years, Rev. Mr. McDuffie was granted a release. He was succeeded by Rev. C. A. Upchurch who served until 1903 when Rev. A. C. Hamby accepted the call and served for three years. His resignation being accepted Rev. J. D. Brewer served for the remaining part of the year.

The second building that stood opposite the present one and destroyed by fire a few years ago, was erected in 1911. Revs. Duncan McLeod, J. S. Thomas and R. P. Ellington successively served as pastors when in 1913 Rev. Mr. McDuffie resumed his work as pastor. The second church building was dedicated to the Lord August 12, 1916.

The fiftieth Session of the Mount Zion Association was held with Mount Hermon October 7-8, 1919. This was the last year Rev. Mr. McDuffie served the church as pastor. Although aged and feeble he resides in a convalescent home in Charlotte. For nine months Rev. W. G. Dorsett served as pastor when in 1920 Rev. Wallace Hartsell became the pastor. In 1921 the first B. Y. P. U. was organized. In this same year the church lost by letter one of its members, A. E. Lynch, who prepared himself for evangelistic singing, later becoming associated with the faculty of Campbell College but now devoting full time to evangelistic singing. In 1922 and 1923 Rev. W. R. Beach and C. T. Plybon served as pastors.

In October 1923 Rev. Charles S. Norville accepted the call as pastor and served until December 1928 when his resignation was accepted. Rev. A. C. Hamby accepted the call January 1929 and plans were made for the erection of a brick building and the foundation was begun. Due to unexpected conditions of that era, work was discontinued leaving only the foundation and sub-floor.

In 1931 the first Daily Vacation Bible school was introduced and directed and the first Woman's Missionary Society was organized. In 1934 a member, Paul G. Hester, was ordained at the request of a neighbor church and has through the present day continued his services as pastor of churches. Rev. Mr. Hamby requested the church in 1934 to accept his resignation due to ill health. Rev. Mr. Norville was recalled and served for seven years. During this period the church building was burned and services were conducted in the Murphy School building. Under his leadership the present building was completed. In February 1941 his resignation was accepted and in April the call was accepted by Rev. Charles F. Hudson. The church was dedicated August 31, 1941 in an all day service. During the ministry of Mr. Hudson, the Unified Budget system was introduced. On March 8, 1946 Mount Hermon lost its pastor by death. A "homecoming" day with recognition of returned veterans and a memorial service for Mr. Hudson was observed on April 21, 1946. Rev. W. G. Hall was the presiding minister for the day later becoming the supply pastor. Rev. W. H. Ritenhouse, Sr. accepted the call September 8, 1946 and served until July 11, 1948. Rev. Elbert Wethington served as supply pastor for five months. The church observed its Centennial Anniversary June 6, 1948 in a Homecoming service.

Rev. W. G. Hall is the present supply pastor. The seventy-ninth annual session of the Mount Zion Association meets with Mount Hermon October 13, 1948.

The church enrollment is 273.

MRS. HERBERT C. HAITHCOCK

REPORT OF THE COMMITTEE ON CHRISTIAN LITERATURE— OCTOBER 13, 1948—MT. ZION ASSOCIATION.

The pastor of the Mills Home Church 18 years ago preached a sermon on "The Throng that stood around the Cross." The sermon divided this throng into three groups: 1. Those who hated Jesus; 2. Those who loved Him and; 3. Those who were indifferent and did not care. The latter was by far the largest group.

It is this group that the church is afflicted with today. They are both in and out of the church. Evangelism has for one of its aims redeeming this group. In this group there are those who have family Bibles but don't read them. They take the *Recorder* but it remains unopened. The sermon on Sunday is listened to but the soil on which the seed falls is beset by thorns that choke it but the seeds never come to fruitage. If Christian literature ever had a mission it is here.

In the catalogue of Christian Literature we would place the Bible first.

"Blessed Bible, Everlasting word, Light of life to light our way
May thy rays divine, over all the nations shine,
Till we reach the perfect day"

It is in this blessed book that we have the formula for curing all family troubles. Never was there a young married couple who on opening their new home, made as their first resolve the daily reading of the Bible and going together to church and Sunday School and kept it up, that ever got on the rocks of separation or landed in a divorce court.

This is a large order but I venture to say if the United Nations will take the precepts of the Holy Bible as their guide and counsel, all differences between nations will disappear. It is a panacea for all disputes when read and followed.

That whatsoever ye would that men do unto you do even so to them.

Then is it not high time for the Church to turn to His Book and lift it up?

Next in the catalogue, do you believe in the Biblical *Recorder* for North Carolina Baptists. It is Biblical in name and in content. May I point to its illuminating editorial, its helpful articles, most stimulation toward Christian growth and fellowship, the news of our brethren and their work, the great page of the Women's work showing how they have kept the faith, last at the cross and first at the sepulchre. Last but not least the Sabbath School lesson full of exposition of scriptures and illumination of truth. Just here may I pause to suggest that we study our Sunday School lesson through the week. The Daily Readings for each day will give strength and sustenance to the faithful and guidance to the erring. A study of the lesson will give the teacher a lift when he knows the class knows what he is trying to teach.

Then following on in the catalogue I would place the Commission of our Foreign Mission Board. What a fund of information this well illustrated magazine gives of the Soldiers of the Cross far out on the firing line. Then the Home Field about our work at home. Then I would name one of our great favorites Charity and Children also Royal Service, World Comrades, Window of Y. W. A. and Home Life.

This illustrious collection of the best reading in the home will buttress and fortify the home against the sacracious, evil and hurtful and illegal literature that is on sale at every street corner in our towns and even has invaded the countryside. It will change the taste of our children to good literature if wisely managed.

Men and brethren of Mt. Zion let us look to the interests of our home life, by increasing the number of READ copies of the Biblical *Recorder* and promoting and subscribing for the sort of literature against which there is no righteous fiat.

Fraternally Submitted,

J. Hampton Rich

REPORT OF VACATION BIBLE SCHOOLS

There were 50 schools held in the Mount Zion Association this year, 48 in churches, and two mission schools held in Durham. This is 15 less than last year. 22 churches did not have schools, some due to polio, some to building programs, and a few to indifference to the work.

Due to late school closing here my work began late. I worked 1½ months, then had to stop because of polio. It seems to me that most schools were outstanding in having a better teaching constituency and better planned work than in several years. The outlook for another year appears good for the new associations.

Respectfully,

RUBY WILLIAMS

MOUNT ZION BAPTIST TRAINING UNION

With the submission of this report, an era in Training Union work in the Mount Zion Association draws to a close. It is an era that has seen high tides as well as some very low ones, but thanks to God's help and guidance, we have come out of these low periods with greater strength and determination.

It has long been realized by this writer, and leaders and pastors throughout the association, that the association as presently constituted was too large geographically to do really effective work, especially in the smaller rural churches. With the creation of two associations instead of the original one, we can look forward to great and glorious things for our Master in the coming years.

During the year just concluded we held two mass meetings, group meetings two times, two officers' and leaders' councils and three executive committee meetings. A total of approximately 800 persons attended these meetings.

The first mass meeting was held on Sunday, April 4, 1948, at 2:30 o'clock in the First Baptist Church in Burlington. The following were associational winners in the various departmental tournaments:

Hymn Festival—West Durham Baptist Sextette, Bethesda Junior Choir and Brookwood Baptist Sextette.

Adult Scripture Reading—Mr. Fowler.

Young Peoples Better Speakers—Marvin Norman.

Intermediate Sword Drill—A. E. Martin, Jr.

Junior Memory Work—Larry Williams and Norma Jean Green.

These winners represented our association in the regional convention held in the First Baptist Church in Henderson, April 16 and 17.

The concluding mass meeting of the year was held Sunday afternoon, September 26, 1948 at 2:30 o'clock in Swepsonville Baptist Church. The officers and leaders council was conducted in conjunction with the meeting and the various conferences were led by the department leaders and their assistants. There were 21 churches represented with a total of 284 persons present. There were twelve pastors and eleven general directors in this group. Harvey T. Gibson, State Training Union Director, was present and led the general officers conference.

Mr. Gibson also led a study of the Associational Training Union Manual at the spring meeting of the executive committee.

Some over 650 letters and cards were sent during the year and the director attended all of the meetings except the April 4 mass meeting and some of the group meetings.

In conclusion this writer wishes to express his sincere gratitude and appreciation for the splendid cooperation and support given him during his four year tenure of office. It has been a period of happy work and growth, and an experience with which he would not part for any price.

FLOYD RHODES, JR.

Associational Training Union Director.

Notes

In this Commemoration Year it is well to look back to the achievements of past years. In this connection special recognition was given Mrs. C. L. Haywood of Durham, the first Superintendent of Mt. Zion W. M. U. Mrs. Haywood was presented a lovely corsage. Others who have labored in W. M. U. for fifty years or more were recognized.

The Jr. R. A. and G. A. Camps were held for the second consecutive summer at Crabtree Creek Park, in August 1947. They were held for one week each instead of three days as the previous year. 74 G. A. girls attended the Girls Camp. There were 18 on the staff. 55 boys attended the R. A. Camp with 20 in the staff. A. Y. W. A. Week-end Retreat was held for the first time with 19 girls in attendance.

A recommendation was made that if the Mt. Zion Association be divided in October as planned that the W. M. U. remain as a unit until December 31, 1948. This was accepted.

An invitation was extended by the Mt. Adar Church for the W. M. U. to meet in 1949.

Glancing back over the past year, we recognize God's leadership through all our difficulties, we see His guidance in all our plans, and His power in all our accomplishments. Mt. Zion, with more churches and more money given to all causes than any other Association in the state, is a great Association, within which are found many talented and capable leaders. God is calling these, as well as all His children, to be *in* the world but not *of* the world; to more consecrated living; to a dedication of

talents and energies to the spread of the gospel to the uttermost parts of the earth. Our task—(to be filled with the spirit of Jesus, to go to the uttermost and tell the story,—to conquer for Him, to get men right with God)—is not an easy task, yet we know that He who said “Go ye” has also said “Lo, I am with thee” and success will be ours if we put our trust in Him. We cannot fail unless He fails, and we know He cannot fail.

In thinking of our accomplishments we are tempted to expand our chests and pat ourselves on the back, would it not be better for us to hang our heads in shame because we have done so little? because our vision was so small? Examination of the records show that in 1944 we spent fifteen billion for crime and only five billion for education. We spent one billion, nine hundred and fifteen million dollars on our churches, and fourteen billion, forty million dollars in movies, sports and gambling. We gave to Foreign Missions \$21,541,000, while we spent \$2,970,000,000 for cigarettes. Until these figures are changed; until Christians “become fully and completely convinced that without Christ this word is lost”; and realize that God expects His followers to have a definite part in the evangelization of the world, our accomplishments will not be great. Dr. M. T. Rankin says, “We have done little because we have unconsciously put the task of world missions in a small place in our interests and thinking. We must take it out of this low bracket and put it up at the top of the important affairs of life.” God expects us to “seek first the kingdom of God and His righteousness.” As we begin the work of a new year, our Commemoration Year, may each member of our Association pledge her whole-hearted support to God and His program.

Respectfully submitted,

MRS. GEORGE N. HARWARD, *Superintendent*

1947 REPORT OF MARGARET FUND AND TRAINING SCHOOL CHAIRMAN

Surely it is a joyful task that is ours in helping to finance the education of the sons and daughters of our missionaries. We are having a part this year in the training of 13 of these Margaret Fund students. One of these 13 is in school in our own association—Nina Lide who is studying Sociology at the University in Chapel Hill. Through the Burney Fund the W. M. U. has an opportunity to send love gifts of \$15 three times a year to each of these Margaret Fund students. In 1947 there were thirteen societies in our association having a part in the Burney gifts which amounted to only \$36.50.

Woman's Missionary Union also finds great joy in supporting from year to year its Missionary Training School. To maintain the missionary program throughout the world, we must have well trained leadership at home and abroad, zealous for missions and informed in promoting its program.

While woman's missionary union owns and operates the Training School in Louisville, full cooperation is given to New Orleans Seminary and Southwestern Seminary in their training of young women for Christian service. Our State W. M. U. now has available one \$200 loan for a student in each of these two schools. There are 30 girls from North Carolina in the three Training Schools. Twenty of these are at Louisville, seven at Southwestern and three at New Orleans. Two students at Southwestern are from our Association—Miss Annie Pearl Hughes, Burlington and Miss Melba Long, Durham. Two of the three North Carolina students at New Orleans are from our Association—Misses Louise Crawford and Flora Lloyd from Hillsboro.

So Mt. Zion Association is helping to meet the need for Christian World Leadership through her Training School students and graduates. The women and young people of our association should keep close in their hearts and in their prayers the North Carolina students who are in definite training for Christian conquest.

CONTINUED HISTORY OF MOUNT ZION W. M. U.

As our Southwide W. M. U. is this year taking the backward look by observing Commemoration Year, so we of the Mt. Zion Association W. M. U. review the progress of our work during the last half decade.

In 1943 we held our Annual Meeting with the First Church, Mebane, with the Superintendent, Mrs. J. T. Craig, presiding. Our visiting speakers were Mrs. J. S. Farmer of Raleigh, State President, and Mrs. D. F. Stamps, Missionary to China. Mrs. Stamps spoke on the theme; "Making Christ Preeminent Through Our Youth."

Splendid reports were given on all phases of the work, especially attendance at Camps and House Parties by our young people. Y. W. A.'s at Ridgecrest, 7; G. A.'s at Meredith House Party, 49; R. A.'s at Conclave, 18; R. A.'s at camp in Raleigh, 7.

Mrs. George N. Harward was elected to succeed Mrs. Craig as superintendent. Mrs. Harward had served as Leader of Group No. 2 for ten years prior to her election as superintendent. Associated with Mrs. Harward were the following officers; Mrs. D. K. Barnett, Asso. Supt.; Mrs. Wingate Jones, Young People's Leader; Mrs. Almond Baker, Mission Study Chairman; Mrs. F. D. Hemphill, Community Missions; and Mrs. Clarence T. Poe, Sr., Stewardship.

We accepted an invitation to the First Church of Burlington, for our next meeting.

1944

In 1944 we assembled at the first Church of Burlington for our meeting. There were thirty-four churches represented, and a registration of one hundred and sixty-five, including nine pastors. The new superintendent, Mrs. George N. Harward, presided, and the usual reports were given.

Our guests speakers were, Mrs. J. Clyde Turner, of Greensboro, and Dr. A. S. Gillespie of China. Mrs. Almond Baker brought an interesting Mission Study report.

Other committees reporting were Mrs. Wingate Jones for the Young People, Mrs. F. D. Hemphill, Community Missions, Mrs. Clarence T. Poe, Stewardship. All reports showed progress. Mrs. Harward reported gifts to all objects were \$30,600.00, a good increase from previous years. The report for 1942 being \$21,582.00.

Group Leaders at this time were: Mrs. C. L. Haywood; Mrs. E. T. Dollar; Mrs. J. G. Goodwin; Mrs. E. E. Chapman; Mrs. Chas. Jollay and Mrs. E. B. Britt.

The Time and Place Committee suggested Bethesda as our meeting place for 1945 with West Durham as alternate. This was accepted.

1945

The 1945 Annual Session of W. M. U. was held in the West Durham Church. Due to the lack of transportation because of war restrictions it was changed from the Bethesda Church. Mrs. George N. Harward, the superintendent, presided. Mrs. Owen F. Herring, wife of the pastor of the Watts St. Church, brought the devotional message of the morning. Again our beloved State President, Mrs. J. S. Farmer of Raleigh, was with us. She gave a most inspiring address and helped with our deliberations during the day.

Mrs. L. E. Blackman of Hawaii thrilled the audience with her first hand information of our newest mission field and her work there.

The superintendent reported a gain of three thousand dollars over the previous year, a gain of eleven junior organizations and two missionary societies. We are beginning to recognize the splendid work of our superintendent, and the attendant results of her tireless efforts. The Stewardship report by Mrs. Clarence T. Poe was outstanding. Stewardship classes, four; Observing Stewardship Night, ten; New tithers, one hundred and seventy.

Mrs. Wingate Jones, Young Peoples Leader, reported a Y. W. A. banquet at Carrboro at which time Miss Charlotte Green of Africa and Meredith College, and Miss Katheryn Abee, Young People's Secretary, were guest speakers.

Changes in office at this time were, Associate superintendent, Mrs. Wingate Jones; Young People's Leader, Miss Lulu Mae Teague; Margaret Fund and Training School, Mrs. D. K. Barnett; Mission Study Chairman, Mrs. E. D. Rowe and Community Missions, Mrs. E. B. Britt. Also some new Group Leaders.

We adjourned to meet with the Chapel Hill Church in 1946.

1946

We assembled at the Chapel Hill Church for our 1946 Annual Meeting. Miss Florence Lide of South Carolina and China was our guest speaker, and we were again favored with the presence of our State President, Mrs. Farmer.

Our Divisional Superintendent, Mrs. H. G. Hammett, was present and conducted an open forum which was quite helpful.

A decided increase in gifts was reported by our superintendent. The total gifts being \$40,333.40, almost doubling the gifts of 1942.

Miss Lula Mae Teague, Young People's Leader, brought splendid reports from our Auxiliaries. Mrs. E. B. Britt brought the report on Community Missions, stressing especially gifts to Shaw University. Plans were made for a Camp at Crabtree Creek Park for Junior G. A. and R. A.'s. Mrs. Lelia Giddins of Durham was appointed to work out these plans. Mrs. Bessie H. Hilliard succeeds Mrs. E. D. Rowe as Mission Study Chairman, and Mrs. J. H. Waugh, Jr. succeeds Mrs. E. B. Britt as Com-

munity Missions Chairman. Mrs. Charles Smith of Carrboro, was elected Young People's Leader.

Group meetings that had been discontinued during the war years, were held again this year. The Group Leaders for the year were, Mrs. W. V. Byers; Mrs. Eustace Markham; Mrs. C. W. Sharpe; Mrs. E. E. Chapman; Mrs. L. L. Gardner and Mrs. Jodie H. Shipp.

There were one hundred and eighty delegates and visitors present, representing thirty churches and thirty-one auxiliaries. Four pastors were present.

An invitation from Temple W. M. U. was accepted for our next meeting place.

1947

There were three hundred and fifty registered delegates, representing forty-four churches and seventy-five auxiliaries at the 1947 Annual Meeting held at Temple Church.

The superintendent, Mrs. Harward, presided, and presented as guest speaker Miss Vivian Nowell of Wendell and Africa. Mrs. W. D. Briggs of Raleigh, was our State Representative. Lunch was provided by Group No. 1, Mrs. W. V. Byers, Leader.

The superintendent's report showed a total number of organizations two hundred and three, with a gain of eighteen new organizations during the year. Total gifts to all causes was \$55,805.66.

The report of the Camp held the previous summer for Jr. G. A.'s and R. A.'s at Crabtree Creek Park was two and one-half days for boys and two and one-half days for girls. Ninety-six girls and eighty-eight boys were registered. There were twenty on the staff. Mrs. Lelia Giddins was Camp Manager, Mrs. George N. Harward, Director, and Mrs. C. H. Walton, registrar.

Mrs. Clarence T. Poe brought an interesting report on Stewardship. She illustrated the Word of God as a garden showing God's ownership and man's stewardship. Mrs. Harward reported on the Young People's work, Mrs. Charles Smith, the Young People's Leader, having resigned before the close of the term. Mrs. W. H. Rittenhouse, of Hillsboro, was elected to succeed Mrs. Smith.

An unusually good report on Mission Study was given by Mrs. Bessie H. Hilliard.

The last half decade has been one of progress along all lines and we of Mt. Zion W. M. U. are grateful for the outstanding leadership that has been ours and we confidently look forward to better things as we labor together with God.

RESOLUTIONS OF APPRECIATION

We, the women of Mt. Zion Association W. M. U. in its forty-second annual session wish to express our appreciation and gratitude to the Carrboro Baptist Church, to Mrs. H. C. Rigsbee, president of Carrboro W. M. S., to Mrs. Eustace Markham, leader of Group No. 2, and to their committees for their gracious hospitality.

To our guest speakers, Miss Ruth Provence of Raleigh, and Miss Pearl Todd of China we say "Thank You" for such inspiring and informative messages. To each one who any part on the program may we say "Thank You" for a well planned program.

To our beloved and most capable superintendent, Mrs. Harward, and other officers who have rendered invaluable service throughout the year we express our deep appreciation. To the soloists for their lovely music and for all others who have had

a part in making our meeting enjoyable we are grateful. To the ladies of Group No. 2 who prepared and served such a delicious lunch we say "Thank You."

ANNUAL REPORT OF MISSION STUDY CHAIRMAN MT. ZION ASSOCIATION

The Mission Study program of Woman's Missionary Union of Mt. Zion Association made noticeable progress during 1947. Marked increases in classes, enrollment in classes and completion of study. The attendance at the Mission Study Institute held at Temple Church, Durham, October 1, 1947 with 92 registered representing 25 churches proved that interest in Mission Study is growing. Institutes are held to teach teachers how to teach.

New recommendations concerning Mission Study are: that teaching time of not less than three hours be provided for a W. M. S. class; that the Mission Study Chairman in local societies work with the W. M. U. Young People's Directors and Counselors in planning classes for all W. M. U. organizations; that the local W. M. S. be asked to provide Mission Study text and other Missionary books for their Young People's organizations as an important part of their fostering; that wherever possible separate classes be arranged for Y. W. A.'s. Special emphasis this year has been increased and improved Mission Study Classes and Missionary Reading among our Young People's organizations. The marvel of the Twentieth century is that we became one neighborhood but the tragedy is we became a neighborhood before we knew how to live as neighbors. Missionary education is the best method of acquainting the youth in our midst with the nations of the world. The greatest story in 1948 will be a personal one; what have you done to make it a great year?

For increased missionary reading W. M. U. provides a plan for circulating books known as the Missionary Round Table. This plan gives an opportunity for wider reading on peoples and countries of the world and the political, economic, social and religious conditions that are significant to missions. Is there a better way to learn how to be good neighbors than acquainting ourselves with the customs of our fellowman both red and yellow, black and white, all are equal in His precious sight.

Historical Sketches of Mt. Zion Churches

Brief histories of Mt. Zion churches are recorded in the Minutes of the years as herewith listed. The Associate Historian suggests that every church in the Association have copies of the Associational Minutes bound every ten years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and these bound volumes will grow more valuable with each passing year.

Although our Association has had Historians almost from the date of its organization still the Clerk was not able to find the history of any church recorded in the Minutes until 1921. Just why the sketches of other years were not incorporated in the Minutes is inexplicable.

At the 1874 session of the Association it was decided to elect a Historian annually. The Minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the 'Book of Records of the Association.'" No trace of this book exists. The historical sketches from 1921 are shown in the Minutes as follows:

- 1921 Sketch of the Association
- 1922 Peasant Grove Church (now non-existent)

4. The Moderator asked Rev. Walter V. Brown, of Haw River, to introduce the new pastors and other Church Workers who have moved to our Association during the past year. Mr. Brown presented the following:

Rev. Bennett Walker, newly ordained pastor of Deep Creek Church; Rev. H. D. Booth, new pastor of West Hill Church; Rev. Dr. Samuel Tilden Habel, Jr., new pastor of Chapel Hill Church; Miss Janie Kemp, Minister of Music and Education at First Church, Mebane; Rev. W. Bryant Carr, visiting from the Yates Association.

5. The Moderator named two committees: the Nominating Committee, composed of Rev. Ben W. Cox, Rev. W. V. Brown, and Mr. C. L. Shoffner; and the Committee on Time, Place and Preacher for the next meeting, composed of Mr. J. W. Engle, Mrs. W. M. Williams, and Rev. J. M. Wright.

6. The Clerk was recognized, and he presented a digest of the Church Letters, which was mimeographed and passed out among the messengers. He reported substantial gains and an optimistic outlook for the churches.

7. Rev. Don Young, Chaplain of the Baptist Hospital in Winston-Salem, was recognized, and he spoke informingly and convincingly of the work of our great institution there. With only 260 beds in the Hospital, he declared that the Out-Patient department is doing the greatest work, treating some 34,000 persons annually. We have a Medical School and Nurse's Training in addition to the hospital, and a full staff of religious workers, headed by Dr. W. K. McGee. He explained that every cent contributed on Mother's Day for the Hospital is used to help needy sick people.

8. Two Churches in the Association were granted letters of dismission, by vote of the Association, to join the Yates Association, our neighbor in Durham County. They were Olive Chapel and Roberson's Grove.

9. Rev. Colvard led the Association in singing, "Must Jesus Bear the Cross Alone?"

10. Dr. M. A. Huggins, General Secretary of the Baptist State Convention, spoke on the State Convention Program. He related the story of tremendous growth during the past five years. After saying that we have about four million people in North Carolina, he said that they may be classified thus: one in five is too young to be a Church Member, two of the remaining four belong to no church, one of the two remaining is a member of a Baptist Church and one a member of some other Church. Thus, he said, we, as Baptists, are directly responsible for 800,000 lost persons. He explained the Cooperative Program, our system of financing our Missionary endeavors.

11. The pastor of the host church, Rev. J. M. Wright, brought a message of welcome and gave some instructions to the messengers concerning the facilities of the Church.

12. Rev. Colvard led the singing of "A Charge to Keep I Have."

13. Rev. W. R. Wagoner, of Mount Carmel, read the Scripture Lesson, Luke 2:40-52.

14. A quartette, composed of four pastors, Guthrie Colvard, Troy Jones, James M. Horne, Jr., and Tom M. Freeman, sang "Take Time to be Holy."

15. The Annual Sermon was delivered by Dr. Carlton S. Prickett, of the First Church, Burlington, using as his subject, "My Father's Business."

He said that The Father's Business was revealed in Divine knowledge, Re-inforced by Divine Necessity, Presided over by Divine Fatherhood, and Entrusted to a Divine Institution, the Church.

The Association adjourned for lunch, after prayer by Dr. Prickett.

Tuesday Afternoon Session

16. At two o'clock in the afternoon the Moderator called the Association together, and Rev. Colvard led in singing "We're Marching to Zion" and "Jesus Saves."

17. Rev. James M. Horne, Jr., pastor at Elon, read the 19th Psalm and led in prayer.

18. The Clerk was recognized, and reported a registration of 247. He urged all who had not registered to do so at once. The final total for the day was 271 registered.

19. Since Dr. W. Perry Crouch, of Asheville, had not arrived, the Moderator recognized, Rev. Guthrie Colvard, of Brookwood, who presented a report on the work of the Allied Church League for the Abolition of Beverage Alcohol. After discussion of the movement to outlaw Beer and Wine in Alamance County, the Association voted unanimously to make the Allied Church League report a part of the day's proceedings.

20. In the continued absence of Dr. Crouch, the report of the Committee on Associational Missionary, appointed at the special session in Mebane last December, was heard. Rev. Troy E. Jones, of Carrboro, presented the report, and a motion to adopt it was made and seconded. Mr. Jones then presented Rev. G. W. Bullard, Superintendent of Associational Missions in North Carolina, who discussed in a clear and convincing way the work of Associational Missions, which is being carried on in over 50 of the 72 Associations of our State. The report was adopted by a unanimous vote, though a few messengers abstained.

A motion was then passed empowering the Executive Committee of the Association to name the Committee on Associational Missions, which shall be representative of the entire Association, with no two members from any one church.

21. Rev. Ben W. Cox, Chairman, presented the report of the Committee on Nominations, which was adopted after one addition, as follows:

Moderator, Rev. Guy S. Cain, Graham; Vice-Moderator, Rev. Troy E. Jones, Carrboro; Clerk, Miss Janie Kemp, Mebane; Treasurer, Mr. Jerry A. Webster, Swepsonville; Historian, Mr. R. H. Hutchinson; Hospital Representative, Mr. Walter M. Williams, Swepsonville.

The Executive Committee, in addition to the Moderator, Vice-Moderator and Clerk, will have twelve representatives, as follows:

Mr. C. M. Euliss, Mr. C. W. Oakes, Mrs. Geo. N. Harward, Mr. R. Homer Andrews, Rev. J. H. Waugh, Jr., Rev. Ralph A. Wilson, Rev. L. H. Hollingsworth, Rev. C. H. Stanfield, Rev. E. C. Chamblee, Mrs. Z. C. Cox, Mr. Vernon Sparrow, Mr. Allen Walker.

22. The Association gave a rising vote of thanks to the Cross Roads Church for the fine way in which they had provided for our needs during the meeting, and for the sumptuous dinner.

23. Special music, a vocal solo, "The Holy City," was sung by a young lady from Hillsboro First Church.

24. Dr. W. Perry Crouch, of the First Church, Asheville, spoke on the "Challenge of Christian Education," stressing the following points: First, we need Christian Leaders in our Churches and in public life, and the state schools are not producing them. Second, We cannot hope to get them except from our Christian Colleges, and Third, we have a great challenge today to strengthen and enlarge our Baptist Colleges.

Rev. Garland A. Hendricks, of Olive Chapel, led the closing prayer, and the Association adjourned until tonight at 7:30 in the First Church, Burlington.

Tuesday Night Session

FIRST BAPTIST CHURCH, BURLINGTON

25. The evening session was opened with the singing of "Holy, Holy, Holy," and "Jesus Shall Reign," led by Rev. Guthrie Colvard. A Girls' Trio from the Brookwood Church sang, "Seal Us, O Holy Spirit."

26. Dr. Samuel Tilden Habel, Jr., Chapel Hill, led the devotions, leading the people in reading responsively a passage of Scripture, followed by prayer. Mr. Colvard led in singing, "Love Divine, All Loves Excelling."

27. A quartette of pastors sang "My Jesus, I Love Thee."

28. Rev. E. C. Chamblee, Grove Park, presented the report on Sunday School work, noting substantial gains in every department.

29. Rev. Guthrie Colvard, Brookwood, presented the report on Baptist Training Union, which also made gains during the year.

30. Miss Doris Terrell, First Church, Burlington, sang a solo, "How Beautiful Upon the Mountains."

31. The Moderator presented Rev. J. Boyce Brooks, pastor of the First Church, Roxboro, who spoke to the Association, using as his text, "How often would I have gathered thy children . . . and ye would not." He deplored the idea among some folk that God can and will do his work of gathering the people together into churches without the help of His people. He urged that we recognize the vital importance of the Sunday School and Training Union work and pray and think and work at the task of gathering in the multitudes who need such ministry.

Mr. Brooks led the closing prayer, and the meeting was adjourned. The attendance was a disappointing 88.

SECOND DAY, WEDNESDAY, OCTOBER 12, 1949

CALVARY BAPTIST CHURCH, BURLINGTON

Morning Session

32. At 10:00 o'clock a period of praise was led by Rev. Guthrie Colvard, with Mrs. Colvard and Rev. J. H. Waugh, Jr., at two pianos. The Association sang "Lead on O King Eternal" and "I am Thine, O Lord."

33. Rev. J. M. Wright, Alamance, read Romans 8:1-10, and led in prayer.

34. The Moderator recognized Rev. B. E. Morris, Durham, who made a brief report on the Campaign to move Wake Forest College to Winston-Salem. He reported that 875 churches have underwritten \$1,662,000, and that 20 churches in the Mount Zion Association have underwritten \$59,470. He invited us to attend the Yates Association, meeting with the Ephesus and West Durham churches, Oct. 25 and 26.

35. Dr. I. G. Greer not being able to attend, the Moderator recognized Mrs. J. O. Bailey, of Chapel Hill, who presented the report on the Baptist Orphanage. She related her experiences as a child reared in the Orphanage, 1913-21, her graduation from Meredith College and experiences as a public school and Sunday School teacher. The Association was thrilled and inspired by her personal testimony and tribute to the Orphanage.

36. The Moderator recognized Dr. L. L. Carpenter, Editor of our State Baptist Paper, the *Biblical Recorder*, who spoke on "The Biblical Recorder and Baptist Publications." He made an able presentation of

the value of our Baptist publications and the need of placing them in the homes of our people.

37. Mr. Colvard led in singing, "The Church's One Foundation."

"The Hymn Singers," a trio of young women from Glen Hope Church, sang "The Light of the World Is Jesus" in an effective and inspiring way.

38. In the absence of Mrs. Geo. N. Harward, the Moderator recognized Mrs. T. Paul Deaton, of Hillsboro, who introduced Mrs. Gordon Maddry. Mrs. Maddry spoke on the Woman's Missionary Union work, using as her subject, "Committed Unto Us—the Kingdom Enterprise."

39. The Moderator recognized Rev. Luther A. Nall, pastor of the host church, who welcomed the Association and gave instructions concerning the facilities of the church.

40. Miss La Monna Gattis, of Hocutt Memorial, sang a solo, "How Beautiful Upon the Mountains," accompanied by Mrs. H. N. Truitt.

41. Rev. H. B. Anderson, of Grace Church, Durham, gave the address on evangelism, using Matthew 9:37 and John 4:35 as texts. He told of a Missionary who said, "The American People spend more on dog food than they give for world missions." Can it be that they think more of their dogs than they do of the souls of lost people? He said that the text, "The fields are white already unto the harvest," could be interpreted, "The fields are rotten-ripe," and if we are to save the harvest we must bestir ourselves to save it now. He laid on the hearts of the people the urgency of soul-winning. For 103 years Southern Baptists have averaged winning one convert for every 22 members of the churches. He said that we must do better than that.

Mr. Anderson led the closing prayer and offered thanks for the noon-day meal, which was spread on the tables outside.

Wednesday Afternoon Session

42. At 2:00 o'clock the Association re-convened, and Mr. Colvard led in singing, "My Hope Is Built on Christ" and "At the Cross."

43. Rev. Ralph A. Wilson conducted devotions, leading in a responsive reading of a passage of scripture and offering prayer.

44. The Moderator recognized Rev. L. H. Hollingsworth, who spoke in behalf of State Missions. He reminded us that our goal of \$4,000 for this cause is considerably less than the State Mission money which will be placed in our Associational work during the year. He urged every church to make a generous offering for this cause on October 23rd.

45. The Historian, Rev. Walter V. Brown, presented his report, which was the history of the Cross Roads Baptist Church.

A motion was made and carried to dedicate the 1949 Minutes to the memory of the late Rev. J. F. McDuffie, who passed away during the year. The motion was adopted.

46. The Treasurer, Mr. J. A. Webster, of Swepsonville, presented his annual report, which was adopted.

47. The nominating committee presented the remainder of their report, which was adopted, as follows: Orphanage representative, Edwin S. Lanier; Sunday School Superintendent, Rev. E. C. Chamblee; Training Union Director, Rev. Guthrie Colvard; Committee on Order of Business for 1950, Samuel Tilden Habel, Chairman, Guthrie Colvard, Walter M. Williams, James M. Horne, Jr., C. H. Henderson.

48. The Committee on Ordinations was continued another year, by vote of the Association. Upon motion by Dr. G. B. Cutten, Chapel Hill, the Association voted to permit the inclusion of the report of this committee provided it is approved by the Moderator and Clerk.

49. The Committee on Time, Place and Preacher for the 1950 meeting made their report as follows: Time, Oct. 17 and 18; Place, Southside Church, Burlington and Carrboro Church; Preacher of Annual Sermon, Rev. Tom M. Freeman, Alternate, Rev. L. H. Hollingsworth.

50. The Elon and City Lake Churches were voted into full membership in the Association, upon recommendation of the Executive Committee. Since the credentials of the Gospel Tabernacle Church are in the Clerk's hands, the Executive Committee was given power to act on their application to join the Association. This Church has been an affiliate member for two years.

51. By a standing vote, the Association expressed appreciation to the Calvary Church for the hospitality of the day.

Also by a standing vote, the Association expressed appreciation to the officers who have led us during the first year after the withdrawal of the Durham Churches to form a new Association.

52. Dr. R. K. Redwine brought the closing message of the session on the subject, "Stewardship Undergirding All Our Work." He brought a forceful and inspiring message. He stated that we must have in our churches a program of evangelism that emphasizes regeneration, an adequate program of Christian Education, and an adequate program of worthy work. All the program must be undergirded by a stewardship that goes beyond money.

53. Mr. Colvard led in singing "I Love Thy Kingdom, Lord," and the Association was adjourned after prayer by Dr. Geo. B. Cutten.

History of Cross Roads Baptist Church

Cross Roads Baptist Church, located about five miles south of the town of Hillsboro in Orange County, stands today a landmark in our Baptist faith and spirit. It is a typical rural church organization, serving her master faithfully in a sparsely settled community. During the years of her existence she has clung to the "faith of the fathers" in the fundamental doctrines of Baptist faith and polity.

Due to loss of Church Records by fire in the year 1937, it is most difficult to secure a complete and satisfactory history of the church; however, minutes of early associational meetings reveal the fact that the church was organized and welcomed into the Mount Zion Association of Baptist Churches in the year 1883. In the Associational meeting of that year a petitionary letter was read which contained the information that a church body had been organized with twenty-three members and a Sunday School of forty-eight members. The newly formed church had purchased a tract of land of five acres and had constructed a house of worship, had called the Rev. R. A. Patterson of Gath, N. C., to serve as pastor and had elected Brother W. P. Roberts of Hillsboro as Church Clerk and S. S. Cates, also of Hillsboro, as Superintendent of Sunday School.

Rev. Patterson served the church faithfully until 1886 and the church received into her fellowship additional members under his leadership so that when his successor, the Rev. P. A. Ferguson, accepted the work the total membership was 58 and grew during the following year to 67. No letter was received by the Association for the years 1888-89. But it is presumed that he continued serving until the year 1889 or 1890 when Rev. J. F. McDuffie accepted the pastorate. The church membership then numbered 74. During these years the church was recognized as the Betheden Baptist Church, and continued under that name until the year 1910 when they moved to the present location and in the present building. Under the able leadership of Brother McDuffie a new and better building was constructed and the name changed to Cross Roads Baptist Church. Pastor McDuffie served well and faithfully until 1920 where he resigned the work. His successor, Rev. R. S. Lennon then served the church for a period of three years after which he resigned and Brother McDuffie was again called by the church. He accepted the call to his former work and served again for a period of some two years, resigning in 1925 to be followed by Rev. J. A. Hunnicut who served nearly two years.

Rev. J. R. Cantrell, now pastor at Boiling Springs, then accepted the pastorate and served almost two years, during which time the church

continued to make progress. During his stay as pastor the church had the signal honor of ordaining Rev. W. Bryant Carr, pastor to Edgemont Church in Yates Association, to the full Gospel ministry. This ordination service was conducted in January 1927.

Following the ministry of Brother Cantrell was the faithful and fruitful ministry of Rev. A. C. Hamby who served the congregation from early 1928 till late in the year of 1932. The church then secured the services of Rev. Gerald G. Grubb, faculty member of Wake Forest College, who ministered to them a little more than one year. There followed the resignation of Bro. Grubb a period of about one year in which the church was without the services of a pastor. The Rev. A. K. Cheek then accepted the call of the church and began his ministry to them during the year of 1935 and serving faithfully and successfully until 1943, resigning then to be able to devote a full time service to the First Baptist Church of Hillsboro of which he also was pastor.

Shortly before the resignation of Brother Cheek, a number of members of the Cross Roads Church withdrew fellowship to organize a new work in the vicinity of the church which is today known as the Gospel Tabernacle. The Cross Roads Church was without a pastor for nearly one year before the present pastor, the Rev. J. M. Wright, accepted the call of the congregation.

Under the able leadership of Brother Wright the church has steadily progressed. In the very beginning of his ministry to the church, Bro. Wright concentrated on solidifying the spiritual program of the body, and with much prayer, thought, and effort in that direction the results are most gratifying. The church also responded in a beautiful manner to his urge for a more spacious building and as a result five Sunday School class rooms have been built and equipped. In the building program more than \$8,000.00 have been used to build, renovate and equip the present plant. New hardwood flooring has been placed throughout, new platform furniture bought, a modern heating system installed, lighting system improved, concrete walks poured, and many other improvements mark the successful efforts of the church. A Woman's Missionary Union with accompanying auxiliaries has been organized, the rotating system for deacons begun and a marked interest in the activities of the laity of the church. One of the most encouraging features of the worship service of the church is the interest and effort of the young people of the congregation to whom Pastor Wright has become endeared. In July of this year the church again had the high honor and privilege of ordaining a young man into the ministry, Rev. Caldwell Williams, who at present is studying at Southwestern Baptist Seminary in Fort Worth, Texas. Membership in the Church today numbers 130 with a Sunday School of 112 members.

REV. WALTER V. BROWN.

Historical Sketches of Mt. Zion Churches

Brief histories of Mt. Zion churches are recorded in the Minutes of the years as herewith listed. The Associate Historian suggests that every church in the Association have copies of the Associational Minutes bound every ten years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and these bound volumes will grow more valuable with each passing year.

Although our Association has had Historians almost from the date of its organization still the Clerk was not able to find the history of any church recorded in the Minutes until 1921. Just why the sketches of other years were not incorporated in the Minutes is inexplicable.

At the 1874 session of the Association it was decided to elect a Historian annually. The Minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the 'Book of Records of the Association.'" No trace of this book exists. The historical sketches from 1921 are shown in the Minutes as follows:

Reports

REPORT ON THE ALLIED CHURCH LEAGUE

Realizing the necessity for a more aggressive fight against the organized liquor traffic and for a more adequate program of alcohol education in the State of North Carolina, representatives from thirteen of the leading denominations in the State—Namely: Baptist, Methodist, Presbyterian, A. R. P., Evangelical and Reform, Congregational Christian, Disciples of Christ, Moravians, Quakers, Wesleyan Methodist, Pentecostal Holiness, Pilgram Holiness, and Church of God; assembled in Greensboro on March 25, 1943 and organized The Allied Church League—a church organization that supplanted the United Dry Forces which did not have the official financial support of the denominations as such. This organization was chartered by the State of North Carolina and was to be financed through appropriations from denomination budgets. The League has today become a potent force in the fight for the abolition of beverage alcohol.

Since 1937 the ABC forces have made an intensive effort to increase the Wet territory in North Carolina. Twenty-eight county wide elections have been held, with twenty-five voting against and three voting for ABC stores.

The 1935 Legislature granted the legal sale of beer and wine in each county without a vote of the people. This condition remained until 1947 when the General Assembly reluctantly passed a law permitting counties to vote. Immediately after its adjournment many counties circulated petitions to secure a vote. Since March 1, 1948, 35 counties have abolished the legal sale of both beer and wine. 21 counties now have petitions filed with Board of Elections and 8 of these have dates set. More than half of the counties in the State will be bone dry when these have voted.

In relation to the counties within the bounds of Western North Carolina: 22 counties are totally Dry; 11 counties have elections to be held before the end of the year which leaves only eleven counties not voting within the two year period. Three counties have voted in ABC stores since 1947. One city, Asheville, permits the legal sale of liquor.

Many counties which have outlawed beverage alcohol have set-up definite plans for better law enforcement. Realizing the serious bootleg situation in North Carolina, Governor Scott has authorized the ABC board to try to eliminate the large amount of tax paid liquor shipped into the State from outside distributors. The Allied Church League has pledged its support to such a program and the county units of the organization have set up committees to work with officers for a more effective law enforcement.

Believing education to be one of the most formidable and permanent ways of combating the liquor problem, the League has set up an intensive program on alcohol education:

1. To assist the State Department of Education in promoting the course on Alcohol Education, as required by law, in each high school by planning courses, use of visual aid, and encouraging Allied Youth Posts.
2. To promote courses of instruction in the church school and special training courses for teachers on alcohol studies.
3. To assist in arranging courses on alcohol education in denominational summer assemblies, camps, church colleges, and pastor's schools.
4. To promote community studies of alcohol problems, bringing together various leaders; such as law enforcement officers, solicitors, judges of courts, welfare workers,

ministers, doctors, educators, heads of hospitals, industrial and labor leaders, and representatives of social service agencies to participate in the studies.

5. To educate the general public on the need for clinics and Alcoholics Anonymous clubs for the redemption and rehabilitation of alcoholics as a social responsibility.

6. To distribute up-to-date scientific literature on alcohol and its problems.

A large number of counties have carried through the suggested program in public schools under the leadership of county and city superintendents. A number of the denominations affiliated with the League have worked faithfully at the program of education in the local church and in youth assemblies. The public and church schools have made use of our film service—having shown them more than 500 times during the year.

Temperance Sunday, March 6th, was observed to some degree by practically all denominations affiliated with the League. Although little time was given for announcements and promotion, the day was observed with appropriate programs and most of the churches called upon their people to sign commitment cards for total abstinence.

Our publication, "TO-MORROW," has had a very wide circulation. There have been approximately 10,000 copies going into our church homes each month.

In recent months the general public has been made aware of the large number of alcoholics in America which is the end-product of the liquor traffic, and to the fact that these can be and are being rehabilitated. The church has always believed in the redemption of human personality. The Allied Church League is therefore committed to a program of rehabilitation and redemption.

1. By assisting the Alcoholics Anonymous clubs in their great program and urge the organization of such clubs in each community.

2. By cooperation with all reputable agencies for the medical care of alcoholics. By urging communities to set up clinics for medical treatment.

3. By recommending a more humane treatment of alcoholics who are apprehended by the law.

Through such agitation the General Assembly of 1949 set aside \$300,000 to be used in treatment of alcoholics and mental patients addicted to alcohol.

The Dry Forces of North Carolina are now on the march! Plans are being made to hold beer and wine elections in every county in the state as soon as petitions can be circulated and circumstances will allow. It is our hope that not a single county will have beer and wine by the end of 1950. During the past twelve years, the League has confined itself to a defensive program in regard to ABC stores. Beginning the first of the year we plan to carry the fight into the enemy's territory. We are looking forward to calling elections in a large number of eastern counties which now have liquor stores.

The League will employ an educational Director the coming year to fill the vacancy made by the promotion of the former director to the Executive Director's office.

R. M. HAUSS, *Executive Director.*

REPORT OF COMMITTEE ON ASSOCIATIONAL MISSIONS

At the called meeting of the Association, held at Mebane late last fall, the Executive Committee of the Association was authorized to name a committee on Associational Missions for the purpose of making a study of this field and to recommend a procedure to the Association at its annual meeting in 1949.

Accordingly, this committee has met numerous times and has given careful and prayerful consideration to the whole matter. It has consulted with pastors and laymen

within the Association as well as with others across the State, including our State Convention leaders who have a thorough knowledge of this work.

The committee, in the first place, thought in terms of an over-all amount that would be needed to finance such a program, in keeping with what other Associations have experienced. In light of this finding the churches were asked to indicate the share they would like to have in such a program. To date the following churches, seventeen in number, by and large the smaller churches of our Association, have committed themselves to the amount of \$2,885.00: Antioch, Mt. Adar, Cane Creek, Mars Hill, Mebane, Carrboro, Grove Park, Southside, Altamahaw, Glencoe, West Hillsboro, Brookwood, Mt. Carmel, Haw River, Hocutt Memorial, City Lake, and Graham. \$1,200.00 is available from State Missions for this cause, making a total in sight of \$4,085.00.

Generally speaking, the churches have responded to this proposed program with enthusiasm.

To answer any questions that may be raised concerning the scope of this program, the committee wishes to emphasize the fact that this endeavor will be association-wide, irrespective of county lines.

In light of this study and a deep conviction of the need and value of such a program, we, the committee, make the following recommendations:

1. That the Association commit itself to such a program.
2. That a committee be appointed to implement such a decision.
3. That this committee with the advice and consent of the Executive Committee be authorized to put into effect such a program, set up its budget, call a missionary, and supervise the program.
4. That this program be instituted as soon as proper arrangements can be made.

Respectfully submitted,

TROY E. JONES, *Chairman*

ORPHANAGE REPORT

Since August 5, 1885 North Carolina Baptists have cared for thousands of homeless children in their orphanages. Last year we helped 623 children in the Mills and Kennedy Homes, 95 in foster homes, and helped 75 other needy children in homes with their mothers. This totals 793 in all. Our work continues to grow; this was 22 more than in 1947 and 93 more than in 1946.

Our officers and trustees plan carefully and economically that the buildings which are homes to so many are kept in repair; one new cottage, a home for 24, was recently opened at the Kennedy Home and in February a new freezer plant there was finished, the one at the Mills Home having been provided during 1948.

Dr. Zeno Wall our consecrated and able General Superintendent of our orphanages in his 1949 report says, "If N. C. Baptists are to continue their outstanding service to the homeless who come to us year after year, a more adequate support must be given. If the Sunday Schools and churches will continue their once a month offerings, and all will make an inspiring offering at Thanksgiving we will be able to carry on the great work we are doing without sustaining any loss at the end of the year."

Each association not only needs to elect an alert and enthusiastic Orphanage Representative but every church needs one—one who will urge his church and Sunday School to contribute regularly to our Orphanage; and that a worthy offering be made at or near Thanksgiving and that copies of *Charity and Children* are received weekly by his church. If this is done faithfully, Dr. Wall adds, our care of homeless and dependent children will be more intelligently and adequately supported.

In this same report Dr. Wall also says, "Last year because it was necessary to erect two new buildings and to improve old ones, and because of the high cost of everything, we spent \$56,000 more than we received; this year, as it now appears, we are going to do the same—spend \$50,000 more than we receive. We have not gone in the "red"—we have had to use reserve funds which had been laid aside for just

such a "rainy day." Every wise father replenishes his family's savings account from time to time lest it vanish.

At my request, Mr. J. D. Fraley, treasurer of our orphanage funds wrote me saying, "From October 1948 to October 1949 the Mt. Zion Association gave \$16,453.62." After careful examination of lists and figures, I find that this amount came from 34 of the 40 churches of this group. Six churches were unable to report anything given.

Is it too much to ask the delegates of each church to make sure that giving to the Orphanage is not neglected this year? Through the monthly use of a special envelope those members of our churches who no longer attend Sunday School will graciously more than double the Sunday School gifts to the Orphanage. This plan has been adopted and proven successful by Chapel Hill Baptists.

A beautiful spirit of cooperation and dependence upon God for guidance, help, and strength has always been exhibited by those who actually care for these 793 boys and girls. May this same spirit be ours as North Carolina Baptists arouse themselves to the vital task of meeting all of the needs of homeless children and preparing them for their tomorrow in our troubled world.

MRS. J. O. BAILEY

REPORT OF THE COMMITTEE ON ORDINATIONS

The newest Standing Committee of the Association is the Committee on Ordinations. This Committee, constituted at the Annual meeting in 1948, was created to serve the Churches in calling and conducting Presbyteries to examine candidates for the Gospel Ministry. The committee was never intended to usurp the Church's place in this most important function. It never will operate except at the request of and with the cooperation of the individual Church. At the same time, it is believed that the committee, serving as it does to bring at least a majority if not all the Churches in the Association into the matter of ordaining a man to the highest calling on earth, will furnish an additional and much-needed safeguard around this important business.

The committee is grateful for the fact that the Churches have seen fit to use its services. No man has been ordained in the Association in this past year without the sponsorship of the committee. We would heartily commend the Association for setting up such a committee and, regardless of who may serve next year and in the years to come, most earnestly commend the committee to the Churches.

Four times this year the committee has been called upon to act. At the request of the Cross Roads Church, a Presbytery was called July 1 to examine Caldwell Williams. L. H. Hollingsworth was elected moderator and Brother Williams was recommended for ordination. Cross Roads Church did ordain him and he is now studying at Southwestern Seminary. Carlton Prickett was elected moderator at the next Presbytery called by the committee, this time by the Cane Creek Church to examine James Rittenhouse, on July 19. Brother Rittenhouse was heartily passed and later ordained by the Cane Creek Church, where he is now serving as pastor. Next, on August 5, the committee called a Presbytery at the request of the Mt. Carmel Church to examine Joseph T. Fowler. Brother Fowler very satisfactorily passed his examination, and was subsequently ordained by the Mt. Carmel Church. He is studying now at Southern Seminary. Brother Guy S. Cain served as moderator of this Presbytery. Glen Hope Church next called upon the committee for service. L. H. Hollingsworth served as moderator of the Presbytery called September 8 to examine Bennett Walker. Brother Walker was unanimously recommended for ordination and Glen Hope Church ordained him. He is now serving in a fine way as pastor of the Deep Creek Church.

The committee wishes to thank the Churches for their cooperation and to thank

the pastors and deacons of the Association for the fine way in which they responded to the calls to sit in the Presbyteries.

Respectfully submitted;
L. H. HOLLINGSWORTH,
L. A. NALL,
TROY E. JONES.

REPORT OF SUNDAY SCHOOL

The Sunday School is the largest single agency that the church has for teaching the message of our Lord to both the saved and unsaved. It is our greatest channel through which the lost can be evangelized. Likewise active and evangelistic Sunday Schools can build active and evangelistic churches.

In order to have a well-rounded and growing Sunday School in the local church several things ought to be true:

1. Be certain that the teachers and officers are devout Christians.
2. That these same teachers and officers are evangelistic, continuously seeking to win the lost.
3. That at least a monthly officers' and teachers' council be held.
4. That a class or classes, be provided for every age group.
5. That periodic study weeks be held for all Sunday School workers and others in the church.
6. That a ten day Vacation Bible School be held in each church or mission.
7. That the Sunday School magnify the preaching services of the church.

This past year many of our Sunday Schools have made progress in these directions. 28 had Vacation Bible Schools in the early summer. To aid in this we arranged an associational-wide Vacation Bible School clinic in the spring and had state and southwide leaders to assist us.

The year 1949-50 ought to be our most fruitful in every way. Some things we ought to do:

1. Go after every available, unenrolled person in your Sunday School area—All ages.
2. Make provision for every pre-school child in either the Cradle Roll, a Nursery or a Beginner group.
3. Start an extension department.
4. Have a Vacation Bible School in your church and sponsor one for some needy group.
5. Observe January Bible Study Week.
6. Work for daily Bible reading in every home.
7. Center all efforts in winning people to Christ.

Respectfully submitted,
E. C. CHAMBLEE.

REPORT OF BAPTIST TRAINING UNION

The Baptist Training Union of the Mount Zion Baptist Association has made some progress during the past year. We have had three churches to report new Training Unions, and we have had a gain of 301 members over the number we had last year.

When we look at the gains that we have had during the past year, we are made to feel good; but there is so much that we need to do when we see that 21 of the

churches do not have any Training Union at all. There is another fact that should cause us much concern—the fact that 85% of our membership is not in training so far as the Training Union is doing its work.

We are very happy to report that our Association was well represented at the Regional Meeting at Sanford last spring, and many of our people took part on the program. The meeting of our Region for 1950 will be in our Association; this will be with the Hocutt Memorial Baptist Church.

We ask you to join us in prayer for a great year of training during 1950.

Respectfully submitted,

GUTHRIE COLVARD.

You will notice that this report covers the work of the entire Mount Zion Association. Although the Association was divided in October, 1948, the women decided to continue their work as a unit until the end of the year. Two new organizations began their work Jan. 1, 1949, one working under the name of the Matthew T. Yates Association and the other with the original name of Mount Zion Association. We realize that this division will mean much in our Kingdom work and we pray God to richly bless the efforts of both Associations.

As members of the Woman's Missionary Union, we are engaged in the greatest business in all the world—making Christ known throughout the world. We want a Christian world. Only Christ is the answer to all the ills of this sinful world. If we desire a better world, then it is imperative that we re-double our efforts, that we catch a greater vision, and that we send more of our young people to help carry the message of life and light to the dark places of the world. "Unless the kingdoms of this world become the kingdoms of our Christ, the kingdoms of the world will perish, and mankind will go down to destruction as its self-made civilization crumbles for lack of spiritual foundation."
